## Money Raised for Special Someone! *By: Serena Weide*

On a beautiful, clear Friday night, there was a benefit fundraiser for Ron Reddig for his liver transplant. It started around 5:30 p.m. on November 14 at the Glasgow Civic Center and it was really crowded! The music started the evening off

with Roxanne and Gary Funk, Mr. Butler, Dan Reddig, and two others playing old-style country music. Chili, vegetables and dessert were served. There were great

## Brown "Compound" Grows at LCHS! *By: Maya Cruz*

This year we welcomed seven freshmen, one of whom is Levi Brown. Levi Brown was born on May 22, 1999. He is a kid from the commu-

nity who loves to drink Pepsi and the color green. When I asked him what he thinks of

to LCHS he said, "It's the best school, wouldn't go anywhere else!" He also ex-

## Learning Spiritual Truths By: Nevin Vanderschoot

Chapel took an unusual turn on November 6, 2014. During chapel we watched *Defining Moments* from “My Hope America” by Billy Graham. The 30 minute video showed us that no matter what we do, we can always ask for forgiveness and repent. Our sin would be forgiven all because Jesus has given up his life for the sin of those who have sinned and will sin. Here are some of the quotes used by Billy Graham “From

the moment we are born we start dying”, “On the outside you look great

but deep inside you are searching for something you had not found”, and “There is a time for everything and a

season for every activity under heaven”. Also some of the Bible verses mentioned were Romans 10:13 (NIV) 13 “for, ‘everyone who calls on the name of the Lord will be saved.’ [a]”, James 4:14 (NIV) 14 “Why, you do not even

know what will happen tomorrow. What is your life? You are a mist that appears

for a little while and then vanishes” and John 17:3 (NIV) 3 “Now this is eternal life: that they know you, the only true God, and Jesus Christ, whom you have sent.”

During chapel on November 13, Pastor Mike Kauffold had

the students of LCHS play a game in which the senior, junior, sophomore, and freshmen competed to finish a scrambled puzzle first. Out of the four classes, the sophomores finished their puzzle the quickest

followed by the juniors. Unfortunately, and even to pastor Mike’s surprise, the seniors didn’t finish their puzzle. The message that pastor Mike presented was that life is like a puzzle and only God can see the full picture. We can only see bits and pieces of it at a time. One of the Bible verses mentioned was Proverbs 29:18 (NIV) which “Where there is no revelation, people cast off restraint; but blessed is the one who heeds wisdom’s instruction.”

pects to learn more about God and the Bible during his four years of High school at LCHS.

Even though he is a fresh-

man, he already knows what he wants to do after he graduates. He plans to go to college, then farm and ranch. His motivation for this new experience in his life is his

favorite Bible verse: “I can do all things through Christ who strengthens me.” (Philippians 4:13). LCHS better get ready to see a lot from this kid.

## Basketball season begins By: Francis Kulpruks

I asked the coaches, “What’s our game plan for this year? What goals do you have for u p c o m i n g season?”

Coach Randy Reddig says, “Our game plan is to emphasize defense and hustle. Goals are to get better every day and to play as a team.”

Coach Keith Orr says, “This year, we are looking to be an aggressive team on both sides of the ball. We look to take the game to our opponents and put them on the defensive and take advantage of our very athletic team. Goals: Exemplify God in all that we do. Compete every

minute of every game to the best of our ability.”

The young new looking head coach for the guys this year is Randy Reddig, and assistant coach for this year is J a r e d Holzrichter. There are 12 guys attending basketball this year. The returning players for the guy’s team are Mawin (Sr.), Mack (Sr.), Silas (Jr.), Teagan (Jr.), Jason (Jr.), Jacques (Jr.), Michael (Soph.), and Levi (Fr.) will be playing. There are 4 guys joining the team which are Nevin (Jr.), Etien (Soph.), Lane (Fr.), and Zac (8<sup>th</sup>). Chen (Sr.) will be managing for the

guys’ basketball team.

The brand new coach for the girls’ basketball team is Keith Orr. There are 10 girls in the basketball team this year. The returning players are Serena (Sr.), Monica (Jr.), Geneva (Jr.), and Mckaylah (Jr.). There are 6 new girls joining the girl’s team this year which are Joyce (Jr.), Kaitlyn (Fr.), Dimon (Fr.), Kylie (Fr.), Sadie (8<sup>th</sup>), and Taylor (8<sup>th</sup>).

Maya (Sr.) will be managing for the girls’ basketball team. This year, we’ll have all the seniors attending basketball in some sort of way.

## New Technology Allows Recording of Events By: Staff

Everyone knows that technology is an ever evolving tool. It seems as if once a new item purchased it becomes obsolete as soon as it’s removed from the store. Fortunately, some of the new gadgets and gizmos are more compatible with new ways of doing things.

One such “gadget” is a new iPad purchased by the school recently. This is to be used for recording various events, including

sports when applicable. Most recently, it’s been used to record the weekly chapels here at the school. The best news of all, though, is that these recordings are available for everyone to see via a website Heidi (Yost) Mor-ton discovered while she was s t i l l h e r e : [www.highschoolcube.com](http://www.highschoolcube.com).

All one needs do is go to the site and type *Lustre Christian High School* into the search field.

It will then bring up a list of events that have been recorded so far this year. Should one sign up for an account, it simply allows one to save and follow various “cubes” with each visit to the site.

Feel free to contact Mrs. Adolf at the school if you have questions. Otherwise, happy viewing!

## We Give Thanks By: Ron Reddig

It is my attempt to in some way thank all of those who shared in the success of my fundraising benefit. Thanks to Sam and Nancy Ortmann for organizing the event. Thanks to Lisa Neufeld for all of your advertising efforts. Thanks to Jerry and Susan Fast for organizing the auction and to Terri Ellsworth for catering the meal. Thank you to our wonderful auctioneer of the evening, Virgil Nelson, and to all of you who bid and took items home with you. Many thanks to all of the businesses and individuals who donated

items for the silent and live auction. Much appreciation to all of the people who supplied entertainment for the evening. Also, a big thanks to

Julie Reddig who helped in financing. Thanks to my children Randy, Nikki and Roni and their spouses for all of their legwork preceding and during the benefit. Many thanks go out to the commu-

nity of Lustre and all of the surrounding towns that came out and supported this effort. Thanks again to all of you who have blessed and encouraged me through your financial gifts, cards, and uplifting words, may the Lord richly bless each and everyone of you for your acts of kindness.

With all of your generosity, we now have enough funds to start the living donor process.

Love to all,  
Ron

## LCHS Foundation Provides Informational Dinner By: Chen Zefeng

The red, white, and blue decorations were in place on November 10, 2014, for the Foundation dinner at LCHS. The purpose of the evening was to match monies with the MB foundation in Kansas, with all the money they raised going to the LCHS Foundation as managed by the MB foundation in Kansas. The evening included a prime rib

dinner, prepared and served by Mrs. Jean Toews and door prizes given to the men and women by drawing numbers.

This was a time for the foundation committee to let everyone know what has been done for the last school year using foundation funds, and to acknowledge

the \$100 club members. These are people who donate \$100 to the LCHS foundation. After dinner, Mr. Andy Shewey, who is from Kansas and works for the MB foundation, went to the podium to give information on how to invest for the future. There were a total of 42 people in attendance for the evening.
