OVERSEAS MISSIONARIES INSPIRE IN CHAPEL BY: KAITLYN TOAVS

On September 18, the students and staff of LCHS gathered in the assembly room for their weekly dose of worship and encouragement. This week was special though, because we were honored to have Dave and Suzy (names changed to protect identity) in the house. These two overseas missionaries have been supported by MB missions for many years. They were excited to be back in the area and had a challenging message for all of us from 2 Kings 18.

This story is centered on Hezekiah in the

middle of his reign as king of Judah. Now Hezekiah was a godly king who sought to honor the Lord in everything he did. His faith was put to the test though, when Sennacherib, king of Assyria, conquered all of the major cities surrounding Hezekiah's kingdom. With Sennacherib's army closing in, Hezekiah was forced to empty the temple and palace treasury in order to pay his tribute to the king. Though all of the gold and silver had been given to the greedy invader, it still wasn't enough so Hezekiah cried out to God pleading

for guidance. His faith in God ended up saving his people from destruction.

Dave used this story to show how crucial it is to listen to God's instruction. He applied this to his own life by telling of his time in the military. When his years of service were completed he got his masters in music and had the opportunity to a professional opera singer. Before he could embark on that journey, though, he received a letter of mandatory deployment to Afghanistan. It was during his time back in

NEW STUDENT: ALYRA BOWE BY: BRAYDEN SHIMMIN

Another one of the many new students entering the Lustre Christian High School this year is junior Alyra Bowe. Coming to Lustre from Cambridge Maryland, her first impression of Lustre was naturally "it's in the middle of nowhere!" Her favorite class so far is art, which has included: zen-

tangle drawing and watercolor painting. Her favorite colors are blue and gray and her favorite food is candy. In her spare time she enjoys writing poetry, drawing and listening to Haitian music. When asked about her plans for her future, she stated that she plans on pursuing professional photography.

LADY LION GAME RESULTS BY: KYLIE KIRKALDIE

Tuesday, September 19th, the Opheim/Nashua Lady Rivals voyaged a great distance to challenge the Lady Lions in their den. Although both teams played with heart and courage, the Lady Rivals were no match for the Lions. The Lustre Lady Lions won in three. Games resulting in 25-11, 25-12 and 25-20. Sadie Brown was the team leader in kills and blocks for the evening with a total of 6 kills and 2 blocks. Lily Short was the team leader in aces for the night with a total of 7 perfect serves. And Kassie Kirkaldie was the leader of digs with a

total of 6.

The next week, on Friday, September 22, the Scobey Spartans journeyed afar to challenge the Lady Lions. The Scobey Lady Spartans won in 3, but the Lady Lions didn't go down without a fight. Results for each game are as follows: 25-24, 25-16 and 25-10. Sadie Brown was the leader in kills, blocks, and digs with 9 kills, 2 blocks and 12 digs. Kylie Kirkaldie was the leader for aces with a total of 4.

The following day, Saturday, September 23, the

Lady Lions crawled out of their den to journey to Glasgow and faced their JV team. The teams fought back and forth, but in the end, the Glasgow Scotties won in 5 games. End results were as follows: 26-24 (G), 25-22 (G), 25-22 (L), 25-19 (L), and 15-10 (G). Sadie Brown was the team leader in kills for the day with a total of 13 hits. Both Kassie Kirkaldie and Sadie Brown led in blocks, with a total of 2 each. Lily Short led with 6 aces for the day. And Kaitlyn Toavs led with a total of 20 digs.

ANOTHER ONE "BITES THE DUST" BY: LEVI BROWN

Diego Froiland, a new student whose parents are Robin and Lynette Froiland, came with his family to Lustre and is now attending school here at LCHS. They "bit the dust" as they came in on one of our worst droughts in a very long time.

I interviewed Diego and asked him some questions. I first asked him what his first impressions were

here attending LCHS, and he commented how small our school was and the lack of kids, so he figured it was going to be boring. However, he looks forward to learning more about the people here.

His favorite class so far is World History. I asked him what his favorite food was and he said as long as the chow tasted good, he'll eat it. His favorite color is blue and

his favorite song is Rose Gold by Pentatonix. He likes to go outside in his spare time.

Then I asked him what he wanted to be when he grew up, he said he wanted to be a pilot. To my final question asked, he said that his favorite verse is John 3:16 Welcome Diego and we hope you enjoy your time here while attending LCHS.

(Chapel ... continued from page 1)

the service that God opened Dave’s eyes to the great need for Christ in the Middle East.

Suzy then told of the difficult time she had when Dave came home from Afghanistan and wanted to become an overseas missionary. She admits that at first she didn’t even consider the idea a possibility, so

together they started a family and got involved in a missions program in their church. Though they met with success in their missions work on the home front, Dave and Suzy were feeling called by God more than ever to minister overseas. With God laying the groundwork, the two made their home in a very dangerous country in the Middle East that is almost 100% Mus-

lim. Suzy explained that though it seemed like a huge commitment to say “yes” at the time, God paved the way with smaller “yesses” that made it easier to accept that enormous change. The pair concluded by challenging the student body to trust God even when His will seems unclear. Allowing Christ to take the lead ensures that we will always stay on the straight and narrow.

THE NEW OLD FACE IN LUSTRE CHRISTIAN HIGH SCHOOL BY: HARRY LE

Currently there is a new science teacher at Lustre Christian High School. “Who is that mysterious person?” you may ask. Naomi Lorenz is the person willing to substitute Physical Science and Biology classes. She can be found at the MB Church every Sunday, or at LCHS in 6th and 7th periods from Monday to Friday, or at the dorm everyday.

Mrs. Lorenz graduated from Montana State University with the teaching degree of Bachelor of Science in Elementary Education K-8. She married Lucas Lorenz – a nice

person – and have three lovely children: Solomon, Patience, and Eden. She usually spends her extra time reading mystery novels (p/s: we do not have this favorite in common).

Before moving to the lovely Christian community of Lustre, the Lorenzes were missionaries in the Philippines from 2010 to 2014. Mrs. Lorenz had a really joyful and memorable

time with generous and friendly Asians.

Mrs. Lorenz is also one of the dorm parents. She has been “babysitting” crazy international teenagers for three years. She enjoys sharing experiences and learning about other cultures. As a dorm parent, she “gets to” tutor and help edit papers of the dorm kids. Furthermore, Mrs. Lorenz is a really good cook. Her food is addictively delicious. Last, but not least, she has secret ingredients for blue magical icing and drink.

Now, according to her “confession”, she is so excited to meet the new science teacher.

SEE YOU AT THE POLE BY: THOMAS BROWN

If you drove past the school this past Wednesday morning, you might have seen a group of students and teachers outside before school. As usual, around this time each year, the LCHS students and faculty gather around the flagpole to pray. There was quite a

large attendance this year, with most of the student body showing up. There was prayer for the school, the community, the country, and those affected by the recent hurricanes, among other things. Generally, there was thankfulness to God for the area in

which we live and the incredible freedom with which we can do what we did, that is, public prayer. The students and faculty prayed for about 15-20 minutes, after which they all went inside to breakfast in the cafeteria.
