The Tumbleweed

Life is Precious! by Gilbert Choi

Thursday, January 10 was the first chapel of this semester at Lustre Christian High School. The Worship Team led the songs "Open Hands" by Laura Story and "Today is the Day" by Lincoln Brewster.

This time we had a special chapel. We watched the movie "180" which drew parallels between abortion and Hitler's holocaust.

The interviewer, Ray Comfort, asked, "what do you know about Adolf Hitler?" Some people did not know who he was at all, others admired him more than Jesus Christ. Then, he asked "could you kill people same as Adolf did?" Most of people answered "no".

Then he asked about abortion because it is also kills people. That question caught the peo-

ple off guard. These days, people sadly think that abortion can be necessary.

Every life is valuable! A baby, while still in the mother's womb, is valuable also. According to the Bible, in the 10 Commandments, it says "Thou shall not kill." We need to realize that baby is a person. They should have the privilege to live their life. Their life is also precious, same as ours.

Chapel gave us a lot to ponder. We may need to re-evaluate what we think about abortion.

What Were They Up To ??? by: Emily Eggar

The students of LCHS enjoyed a much-needed reprieve from school December 21st - January 7th. Two weeks is a long time to be home from school, with many chances for exciting activities and experiences!

When asked what they did over Christmas break the students gave various responses.

In the Freshman class, Doven did some traveling and shopping in Billings and Williston. Kaleb

and Kolden mostly chilled at home, spending time with family and playing basketball. Once back home in California, Phumate spent his break spending quality time with family and friends. Sean traveled to Minot, staying there for five days, and he watched many different movies, and finally, Joshua hung out with friends.

Moving on to the Sophomore class, Tiara stayed home for the break where she played card games with her family and attended to her steers while Braeden got to see his family. The break was very exciting for Ashley, she got to go home to New York where she got her braces off! Upon returning to Montana, Ashley stayed with Tiara. All School Caroling by: Zach Brown

On the 19th of December way back in 2018 the entire school went to do our annual caroling trip to the retirement homes in Glasgow and Wolf Point. We started out by going to Prairie Ridge in Glasgow riding in the cruiser that was driven by Ron Reddig. After our program and a short visit with the residents, we went over to Nemont Manor, then Valley View doing the same program at each. After Valley View, we ate our sack lunches on the

way to Faith Lutheran Home in Wolf Point. The program at each retirement home was set by the NHS members and started with Ernest Uy greeting the folks. We sang 10 songs with a scripture reading in between every 2 or 3. Some of the songs that we sang were *We Three Kings*, *Angels*

We Have Heard on High, and *Joy to the World*. We ended with singing *We Wish You a Merry Christmas*. The scripture readings unfolded into the Christmas story and was read by the members of the NHS. After our program was done, we went around visiting and wishing the folks a Merry Christmas. We got back to the school just as a normal school day would be done, with everybody humming Christmas music.

LCHS Christmas Party by: Sadie Brown

On Friday, December 21, Lustre Christian High School held their annual Christmas party for the students and staff. Sadly, many of the students left early on break and missed the party. This was held during the last two periods of the day. The regular schedule was flipped around so that the students started off the day with 3rd period.

In honor of the festivities many of the teachers created a

fun atmosphere in their classes. Mr. Leland gave a Christmas quiz for extra bonus points in his class. Mr. Butler hosted Christmas themed jeopardy. Mrs. Reddig brought an assortment of Christmas cookies for the art class to enjoy on their last day.

The Student Council planned the party. The party started off with a gift exchange. Everybody brought a gift to share

with one another. Some of the gifts included Mountain Dew, a mug, hot chocolate, an iTunes card, candy, \$\$, movie tickets, screw drivers, and a speaker.

Plenty of snacks were brought including cookies and Chex mix. Following the gift exchange everyone headed to the gym for ultimate dodgeball. Everyone had a good time to start off Christmas break.

to Minnesota where she was able to get some shopping in. All of the Browns, including Josh spent their break down south in Arizona. Josh said that he got to play board games with his family.

