MINISTRY APPLICATION

Your interest in Lustre Christian High School is appreciated. We invite you to fill out this application and return pages 3-7 to our school office either by mail, fax, or e-mail.

We realize that the key to a successful Christian School is its staff. We are seeking applicants who are professionally qualified, who really love children, and who, by the pattern of their lives, are Christian role models.

Thank you for your interest in the ministry of our school.

LOCATION

LCHS is located in a very rural area of northeastern Montana, approximately 35 miles northwest of Wolf Point, MT. People who enjoy rural living will like Lustre. Lustre is not a town, but a rural community. Lustre is a farming community, and the school serves as the general meeting place for community and church activities.

ORIGIN

In the early 1930's, LCHS began as a non-accredited Bible school. However, in 1948 a group of concerned Christian ranchers met together for the purpose of starting a Christian High School. This led to the establishment of Lustre Bible Academy – a Christian high school dedicated to the teaching of the Word of God through a Christian high school education. In 1978, the name was changed from Lustre Bible Academy to Lustre Christian High School.

SCHOLASTIC STANDING

LCHS is accredited by the Montana Office of Public Education and is a member of both the Association of Christian Schools International and Montana High School Association. LCHS purposes to offer a solid high school education. This includes all courses required by Montana colleges for entrance. Furthermore, LCHS offers an ITV lab, which offers more classes for students and gives the community and staff opportunities to continue their education or participate in networked activities.

DORMITORY STUDENTS

LCHS is a unique school in that it is a combination of a school for community students and a boarding school. In 1979 a new dormitory was built on campus, which can house up to 32 students. The dorm houses students from various parts of Montana, nearby states as well as international students. Full-time dorm parents reside at the dorm and strive to operate the dorm in a family-style setting.

FACILITIES

LCHS is blessed with modern facilities. The gymnasium-classroom complex contains a kitchen and dining facility, computer and science labs, assembly room, library, classrooms, and offices as well as a regulation size gym. The 3½ acre complex includes the school, dormitory and staff housing.

FACULTY HOUSING

Housing is provided by the school either on campus or very close. The housing is well-maintained, but not fancy. All utilities except telephone are included as part of the contract.

EXTRA CURRICULAR

The music program at LCHS offers the students opportunity to participate in district and state level festivals. The music department also has outreach programs in local churches to introduce others to the school. Interscholastic competition is available in girls' volleyball and boys' football (co-op with a local town), boys' and girls' basketball as well as boys' and girls' track.

FACT SHEET REGARDING WORKING AT LUSTRE CHRISTIAN HIGH SCHOOL

1. Each dorm parent must be a born-again Christian who seeks to maintain a consistent Christian testimony.
2. Dorm parents at LCHS should view their service as a ministry. Although we realize that spiritual growth is not the result of following a set of rules, we are keenly aware of the importance of their influence on the lives of students by example. Therefore, dorm parents at LCHS are not to engage in smoking, drinking of alcoholic beverages, using of drugs, or using profane language while employed at Lustre Christian High School.
3. Lustre offers a variety of advantages not found in a metropolitan area. The high school is small with an average class size of 11 students. With housing on campus, one can walk to school and not need to commute every day. It is an ideal place to raise a family. There is an excellent grade school located adjacent to the high school. For hunters, the opportunities are unlimited with lots of birds, waterfowl, deer and antelope within easy driving distance.
4. There are inconveniences caused by the isolation. Shopping trips must be planned with our nearest towns of Wolf Point being 35 miles and Glasgow being 55 miles from the school. Opportunities to participate in a variety of church or community activities may help with the transition to rural life.
5. The school and churches are the center of activities in the community.
