## EXCITING CHAPELS GIVEN BY: MAYA CRUZ

Mack Young, one of the five seniors, decided to do his senior chapel before Christmas break. On December 4<sup>th</sup>, 2014, LCHS gathered together to see Mack Young present his topic: "Constant State of Readiness."

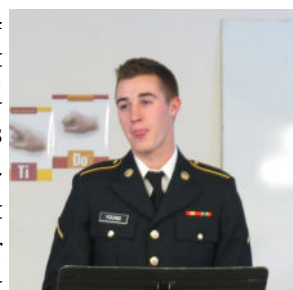

He started by showing a video about a soldier, who was distracted by a bird he was trying to draw, and died from a shot from the enemy. The purpose of the video was to show how everyone needs to be alert at all times. In 1 Pe-

ter chapter 4 and verse 7 it says "The end of all things is near. Therefore be alert and of sober mind so that you may pray."

Mack explained how Christians must always be ready and sober-minded to answer Christ's call of duty.

To accomplish God's mission, it is also necessary to pray. Praying helps people get in touch with God and to know what each person is called to do on earth. It is im-

possible to do one's duty if not in direct contact with Him. Mack used Daniel as an example so the students,

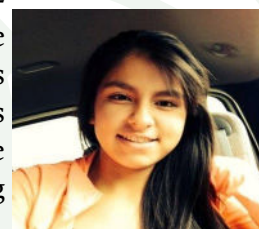

staff, and friends of LCHS could better understand what he was trying to teach. He told the story of Daniel and how he prayed constantly to know what the Lord wanted him to do. "And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on

## NEW FRESH MEAT BY: SERENA WEIDE

This year LCHS has a 5'5 1/4 Freshy on our hands! Her name which is the beautiful crystal everyone loves (and the most outstanding girl everyone loves) is named Dimond Sullivan. She

came to LCHS because it was where she grew up. She lives with the Dorm at this point, but soon she will see herself living with the Utchmans. She came here to learn

more about God. Her dorm life is alright but we all know she

## LADY LIONS CLAIM FIRST WIN BY: FRANCIS KULPRUKS

The Lustre Lady Lions, coached by Keith Orr and assisted by Al Leland, started the season against the Opheim Vikings at home. There was a lot of people in the crowd cheering on the team. The whole game was attention-grabbing because both teams gave their best effort to win the game. Sadie Brown had an inspiring

steal by coming out of nowhere and took the ball from the player's hands. Monica Brown showed her ball handling skill and she made 4-three-pointers. The Lady Lions listened to their coach as they stole, rebounded, and defended the ball. The Lady Lions ended up beating the Vikings 57-25, which means the Lady Lions

killed them by 32 points. The scorers are Monica Brown 22 pts., Sadie Brown, Geneva Rauch, and Kylie Kirkaldie are tied up with 11 pts., and Serena Weide 2 pts. There was no boys' basketball game because the Vikings didn't have enough players for the boys' team. The Lady Lions did on their first game.

is excited to move in with Linette Utchman. When asked what her favorite thing to do is, she answered "To hang out with Linette." Her favorite color is blue and she loves basketball, even though she says she hates basket-

ball. She stands 5'7" in basketball to scare the other teams. When asked if she had three wishes she answered: "My wishes would be to have summertime all the time; to remove pain from everyone; and to not have as much school work."

She is a Christian, and says it's rough yet tries hard to get closer to God. She has no idea where she will be in 30 years from now. But she knows God will lead her to the right direction, but she will see.

## DORM ENJOYS WINTER BY: NEVIN VANDERSCHOOT

The last couple of weeks around the dorm have been busy. The students went to Glasgow on December 6th to get some essential things as well as some drinks and snacks. During the same weekend, Nevin went to Wolf Point High school to take his SAT, and, coincidentally, Etien was also there selling Mixes in a jar for the sophomore class. On Sunday, in the evening, the dorm students went to the gym and played a couple of rounds of Ultimate Frisbee. During the

week, though, Nevin and Maya wanted to build a snowman. They built one on Tuesday when the weather was around 32°F. Unfortunately, the snowman melted the following day and fell apart. On Thursday, Nevin decided he would build it again only this time even bigger. The bottom piece of the body was so big he needed the help of Jacques to help him role the ball. Furthermore the middle piece was so

heavy that Etien and Mawin helped Nevin lift it up to put it on top of the body. The snowman in total is taller than 6 feet. The Christmas program also took place December 11th, and it seemed like all the dorm and local students did exceptionally well. Then everyone watched the Blue & White game on Friday, December 12th and went caroling on December 17th. Now everyone is just waiting for Christmas break and the opportunity to travel and see family and/or friends.

praying for all the Lord's people" (Ephesians 6:18).

In conclusion, Mack taught his listeners how to be alert, cognizant (thoughtfully aware), and sober-minded so all will be able to accomplish and do the duty given by God in this world. Our Lord also wants to hear from His followers, so praying will help build one's relationship with Him and to understand why Christians are on earth.

A different approach was taken for chapel on December 11, 2014 with the

drama class presenting three skits during this time. The first skit was "Gossip, They Wrote," by Martha Bolton. In the play, Mackenzie Teichroew, Etien Van de Gruiter, Serena Weide, Mack Young and Shelby Reddig, were workers in a newspaper office. They taught the audience that gossip is addictive but everyone decides whether to be part of the gossip group or to ignore them. The next one was "The Great Parking Space," by Martha Bolton. Geneva Rauch and Lane Murray, acted as a couple looking for a parking lot in the mall. In the end,

while trying to find a spot to park, they realized the mall was closed. What they were trying to show everyone was the need to appreciate the small things and use them wisely. "The Birthday Party," by Martha Bolton was our last chapel skit of the year. Maya Cruz played *Lee*, a girl who is ignored by her friends during her birthday party. She realizes how, on Christmas Eve, the birth of Jesus is often forgotten as well. It was a gentle reminder for all in attendance to keep Christ in Christmas and remember His birth this holiday season. It was a thoughtful end to the last chapel of 2014.

## The Deal

A young boy had just gotten his driving permit. He asked his father, who was a minister, if they could discuss the use of the car. His father took him to his study and said to him, "I'll make a deal with you. You bring your grades up, study your bible a little and get your hair cut and we'll talk about it." After about a month the boy came back and again asked his father if they could discuss use of the car. They again went to the father's study where his father said, "Son, I've been real proud of you. You have brought your grades up, you've studied your bible diligently, but you didn't get your hair cut!" The young man waited a moment and replied, "You know Dad, I've been thinking about that. You know, Samson had long hair, Moses had long hair, Noah had long hair, and even Jesus had long hair...." To which his father replied...."Yes, and they WALKED everywhere they went!"

## How to Get to Heaven

A teacher asked the children in her Sunday School class, "If I sold my house and my car, had a big garage sale and gave all my money to the church, would I get into heaven?" "NO!" the children all answered. "If I cleaned the church every day, mowed the yard, and kept everything neat and tidy, would I get into heaven?" Again, the answer was "NO!" "Well," she continued, "then how can I get to heaven?" In the back of the room, a five-year-old boy shouted out, "You gotta be dead!"
