LUSTRE HAS GOTTEN SOME SPICE BY: HARRY AN LE

Lustre Christian High School started February with a new student from South Korea, Yechan Choi – “Gilbert”.

ness to learn more about America’s diverse culture.

No wonder why Band is one of his most favorite classes.

Gilbert has grown up in a Christian family in Korea; he loves God and living a life that he can honor the Glorious Lord.

He’s a member of the Junior class.

He shared that his favorite color is blue and his favorite food is Kimchi. He loves playing soccer and basketball. He has been practicing basketball with the high school boys.

Though, there are a lot of differences between Korean and American culture, Gilbert has shown willing-

Gilbert has a great interest and talent for music. He sings well and plays saxophone, piano and drums.

We are glad to have you here Gilbert, we hope you enjoy your time here with the Lustre Lions.

LIONS SPLIT WINS WITH BEARCUBS BY: BRAYDEN SHIMMIN

On February 3rd, the Lions prowled into Frazer with their sights set on a win for Lustre’s third to last game of the season.

The Lady Lions started off the night with a very hard fought battle, holding the Bearcubs score well below their own for most of the

game, until the final 4 ½ minutes.

Despite Frazer going

Our chapel speaker on the 1st of February was not a new face to most of us. As Lisa Neufeld stepped to the podium, we knew we were in for a time of laughter and learning. We began with a game where several students had to get in a circle and, with closed eyes, grab

the hands of other people in the group. The goal was to then get untangled without letting go. The exercise proved

easy in a group of two or three, but once the size increased to six people, the web of intertwined

REGULAR SEASON COMES TO A CLOSE BY LEVI BROWN

The Lustre Lions played their final two games last weekend to finish out their regular season and head into Tournaments.

On Friday the 9th, the Lions got on the bus to head to Hinsdale to play North Country. After the Lady Lions beat the Lady Mavericks, the boys pulled onto the court in an attempt to beat the 2nd ranked team in the district. But as time went by and the with the time running out, the Lions lost to the Mavericks 25-55. The Lions only scored one point

in the first quarter against North Country. The shots just would not fall. Zach Brown - 11, Levi Brown - 9, Kaleb Hoversland - 2, Kol-den Hoversland - 2, Terry Allmer - 1.

The following day, Saturday the 10th, the Lions hosted the Dodson Coyotes on Senior Night, which came out a victorious win to send the Lions into Districts. At the half, the Lions were down 2, but the Lions' defense was able to hold Dodson down. And on the other end of the court, the Lions

kept scoring as much as they could and the final score read 47-38. The only player for Dodson to score over 6 was Corbin Lonebear, and truly was he alone for he scored 28 points while the rest of the team's players were held 6 and under. Thomas Brown - 13, Zach Brown - 11, Kyle Pederson - 8, Levi Brown - 7, Terry Allmer - 6, Brady Shimmin - 2.

Come and cheer on the Lions in this week's District Tournament in Glasgow! We'll see you there.

GAMES, SENIORS & GYM FLOOR HONORS BY: KYLIE KIRKALDIE

February 9, the Lustre Lions headed over to Hinsdale to face off with the North Country Mavericks. The girls had an amazing game against the Lady Mavericks. They led throughout the game and the game eventually tied in the fourth quarter. The Lady Lions took the "W" with a final score of 31-44.

Unfortunately the boys did not have as good of a game as the girls. The final scores for the boys were 25-55, North Country.

Senior night was the next evening, February 10, against Dodson. Sadly, the JV game was canceled and the varsity games were pushed back, as the Dodson Coyotes were running a bit late due to weather and bus issues.

Besides all the inconveniences and minor setbacks, the Lions had a clean sweep that night. The girl's scores were 60-40 and despite a close game all the way through, the guys ended with 47-38 giving a great

outcome to the Lions last home game before districts.

Between the two games, the Seniors were escorted onto the court by their parents or other community members.

Gym floor donors were also recognized and a plaque was given in honor of them. Lustre's Senior class of '74 raised the most money toward the gym's floor. Because of this great feat, the members of that class were specifically honored that night.

