

Lustre Christian High School

The Tumbleweed

Another Senior Imparts Wisdom on the Student Body by Emily Eggar

This year the Seniors have been on top of presenting their Senior Chapels, more than half of the class has already completed the assignment!

Most recently, on Thursday January 31st, Ernest Uy presented his Senior Chapel, "The Lustre Experience."

Ernest began by discussing the impact being a student at LCHS had on his life. Specifically, Ernest addressed how he had changed

and grown in three areas, academical-ly, socially and spiritual-ly.

The adjustment from Frontier Elementary school to LCHS was major. Ernest mentioned the difficulty he had in transitioning. He said that he struggled with the commute, it's implications and leaving behind his Frontier

friends. Apart from those difficulties, Ernest brought up the school work aspect. Ernest gave the audience an overview of what academics looked like for him at Frontier, rather easily. At Frontier he understood the subjects easily and did not generally have much homework. As any Lustre student can tell you, that is not how things are at LCHS. The subjects are difficult and the teachers push you and expect you to work hard, resulting in quite a bit of homework. Ernest made it clear that this

adjustment was hard for him.

Ernest said that he had friends and good examples supporting him throughout high school. Specifically, he mentioned Evan, Jason, Etien, Michael, Shelby, Thomas and Kaitlyn.

Ernest has also grown spiritually through his Lustre Experience, and despite his challenges.

Ernest is now a mature adult who has grown tremendously academically, socially and spiritually.

Pastor John Returns to Chapel by: Ernest Uy

On Thursday, January 7th, Pastor John Skillman came to speak for chapel. He delivered a message on marriage, and how it is a God-given gift.

He started out with the topic of human sexuality, and spoke about it being male and female. He explained that our creation by God is a blessing, and that it shows His creative intentions. Contrary to what the world says, men and women have different roles.

He explained that men have a leadership role, and women have a submission role. He clarified that a man's leadership role is administration, not domination, and women's submission role doesn't mean inferiority to the man. He also shared that marriage, as God intended, is a single and exclusive relationship.

The next point that the discussed was marriage as the foundation of

society. He told us to look around, and notice how our society is declining. Our GDP is falling, life spans are shortening, and our government is divided. He explained that this is because we have turned our backs to God. He said we're on our way to becoming like Russia. It used to be Christian, and was successful. It turned to socialism, then com-

Random February Holidays by: Kirubel Legesse

February may be the shortest month of the year, but there is certainly no shortage of unusual holidays to celebrate.

Among all the holidays we have in February some of the known ones are; Valentine's Day, Do a Grouch a Favor Day and Random Act of Kindness Day, which are on February 14th, 16th and 17th respectively.

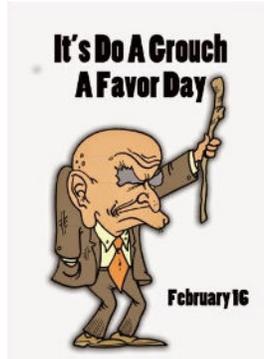

The traditions of Valentine's Day are broad and many. For some it is a time to exchange cards or small gifts. Chocolates, flowers, jewelry, and romantic dinners are the big hits of this holiday. It is a romantic event for lovers, and a fun event for kids and

family. Many couples become engaged or married on this day. For others it is a day to love one another just as Christ loved us.

Do a Grouch a Favor Day - do one and make the world a better place.

Everyone has been a grouch at one time or another.

Some people are seemingly grouchy all of the time. It's in their nature. Others are occa-

sional grouches, influenced by events in their lives, lack of sleep, the weather, etc. A few people are good at disguising their grouchy mood. But they still need cheering up. Look around for someone who is in a grouchy mood. Then, do him or her a favor that will cheer up their day. There's plenty of grouches out there to practice on. Try it on all of the grouches that you see, and watch the results!

The other one is Random Act of Kindness Day is a favorite day of many people and groups. People like the idea of showing a little kindness to others. It's a fun and good thing to do.

Training To Save a Beating Heart

by: Kassie Kirkaldie

On Wednesday, January 30, 2019, a very large chunk of the LCHS student body spent their whole day in the chapel room becoming certified in CPR.

After asking many of them questions about the day, we can make the conclusion that they enjoyed it. Kyle Pederson said he thought the most valuable thing he learned

was how to treat someone who's been bitten by a snake and Braeden Toavs said the most valuable part, to him, was how to properly use a defibrillator. When

we asked Diego Froiland what his favorite part of the training was, he said he couldn't choose because it was all very interesting to him. Terry Allmer, however, thought that kissing dolls was the best part. Saira Koyama told us she thought her

favorite part was passing the test and becoming certified. We asked Amber Reddig, Tiara Whitmus, Kolden Hoversland, Joshua Waweru, and Ashley O'Hara if they all thought the training was valuable and worth their time spent being taught new things, and they all responded yes.

We all give a big thanks to the healthcare workers who took the time to make sure our entire school now knows what to do if someone needs CPR.

munism, then atheism, and its society crumbled.

Next, he spoke about sexual expression, discussing how God confined it solely to marriage, as it says in Deuteronomy and Song of Solomon. He said that if we ignore that, we bring

consequences upon ourselves. Its purposes include bearing children, pleasure, to unite and bond the couple together in oneness, physically, hormonally, emotionally, socially, and sexually.

He then proceeded to ask us if we want to marry someone in the future.

Many of the teachers recommended marriage when asked. The teachers also said that they wouldn't have liked to raise children by themselves.

Finally, Pastor John asked us to pray for our parents, that they would love God first then their spouses, so their relationships would stay strong.
