The

TUMBLEWEED

## Spreading Holiday Cheer By: Olivia Brown

On the 18th of December, the students of LCHS loaded up into the cruiser and made their way to Glasgow for the annual caroling day.

The students spread the holiday cheer at four different rest homes, three in Glasgow and one in Wolf Point.

The members of the National Honor Society prepared a program,

very similar to previous years, which included numerous songs, such as Joy to the World, Away in a Manger, and We Wish You A Merry Christmas, multiple Scripture readings from the gospels all having to do with Christmas, and even a poem.

After performing the program, the students dispersed around

the room to greet the audience individually.

It was very obvious from the faces of the audience that they greatly appreciated us coming to see them and bring them the good news of Christmas.

We even got to see a few familiar faces at a few of the places, which made for some good conversations be-

tween the students and the residents.

It was really cool to see how happy all of the residents were that we had come.

Overall it was a very fulfilling experience filled with good singing and sharing the good news of Jesus's birth.

## An Eventful Weekend Before Break By: Lily Short

Before the Lustre Lady Lions headed off for Christmas break, they played two more games. On December 20<sup>th</sup>, they competed with the Nashua Lady Porcupines in Nashua following the boy's JV. This game counted as their first conference competition of the season. The Nashua game was probably the most physical game that some of our girls have ever played. It was going well for the Lions until the team started getting into foul trouble, and some people got hurt.

Alexa got an elbow to the face, and fell to the ground with a bruise on her cheek. She was still also recovering from an ankle injury the past weekend. Grace ended up fouling out at the beginning of the fourth quarter along with Tiara. This left the team with only four girls left to finish the game. Some of Nashua's girls fouled out as well towards the end. The final score of the game was 34-32. The following day, the Lady Lions

competed on their home court against the Culbertson Cowgirls. This marked the first home game of the season. The Lions played well together, and fought hard. The first

few minutes went well until Culbertson started to press. The Lady Lions lost with a final score of 30-63. The Lady Lions conference record after that weekend was 1-0.

## Lady Lions Take on the Bulldogs & Spartans By: Amber Reddig

The Lustre Lions had been practicing over Christmas break, even though some of their teammates were gone for vacation, so this Bainville game was their first game in the new year! Everyone made the long trek to Bainville on the 3rd of January. The girls were ready to be back in the schedule of having games again. It was an exciting feeling getting back out on the court for some competition. The first half of the girls game started out a little rough.. they had trouble running their plays and getting back into things. Their free-throws were also quite a bit off that night.

After halftime and the girls had a talk, they came out and played their game. They started running plays more effectively and scoring some more points. It was a bit of a comeback for the Lions, and the crowd was getting excited with them. It got to be less than a minute left and the Lady Lions were only down by a few points.. there was a chance of them going into overtime, but sadly the girls couldn't quite pull it off. The final score was 29-34 with Bainville pulling off the win. It was exciting to have a close scoring game, but a

win would've been even better.

The next game was against the Scobey Lady Spartans on the 7th of January, so it was a Tuesday game. Once again, the 1<sup>st</sup> half didn't go as well for the girls, but after half time they shut Scobey down more

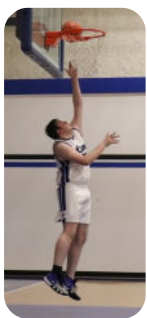

and improved their game. Their zone defense worked well against Scobey. In the end the score was 17-48, with Scobey taking the win. The score was low for the Lions, but they showed hustle throughout the game, and didn't give up playing against the Spartans.

## High Energy Winning

By: Diego Froiland

You want to talk about an amount of energy that is so thick that you can feel it, then let's discuss the recent wins against Nashua and Culbertson. Wins that weren't exactly expected by the other teams because of how we did in opening tournaments, but of course as everyone knows, that anything can change at any time depending on the situa-

tion.

We played Nashua at the "Home of the Porcupines", and the Culbertson Cowboys at home in the Lion's Den.

