With every New Year, there's always a new face around the block at LCHS. Meet Megan Fast, born on the 7th of August, 2001, in Glasgow, Montana. Megan likes a lot of food, but her favorite would have to be pizza. Being musically inclined, too, (she is also on the worship team) it was only natural for her to be asked about her favorite music bands. In re-

sponse, she said she loves Christian music in general. Megan's favorite class happens to be Bible (New Testament this year). Her hobby consists of sewing and reading, that and she also does basketball and has been dribbling, passing, and shooting ever since third grade. Everyone is busy during the summer, but she said her

summer went really well. During harvest this year she learned how to dump on the run. If she is asked about her favorite Bible verse, she responds with her own paraphrase of Jeremiah 29:11: "Even when things don't make sense or are rough, God has a bigger plan." It's good to have Megan here at LCHS and to see her grow in her faith and character. Please take a moment to welcome her.

LCHS gathered in the assembly room for chapel on September 15th, 2016. The worship team led the group in "Mighty to Save" and "Great are You Lord." It was now time for the speaker to come on up. All attention was on dorm dad, Lucas Lorenz. Girls were told to get into a group on one side of the room, while the boys flocked together on the other side. Everyone partnered up

to ask each other a series of questions, which began with "Where were you born?" and ended with "What is your favorite Bible verse?" Lucas's purpose for this activity was to show us that deeper questions are the ones we cannot respond to as quickly. Almost anyone could rattle off their birthplace in

an instant, but how many people can recite their favorite Bible verse without any hesitation? Lucas began his message with James 1:19, "My dear brothers and sisters, take note of this: Everyone should be quick to listen, slow to speak and slow to become angry." He went

COMPETITION SERVED By: Etien van de Gruiter

Following up on our seven Lady Lions, we have a game from their Wolf Point match on the 3rd of September from a couple of weeks back. Set 1 ended in a 25-13 score, Wolf Point leading in the series 1-0, after a brief rally and a couple of huge plays and relays the Lady Lions gained some momentum, however, it did not prove to be enough as the Lady

Wolves won game two making the series 2-0. Thus having the game come down to the wire, the Lady Lions played with all their might, however, the Lady Wolves came out top with a 3-0 match. Hungry for the win, the Lady Lions traveled to Brockton on September 9th where they played fearlessly against the Brockton Warriors. In the end they se-

cured a 3-0 match. The following day, the Lady Lions traveled to Scobey and were pitted against the Lady Spartans. Locked in an intense battle, the Lady Lions reached the peak of their match during the middle of set two, however, the Lady Spartans came out victorious in a 3-0 game.

SCOBEY PASTOR PRESENTS CHAPEL By: Michael Brown

The first in-school chapel of the year was Thursday, September 8th. The worship team kicked things off by singing “Blessed Be Your Name” and “You Never Let Go”. Following that, Pastor John introduced the speaker, Pastor Mike Hammerly, from the Scobey Assembly of God Church. Pastor Hammerly shared his testimony.

He was born into a non-Christian home in Texas, where he went to college at Texas A & M. There, he walked onto the football team as a lineman.

He eventually joined the military where he served

for ten years. Upon being discharged, he took his few belongings and some money and started driving north until he ran out of gas and money in a little town called Ellendale, North Dakota.

He got a job and then started playing football at Trinity Bible College. Pastor Hammerly went to school there for a year and learned “Christianese.” During the following summer, he was kicked out for violating the school’s code of conduct. After getting a job at a local school as a janitor, he met the pastor of an area church who took the time to explain the gos-

pel to Mike. He became a Christian because of this pastor.

After returning to Trinity and graduating, he ended up in Scobey as a pastor. He eventually started coaching football and track for the Spartans. The most memorable quote of this chapel was when Pastor Mike said that he is still trying to “develop an allergy to stupid.” He mentioned how he had done some stupid things in his time and he was still trying to become more like Christ and do fewer stupid things.

Let your speech always be with grace, seasoned with salt, that you may know how you ought to answer each one.

Welcome to LCHS!

INTRODUCING HALLE REDDIG By: Michael Brown

New to LCHS is Halle Reddig, a freshman. Halle was born on July 15th, 2002, and has five siblings. Her role model is her mom “because she’s always there for me, 24/7.” Halle’s favorite class is art, and after high school, she hopes to go to cosmetology school for 13 months.

When asked what she thought of Lustre and LCHS, she responded, “I love it here, everything except the homework.” As

for sports, her favorite is basketball. Also, she is a part of the volleyball team this year and is considering track, as well.

Then she was asked about her favorite things. When questioned about her favorite and least favorite foods, she said she loved food and didn’t really have a least favorite. Since this is a Christian school, it was natural to ask about her favorite verse to which she re-

sponded Proverbs 3:5-6, which reads “Trust in the LORD with all your heart and lean not on your own understanding; in all your ways submit to him and he will make your paths straight.”

As you should with all the new faces around LCHS, stop by and tell Halle “Hi” and get to know her a little better. Welcome to LCHS, Halle!

