

Lustre Christian High School

The

TUMBLEWEED

An Eye Opening Experience By: Diego Froiland

On December 5th, LCHS Senior, Olivia Brown gave her Senior Chapel. She opened by saying that she had a bit of a difficult time to figure out what she was going to do for her chapel, but she finally decided on doing her Israel trip.

On the trip she was kept entertained by going many places, mentioned in the Bible, only adding to the Bible's credibility. There were 29 other people and they were there for ten days.

I'll name some of the places she went and you

try and name the Biblical significance that it holds:

Mount Caramel, Sea of Gallilee, Capernaum, Mount of Beatitudes, Caesarea Philippi, Dead Sea, Betshan, Masada (which is not actually a place mentioned in the Bible, but it still holds historical influence for the Israelites, because that is where they fled when they came under siege by the Romans). Engedi, Jerusalem, Bethlehem (typically a place is too dangerous to go visit, but while on this trip, it was safe enough for tourists

to go to). Garden of Gethsemane (a fun fact about this place is that some of the trees there are believed to be old enough to have been there when Jesus was).

After finishing off, she had a question time. She considered the most impactful experience spiritually would be a devotion on a boat out on the Sea of Galilee. The tour guide had everybody write down some of the struggles that they were experiencing and then had them throw it over the side of the boat representing letting

go of your struggles.

Even though there were some missiles launched only 40 miles away from where she was, Olivia still felt safe. She definitely liked the placed but she doesn't really know if she would like to live there or not.

It certainly sounded like an eye opening experience, and overall a fun trip.

Filtering Out the Junk By: Megan Fast

When the students walked into chapel on Dec. 12 it looked a little different. Stephen Trimble had set up a table with a variety of items on it. Mr. Trimble would hold up an item and ask if it was a filter. He had examples of material, chemical, light, mechanical, and spiritual filters. Mr. Trimble asked why this is important to have a filter? Mr. Trimble focused on our spiritual filter. We looked at Acts 17:11 and saw how the Berean Jews received the message with

great eagerness and examined the Scriptures to see if what Paul said was true. We need to use our spiritual filter to examine if what we are being taught is true to the Bible. We also looked at Psalm 119:11 "I have hidden your word in my heart that I might not sin against you." There is competition for our hearts and minds, as well as temptation. If we have hidden God's word in our heart we have protection from temptation. The times are changing, but God does not. Isaiah 40:8 "The

grass withers and the flowers fall, but the word of our God endures forever." Society changes but the Bible stays the same. There is also completion for our hearts and minds. Rom.12:2 "Do not conform to the pattern of this world, but be transformed but the renewing of your mind. Then you will be able to test and approve what God's will - his good, pleasing and perfect will." Mr. Trimble then moved on to talk about beginner Bible filters. Matt. 22:37

(See Filtering on page 5)

Pre-season Test

By: Terry Allmer

Our beloved Lions played last weekend for the first time of the new season. They played alright most could say. The first game was a pretty easy win against the Wolf Point Jv. The final score was 74-33. The high scorers that game was Kyle, Kolden and Terry. Kyle threw in seventeen points, Kolden put in another nineteen points and finally Terry put in a game high of Twenty-five points. The other thirteen points were scored by Kaleb, Elijah and Cayden. The Lions faired well this game but

after every first game there is always room for improvement.

On Saturday the Lions went head to head with the Terry Terriers. The game was a test of the capability of the team. Sadly, they ended up losing but a late game comeback revived hope in the Lions. They lost 48-42 in a close game. Elijah stepped up as a freshman and threw in fourteen points. Then we had Kolden with another fourteen in the stats. Finally, Kyle and Terry

threw in an extra thirteen points combined. The boys are back to the hardwood next weekend with a rematch against Wolf Point JV and Brockton.

Be ready to watch a show. The boys are fired up after their game last week and they are looking for a big win to build up confidence.

Tipping Off the Season

By: Amber Reddig

The Lady Lions have been hard at work in basketball practices, and they finally got to get their beginning of the season butterflies out at the Glasgow Class C Showcase Tournament. This was held on the 7th and 8th.

The Lions all loaded onto the cruiser after school on Friday and headed to Glasgow. They watched a game and then went to the Glasgow Evangelical Church to play their very first game of the

2019-20 season. It was different playing at the church, but it was still exciting for the girls to get out on the court for some competition. The game started at 6:00 p.m., with warmups before that like usual. The Lady Lions first team to take on this season was the Wolf Point JV Wolves. The game ended in a loss, but the girls worked hard, and after all, it was their very first game of the season. It was also the eighth graders' first high school game of basketball.

The next day the Lady Lions got to play at

the Glasgow High School at noon, and they took on the team from Terry. That game ended in a win by the Lady Lions, and it felt good for them to walk away with that. There were some good things from the games that weekend, and they also saw what they needed to work on more in practice to make this a successful basketball season!