Against Nashua, the boys played phenomenal pulling out a win both in JV and Varsity. The boys varsity slammed down 59 points with the

leading scorer being Kolden Hoversland with a solid 25 points, Terry Allmer following up with 11 points, and Braeden Toavs scoring 7, with Kyle, Kaleb, Elijah, and Cayden bringing in a total of 16 points combined for the team. Against Culbert-

son, once again, we fought hard and won. The varsity boys scored a total 52 points. Leading scorer was Terry Allmer with

20 points followed by Kolden Hoversland with a total of 17 points for the team. Kyle scored 9 points and Braeden and Kaleb

added a combined 6 points to the score board.

After playing opening tournaments, one might say that these wins were unexpected, but after sanding off some rust and com-

ing together as a team, we just prove that together we can be formidable team.

These games showed us what it truly feels like to a team and how to be encouraging and uplifting and how to be leaders. As our coach Randy says, "a good team is lead by a coach, but a great team is led by the players."

## Boys' Bainville and Scobey Games

By: Megan Fast

On January 3rd Lustre traveled to Bainville to play the Bulldogs. At the end of the first quarter the score was close, eight to six. The boys continued to play hard and took a slim lead of eighteen to seventeen at the end of the second quarter. The Lions gave it their all however, Bainville again took the lead with the third quarter score being twenty-five to

thirty. In the fourth quarter the boys fought hard making the final score forty-four to fifty. Elijah Lenihan scored two points, Braeden Toavs four points, Kolden Hoversland six, Kyle Pederson seven, Kaleb Hoversland eleven, and Terry Allmer fourteen.

The next game of the season for the boys was a home game against Scobey.

The Lions came ready for a fight but Scobey did too. At the end of the first quarter the score was ten to eighteen. Scobey continued to advance their lead in the second quarter. The second quarter's score was twelve to thirty-six. In the third quarter the Spartans continued to hold the lead with twenty-one to thirty-six. In the fourth the Lions fought back

bringing the final score forty to fifty-six. Braeden Toavs scored two points, Elijah Lenihan three, Kaleb Hoversland five, Terry Allmer six, Kyle Pederson eight, and Kolden Hoversland with sixteen.

## 'Twas Fun While it Lasted ☺

By: Terry Allmer

As we all come back from break. We let out a sigh of distress because we have school again. Some of us had amazing breaks and did cool stuff. Here are a few of what the LCHS students did over break.

First, we'll start with the seniors. Amber had all sorts of fun at family Christmas' and running in practice. Lily went home and spent time with family. Diego kicked up some dust in Miles City and visited his cousins for Christmas then came back. Terry stayed home and worked like a good Mex-

ican. Megan went to Nebraska and hung out with cousins. Hannah went to Fort Lauderdale and spent time with older siblings and attended a circus. That is what all the seniors did.

It's a pretty dry break but we'll see if the juniors had more fun. Braeden went to Minnesota and hung out with his family. Josh went to practice and went to Williston twice. Ashley decided to go to Florida and visit family and went to Busch Gardens which is a theme park. Tiara got new steers, worked, hung out with the fam and just lived the no

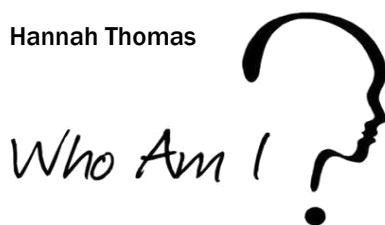

school life. We don't have any word on Kenny. Last we heard he was wrangling up trouble with lobsters in Maine.

Next are the amazing sophomores. Kolden went to Williston with the BOYS and went to Reddig Christmas and hung with family. Kaleb went to Wyoming and hung out with some family. Doven went to Utah, shopped, ate at better restaurants and went Go-Karting against strangers. Sean hung out with friends on New Years and watched a basketball game with Terry playing in it.

Finally, we get to the Fantastic Freshman. Elijah hung out with his siblings who came home and saw Star Wars and Jumanji. Shiarie went to Utah and shopped. Finally, to round it all out Gabe went to North Dakota with the Klatts. That rounds out this break. Sadly, the second semester starts which means the seniors are only a semester away from graduating. Anyways let's get away from the sadness.

God bless all  
and Happy Birthday  
Jesus.
