- Sept. 28 - Parent/Teacher Conferences - 4-7 p.m.

Although this is Mrs. Froiland's first year working here at LCHS, she definitely is not a new face in this community. Lynette Froiland, formerly Lynette Trimble, graduated from Lustre Christian in 1980, and has been a very busy lady in the time since she left.

After graduating from MSU Bozeman in 1984, she married her husband Robin Froiland, and together they have five kids, three of which they adopted in 2006. She is also the proud grandmother of a granddaugh-

ter, Elizabeth, who was born in 2011.

Despite all of these accomplishments, raising a family isn't the only area she's succeeded in. Mrs. Froiland has also conquered the world of diverse occupations! In addition to working as a taste tester for a food company, she has also worked as a para in a kindergarten classroom and as a secretary in several different office settings. Now that she is back in Lustre, she not only serves as the secretary but also as the teacher of

the Advanced Computer class, where she is tasked with the job of reigning in all of Lustre's restless, rowdy seniors.

In her free time, she stated that she enjoys reading historical fiction, sewing and staying in touch with friends via Facebook.

When asked what she missed most about Lustre, she wisely responded with, "Schmeckfest!"

Mrs. Froiland, we're so glad to have you back in the community, and we appreciate you serving the school in such a big capacity.

Pastor Frank Challenges in Chapel By: Kylie Kirkaldie

On Thursday, Sept 5, Pastor Frank Lenihan came to the school and kicked off our first chapel of this year. The verse that was the focal point was found in Philippians 3:1-10.

He asked students, "What kind of titles do we have right now?" getting answers along the lines of student, teenager, believer and athlete.

Then he asked, "What kind of titles would you like to have in the future?" getting answers

like engineer, multimillionaire, and 'da boss'.

Then in all seriousness, he asked what kind of labels do we have for God to accept us?

Pastor Frank discussed the gains that Paul thought would win him favor with God (found in Philippians 3:5-6). But in Philippians 3:7, Paul

says that all the things that he thought were gains were losses if he didn't know Jesus Christ.

Chapel ended with a challenge. Pastor Frank told everyone to think about whatever you're doing and why you're doing it and to think whether people will

remember that 20-50 years from now and then listed the benefits of knowing Jesus.

PATIENCE PAYS OFF By: Harry An Le

On Friday, September 8th, the Lustre Lady Lions went to Culbertson High School to face the Culbertson Cowgirls. Playing with patience and determination, as the result, the Lady Lions won 3 out of 5 games. The first set was 25-18 (Lustre), the second set was 25-16 (Culbertson), the third set was 27-25 (Lustre), the fourth set was 25-17 (Culbertson) and the final set was 15-12 (Lustre).

On Tuesday, September 12th, there was a great battle between the mighty Lions of Lustre and the goofy Wolves of Wolf Point. With the cheer of Lustre's huge fans, the Lions beat the Wolves. The first set was 25-6 (Lustre), the second set was 25-11 (Lustre) and the third set was 25-9 (Lustre).

Overall, the Lions have shown their great effort of practicing, and their passion,

teamwork. Come, cheer, and witness the power and spirit of Lustre Lions at their upcoming games at 6 p.m. on 9/19 against Opheim/Nashua at Lustre Christian High School, and at 6 p.m. on 9/22 against Scobey at Lustre Christian High School also.

College Fair By: Thomas Brown

On Tuesday, September 12, the upperclassmen traveled to Glasgow to the college fair. While there, they explored the numerous colleges and learned much from the "salespeople" at each table.

The main table of interest was the Montana State University in Bozeman. Also of interest were MSU Northern, MSU Billings, and Miles City Community College, among others. Many states were represented, such as North Dakota, Wyoming, and Nebraska colleges joined those of Montana.

The floor was packed

as sophomores, juniors, and seniors from the various schools walked from table to table, purveying the options.

Many high schools from around the area came to Glasgow for the college fair, both from class B and class C.

The LCHS students attended the fair for about half an hour, making the rounds to see all of the colleges that interested them. It was a valuable experience, and helped many students see the options out there for them.

Many thanks to the college reps and the Glasgow High School for coordinating the event.

Mr. & Mrs. Bogar Share By: Thomas Brown

This past Thursday, LCHS had the pleasure of having the Bogars come to speak at chapel. Pastor Bruce opened the time with the question, "What do you really envision for your life?" He talked about finding a treasure chest and how we would find that very useful and valuable. Then he stated that, for the Christian, the treasure is God's Word. As it is said in Scripture, God's Word is more precious than gold and sweeter than honey. This treasure not only is a blessing to us, but allows for us to become blessings as well. As for value, it is extremely helpful, especially when tempted. Jesus, being a perfect example, when tempted by Satan, quoted several times, "It is written..." followed by Old Testament Scripture. The best investment we can make is to invest the Word in our heart.

After this, Mrs. Connie Bogar stood up and shared with us the importance of memorization. She explained that whatever you think about most will have the most impact on your brain. The more you think about what is good, like that which is stated in Philippians 4:8, the more that habit forms. However, it works both ways, meaning that based on your actions either good or bad habits can form. Therefore, when you deliberately make the memorization of Scripture a priority, you are bettering the overall way in which you act, talk, and think. Also, the memory of Scripture goes directly into your subconscious, which is a very active part of the brain. Everything that you do comes from your subconscious, so it is critically important what you put into your subconscious.

But whatever things were gain to me, those things I **have counted as loss for the sake of Christ**. More than that, I count all things to be loss in view of the surpassing value of knowing Christ Jesus my Lord, for whom I have suffered the loss of all things, **and count them but rubbish so that I may gain Christ** Philippians 3:7-8 (NASB)

Welcome to LCHS!

A New But Old Face: Braeden Toavs by Levi Brown

A new face, yet an old one, since we all know him from grade school, has arrived at LCHS as a freshman.

I asked him a few questions so we could get to know him better even though we might know him already.

When I asked him what his first impressions of high school were, he told me that it was interesting and

fun and that his classmates are fun also.

When I asked him what he looks forward to learning here at LCHS, he said the Bible. What is your favorite class so far - Bible.

Then I asked him what his favorite food/meal was... Pizza!

He then told me what his favorite color was...green! (must have to do something with tractor color)

His favorite artists are George Straight and Alan Jackson.

He likes to play sports, hunt, drive tractor, and round up cattle.

I then asked what he wanted to be when he grew up...he said he wanted to be a rancher and farmer. His favorite verse is Philippians 4:13. Welcome

Braeden and we hope you enjoy it here.

... and Another Brown By: Brady Shimmin

One of the many new students entering the Lustre Christian High School this year is freshman Josh Brown. As a sibling of a few of the current and past students Josh is not entirely unknown to the students and teachers of Lustre Christian high. His older brothers Michael and Zach as well as cousins Monica, Levi, Thomas, Sadie, and Olivia, are all former and

current students of the Lustre school system.

When asked about his initial thoughts and impressions about the school, he stated that there is a lot of homework, but that he is still looking forward to his favorite classes Bible and math.

Being a Lustre boy his favorite color is Lions blue.

When he's not in school he is working on the family farm or listening to his favorite song: "Guilty" by the Newsboys.

His favorite food is hamburgers and his favorite verse is Joshua 1:9.

Welcome Josh, we hope you enjoy it at Lustre High.