BROWN CONTINGENT INCREASES By: Shelby Reddig

LCHS has welcomed some bright, shining faces this school year; one of these new students would be Miss Olivia Pearl Brown. Born on August 5th, 2002, in Williston, North Dakota, Olivia has attended school and lived in Lustre all of her life. She loves the fact that Lustre is small. This freshman is the youngest in her family; she has two siblings. Monica is a freshman at

Montana State University in Bozeman, and Thomas is a junior here at Lustre Christian High School.

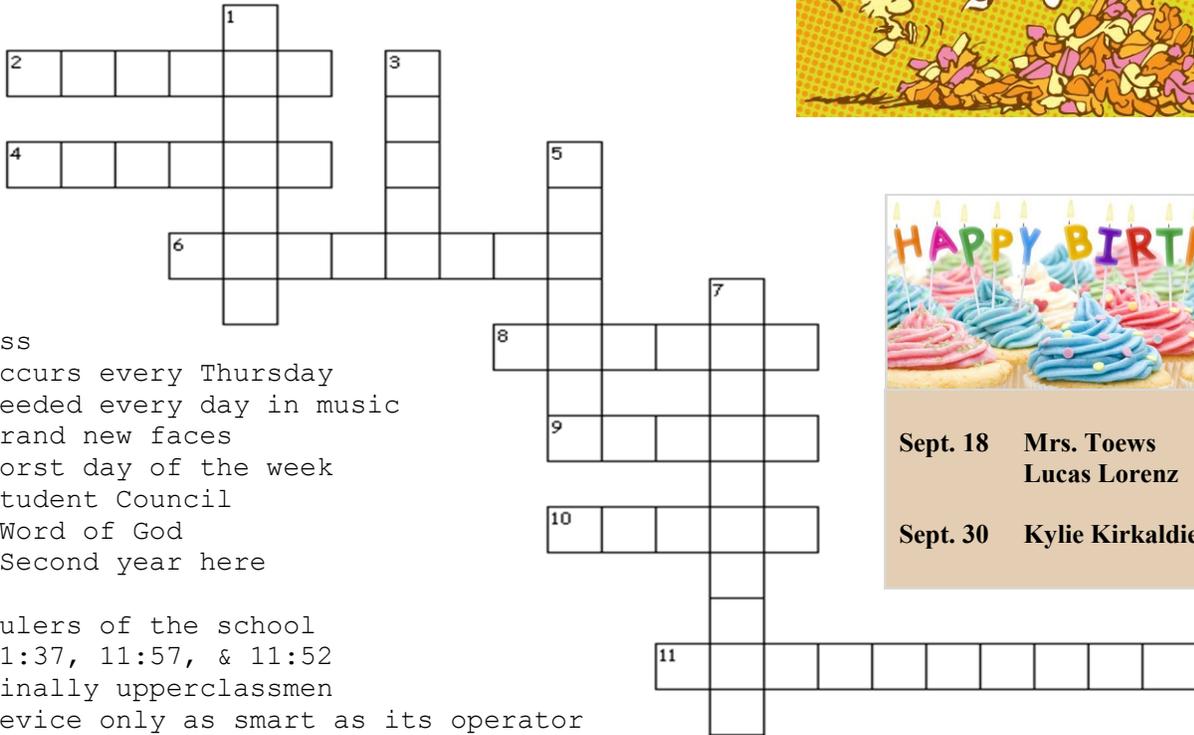

Olivia is enjoying high school so far. Algebra I is her favorite class. Volleyball would have to be Olivia’s favorite sport; she says that it is complicated, but she likes it. She will also be playing basketball this year. Her older sister, Monica, is the person she looks up to the most.

A few of Olivia’s favorite ways to spend her time would be reading and working on the farm. Her favorite Bible verse is Philippians 4:13, which says, “I can do all things through Christ who strengthens me.” (NKJV) Olivia is a great addition to our school with her dedication and positive attitude. Welcome to high school, Olivia!

MANY ATTEND LCHS PRAYER WALK By: Michael Brown

On September 11, 2016, LCHS had its annual prayer walk. The prayer walk is something put on by the school and announced in both churches the Sunday before. This is a unique opportunity for the parents and community mem-

bers to support and pray for the students, school, faculty, and the school year in general. It is typically a thirty minute walk in which people go throughout the school, to each classroom, and pray for the specific requests that are put on the desks in the

classrooms. This year, roughly 20 people were in attendance. Thank you for all your time and generous support of Lustre Christian High School at the launch of this school year full of homework, sports seasons, and classes.

SPEECH

(Continued from page 1) on with verses like Exodus 34:6, Nehemiah 9:17, and multiple ones from the Psalms. These verses show us how God is slow to anger and full of compassion. They are

examples of God's forgiveness and unfailing love. Lucas also discussed passages from Proverbs that focus on patience. God is a perfect example of the qualities we should strive to possess. Lucas concluded with II Peter 3:9. So many

people look forward to things in the future, when they should be enjoying and focusing on things now. God's desire for us is spiritual growth; we can hinder this by not taking the time to work through things in our lives. He closed the chapel in prayer.