The Juniors, also had an eventful break. Terry, spent some time in Billings. Kyle went down to North Carolina to visit family. Diego, visited his uncle and family in Miles City where he pulled an all-nighter at a church sponsored New Year's Eve party. Re-

turning home to Shields Valley, Lily got to spend time with her family. Amber got to celebrate Christmas multiple times while visiting with family. Megan visited her family in Nebraska and Olivia was in Arizona and Hannah went home to Turks and Caicos.

Finally, in the Senior class, Sadie and Zach both went to Arizona with their family. Kassie, spent her break relaxing and visiting with family. Emily traveled to Texas to visit her

brother, and spent several days seeing the sights of Texas. Also spending time in Minot, Ernest worked over the break. Separate from the Browns, Wisly also spent some time in Arizona. Gillbert got to go home to South Korea where he spent quality time with his friends and family. Kirubel hung out with the Olferts and did some farm work.

Everyone had a good break and they are now ready to take on the second semester.

The Lustre Lady Lions faced the Scobey Lady Spartans in Scobey on the 18th of December 2018. The Lady Lions put up a good fight against the Spartans but at the end were defeated. The game ended 53 to 21.

Two days after, on December, 20, the Bainville Bulldogs faced off against the Lustre Lions

Although they had 2 weeks of Christmas break, the Lustre Lions are entering their second half of the season ready to work hard. They traveled to Scobey on the eighteenth of December, and had a tough game against the Spartans. The final score was 25-59, as the Scobey Spartans are a well-rounded team with many strengths. Our boys fought hard, however, and Terry Allmer racked in 12 points, Zach Brown with 9, Kyle Pederson with 3, and Kolden Hoversland with 1.

On the 20th of December, our Lions were much more successful. A nail-biter against the Bainville Bulldogs at home ended with the boys barely winning with a score of 45-44. An exciting game the whole way through, the Lions ended on top with a buzzer beater field goal from Zach Brown. Zach

on their home court. The Lady Lions played strong making the game intense. Bainville came through strong with many shots. Even after playing hard the Lady Lions lost the game 52 to 22.

On January 5, after a long Christmas Break, the Lustre Lions faced the Frazer lady Bear Cubs for the first time this season. The Lady Lions played a very close game. Kassie Kirkaldie and Amber Reddig were the leading scorers with 10 points each, next up was Olivia Brown

with 6 points and Tiara Whitmus pulled in with five points. After a strong match they ended the match 42 to 31 with Frazer taking the win.

Last week on the days of January 11th and 12th the Lustre Lady Lions' Den was packed!

On January 11, the Lady Lions faced the North Country Lady Mavericks and on January 12th the Lady Lions faced the Dodson Lady Coyotes. Both games were hard fought for the Lady Lions but, unfortunately they lost both games. The North

was the high scorer with 18 points, Terry Allmer after him with 14, Kaleb Hoversland had 5 points, and Braeden Toavs, Kolden Hoversland, Kyle Pederson, and Kirubel Legesse all added two points apiece to the overall score.

The first game following Christmas break took place in Frazer against the Bearcubs, and the Lions got the W with ease this time. The final score was 54-15, and Zach Brown was again the high scorer, contributing to the win with a whopping 26 points. Terry Allmer put in 11 points for the Lions, Kolden and Kaleb Hoversland each had 4 points, Ernest Uy had 3, and Braeden Toavs, Kyle Pederson, and Kirubel Legesse all had 2 points.

On January 11th, an away game took place against North Country, and if you attended, you sure got your money's worth. Alt-

hough our boys lost in overtime, they played tremendously and brought an unmatched intensity to the Octagon in Hinsdale. The overall score ended up being 48-51, and Zach Brown was the high scorer with 24 points, Terry Allmer added 13, Kyle Pederson had 7, Braeden Toavs 2, and Kolden Hoversland and Kirubel Legesse each had 1 point.

The most recent game was a home game against the Dodson Coyotes, and was a good game with our boys toppling them 67-59. Zach Brown had a game-high of 32 points, Terry Allmer poured in 22 points, Kolden Hoversland added 7, and Kaleb Hoversland, Kyle Pederson, and Braeden Toavs each contributed 2 points to the Lions' win. A big thanks to our community for coming to the games and helping the boys get hyped up, the student body loves when