Admission:

Adults - \$5.00

Students (7 & up) - \$3.00

Children 6 & under - Free

Wolf Point Tip Off By: Lily Short

Last weekend, the Lustre Lady Lions traveled down to Wolf Point for the Wolf Point Tip Off tournament. They left school early on Friday to watch the boys play Brockton at noon. After the boys' game, the girls team also played Brockton at 1:30. It was a good game full of excitement and aggressive basketball. The Brockton Lady Warriors had about the same number of girls as us, so it was a good matchup. The Lady Lions were up at the half, and ended

the game with a win. The final score was 53-27. After the good game, the teams went out to Old Town Grill for an early supper, and then went back to watch some more games.

The next day of the tournament, the Lions drove back to Wolf Point for another day of basketball. The boys played at 6 o'clock against Wolf Point's C Squad and won. At 7:30, the Lady Lions went up against Wolf Point's JV again. This time they played harder,

and were up at halftime. The final score of the game was 41-16. The Lady Lions non-

conference record so far is 3-1 which is a great start to the season!

A Weekend in Wolf Point By: Kyle Pederson

On December 13th and 14th, the Lustre Lions boys basketball team took on the Brockton Warriors and Wolf Point JV at the Wolf Point Opening Tournament.

On Friday, the Lions played the Brockton Warriors. The Lions struggled in the first

half, but held on and kept the game close throughout. The Warriors held the lead throughout the game. The Lions tried to mount a comeback in the 4th quarter, but the Warriors edged out the Lions in the end with a final score of 59-50. Kolden Hoversland was

the top scorer with 18 points followed by Kyle Pederson with 13. Kyle Pederson was the top rebounder with 9 rebounds and Kolden was close behind with 8.

Against the Wolf Point JV squad, the Lions ran away with it. The final score was 64-33. The top scorer was Kolden Hoversland with 19 points, followed by Kyle Pederson with

14. The top rebounder by far was Terry Allmer with 10 rebounds followed by Braeden Toavs with 4. Terry had a double double on the night with his 13 points and 10 rebounds.

The Lions now have a 2-2 record heading into games against Nashua and Culbertson before heading off to Christmas break.

Holly Jolly Christmas

By: Hannah Thomas

Thursday night, Lustre's annual Christmas program once again was a hit. The grade school band and choir sang and played really well; the audience truly enjoyed themselves.

The biggest part of night was the play "Last Minute Wishes" which was directed by Sherry Hofman & Sherri Mizell, and designed by Mrs. Lenihan. The play was about learning not to lose sight of Christmas and what its all about.

To end the program the high school's

choir sang "A Calypso Noel", it was a twist to the normal but it was really interesting. Mr. Butler did a great job once again putting together such an amazing event. Christmas programs are a way to bring a community together for everyone to celebrate the sweet moments and be joyous together.

I've always loved the Christmas programs that my church back home put on, it always made Christmas more exciting and it always brought families together. This Christmas I

hope that everyone remembers the true meaning of Christmas and they enjoy it with joy-filled hearts.

school Christmas program, it was an honor to have you, also thanks to everyone who participated and helped decorate.

Merry Christmas to all & to all a Happy New Year.

Thank you to everyone who came out to support the high school and grade

By: Olivia Brown

Staff Member:

- I played college basketball and soccer.
- I coached teams that won 4 MCAA state boys basketball championships.
- I have performed at Caesar's Palace in Las Vegas.
- I went to state in the 100m and pole vault in high school.
- I have gone on 6 senior trips.
- I am left-handed.

Student:

- I was born in Thailand.
- I play the piano.
- Math is my favorite subject.
- I tried to light my hair on fire once.
- I love to travel.
- I love shoes.

The World's Best Cookies (Recipe from Anita Cronk - Dorm Mom)

Ingredients:

1 c. butter	nuts or pecans
1 c. white sugar	3 1/2 c. all-purpose flour, sifted
1 c. brown sugar, firmly packed	1 t. baking soda
1 t. vanilla extract	1 t. salt
1 egg	
1 c. salad oil	
1 c rolled oats, regular	
1 c. crushed corn-flakes cereal	
1/2 c. shredded coconut	
1/2 c. chopped wal-	

Directions:

Preheat oven to 325° F.

Cream together the butter, sugars and vanilla extract until light and fluffy. Add egg, mixing well, then salad oil, mixing well. Add oats, cornflakes, coconut and

nuts, stirring well. Then add flour baking soda and salt. Mix well.

Form into balls the size of small walnuts. Place on ungreased cookie sheet. Flatten with fork dipped in water.

Bake for 12 minutes.

Allow to cool on cookie sheet for a few minutes before removing.

Makes 8 dozen cookies

-40 loving the Lord your God, Ex. 20:1-17 the 10 Commandments, Phil. 4:8 thinking about what is pure, and 1 Cor. 10:31 whatever you do, do it for the glory of God. Mr. Trimble warned about unwholesome talk, (Eph 4:29) bitterness, rage, and anger (Eph 4:31). Instead we need to be kind and compassionate (Eph 4:32). Whatever we say, think, do we need to make sure it is honoring. Think of these verses and use a filter. We are going to be working on our filter until the day we die.