PASTOR FRANK EXPOUNDS ON HOLY SPIRIT BY: THOMAS BROWN

LCHS welcomed Pastor Frank to speak at our weekly chapel. The topic being presented was the Person and Ministry of the Holy Spirit. He led off with by saying that, "The most important thing about you is what you think about God; therefore, the most important thing you can think about is God." He then talked about how we get to know God. There are 3 ways: First, through general revelation; (which is limited) secondly, through special revelation in the written Word of God; and thirdly, through special revelation in the Living Word of God (Jesus). He then went on to talk about how there is one God, who is revealed in three persons. Of the Father, Son, and Holy Spirit, the hardest to understand, to relate

to, would be the Holy Spirit. Most of us have some experience with an earthly father, so he is easier to relate to. As for Jesus, he came to earth in human form, and His interactions are recorded in the Gospels; this makes him the easiest to relate to. The Holy Spirit is mentioned in the beginning of the Bible in Genesis 1:2. However, throughout the rest of the Old Testament, you seldom see the Holy Spirit, as most of the references are to God the Father. Once you get to the New Testament though, there is an explosion in references to the Holy Spirit. There are two major points about the Holy Spirit that were taught. First, He is God. He is called God in Genesis 1:2, and in Acts 5:3-4, He is all knowing, He performs the

work of God, and is equal to both the Father and the Son, as seen in Matthew 28:19 and 2 Corinthians 13:14. The second major point that was made by Pastor Frank was that the Holy Spirit is a Person. The Holy Spirit has emotions, (Ephesians 4:30) Intellect, (1 Corinthians 2:11; Isaiah 40:13) Will, (1 Corinthians 12:11; Acts 13:2; Acts 16:6-7) and can be lied to. (Acts 5:3) With such an extensive topic, you could really take a lot of time to study it. Unfortunately, the time for chapel ran out, resulting in bringing the topic to a close before its final conclusion. The

good news for the students, however, was that they received a booklet that further expounded on the subject of the Holy Spirit.

LIONS VS. BEARCUBS

(Continued from page 1)

on a 3 point shooting spree near the end of the 4 minute mark, the Lady Lions were able to hold the Bearcubs within a few points, only losing by 1 point with a final score of 46 to 47 after a last second shot by the Bearcubs.

Following the girls' close loss to Frazer, the Lustre

boys were hungry for some payback.

Storming onto the court, the Lions held the lead for the entirety of the game. Frazer was still hot on Lustre's heels heading into the 4th quarter, but the Lions spooled up the turbos, switched on the afterburners and started to run away with the game.

The Lions ended the night with a 15 point lead and a final score of 65 to 50.

ME AND MY PHONE

(Continued from page 1)

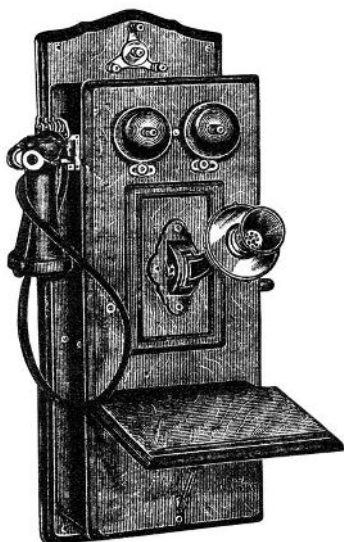

arms was impossible to sort out.

When everyone finally sat down, Lisa directed our focus to a different kind of entanglement: technology. As a demonstration she brought different types of telephones that have been used throughout the past eighty years. The evolution of the phone brought us all the way up to the smart phone that Mrs. Neufeld

held in her hand. She admitted that technology has been an incredible tool, but with great power comes great responsibility. Oftentimes, people think of texting as being a one-on-one conversation, but it is always possible that your texts will be shared. Therefore, you should always ask the question, "Can I trust who I am talking to?" Once a text is sent, you cannot take it back, so it is important to think before you send.

Lisa also talked about the negative effects of

the constant easy access. When screen time increases, people begin to detach from those around them. She recommended a few fixes, including charging your phone in another room before bed, time limits during the day, and having someone keep you accountable. After highlighting several verses in 2 Timothy 1, she closed by reminding us to use our phones with discretion and to ask the Spirit of God to help us make wise decisions in our technology-driven society.
