

Lustre Christian High School

The

TUMBLEWEED

Walking with God By: Diego Froiland

The LCHS student body was recently visited by our very own Mr. Young. Pastor Frank gave an intro talking about the importance and the influence of the Bible and how it affects our life. If the Bible didn't exist the high school probably would not exist as we know it today. The sole purpose of the high school is not just to teach academic studies and then send the students out into the world to fend for themselves but it is to inform them

about the Word of God. They may not necessarily leave a Christian and a strong believer of God, but now they have a taste of our beliefs. For the ones that are believers they have the word of God hidden in their hearts to face the world which is the main goal of our high school.

After introducing Mr. Young, to the people who didn't know him very well, they did Questions & Answers with Pastor Frank asking the questions. They opened

up with the question of how many times Mr. Young has read the Bible. He said he didn't quite know, but since about the mid 1990's he has read the Bible two times every year and sometimes up to five times in a year. He doesn't really like to talk the numbers very much, versus the quality of the reads. Why the Bible though? Out of all the books in the world that he could reread over and over again why would he choose the

Bible? Mr. Young said that it was for the understanding. Two of the most difficult things to overcome are fear and understanding what is happening, and the Bible helps to overcome that fear and give a person understanding about the situations that they face.

When one reads the Bible, it allows them to come closer to God and understand his characteristics. Also, when somebody asks you a question about the Bible, *(See Walking ... continued on page 3)*

The End Goal By: Olivia Brown

On Thursday the 9th, the students at LCHS gathered in the assembly room for the first chapel of the new year. The worship team started it off by leading worship with the songs Blessed Be the Name, O Praise the Name, and Resurrecting. Then our speaker, Mr. Burkhart, had us arrange our chairs in a circle so we could all see each other. He started off by asking the questions, "How can

your lives be more meaningful?" and "How can we as a group make the remaining time worth it?" Mr. Burkhart used the analogy of a reverse chain, which is where you learn a skill by starting at the end. Ephesians 4:21-24 is the end result we want. But where do we start? At the beginning of this year we began with a plan from Psalm 51:10, which asks God to purify our hearts. The next step is to admit that we can't

do it on our own and that we need God's help (Isaiah 40:29-31). We are given examples to follow so that we can also be examples. This is where we are currently. We need to prepare our hearts and be ready for the storms ahead. "If we engage with each other, we will learn and grow together," en- *(See Goal... continued on page 3)*

Lions Take on the Bearcubs By: Amber Reddig

On Saturday the 11th of January, the Lions played the Frazer Bearcubs. The last game they had played was against Scobey, and they were ready to come out and play hard.

Starting with the girls' game, the Lady Li-

ons scored 13 points in the first quarter and 14 points in the second quarter, adding up to 27 points. Frazer had scored many three pointers on them, but the girls hustled hard the whole time and stuck with them. The Lions were up 27-22 at halftime. After halftime it stuck to being a close game, but the Frazer Bearcubs got the lead, and that's what mattered in the final quarter. The final score of the girls' game was 49-51, with the Lady Lions

losing by two points. It was an exciting game to both be in and watch. Next time they take on Frazer, hopefully the Lion's pull through in the end.

Next was the boys' game. The whole time the Lions had the lead, and it was by a lot of points. They got some good shots to go in, and they kept

the ball moving. This was shown with their 15 assists as a team. Kolden Hoversland suffered a mouth/teeth injury halfway through the game, so it was a little different for the team without him playing most of the second half, but they all made it work. The final score was a big 68 points compared to Frazer's 13 points. It was a great night of basketball in the Lion's Den.

A Tale of Two Nights By: Kyle Pederson

On Friday, January 17, the Lustre Lady Lions took on the North Country Lady Mavericks at home in the Lion's Den. The Lady Mavericks came out on fire on both ends of the floor keeping the Lions scoreless in the first quarter while scoring 19 of their own points. After the bashing in the first quarter, the Lady Lions couldn't recover. The final

score of the game was 54-14. The only scorers of the night were Tiara Whitmus with 8, Alexa Reddig with 4, and Amber Reddig with 2. The top rebounder of the night was Tiara with 8 total rebounds. Finally, the only assist of the night went to Alexa Reddig. The next afternoon the Lady Lions took on the Dodson Coyotes. The Lady Lions kept it close throughout the entire game, losing by only

one point when our own Aubri Holzrichter shot a three at the buzzer. The final score of the game was 43-42. The high scorer of the night was Amber Reddig with 13 points, followed by Alexa Reddig with 12, and Aubri Holzrichter with 7. Tiara Whitmus was a beast on the boards with a whopping 18 rebounds while Grace Brown grabbed 5 of her own. Lily Short and Tiara Whitmus

both had two assists. Also leading the team in steals was Tiara Whitmus with 4. The Lady Lions will face off against these teams again soon. Dodson at home for Senior Night and North Country away.

Big Weekend for the Pride By: Terry Allmer

This weekend the Lions had by far their toughest games of the year. They went up against their conference rivals Dodson Coyotes and North Country Mavericks. The boys split the difference one and one this weekend. First our North Country game at home was a tough one. The boys started out on fire with five points right off the bat. Once the Mavericks regained composure,

they gave the boys a bit of a struggle for a while. The first half score was 31-21. The Lions were angered and started off the third quarter on fire. They got up to a nineteen-point lead, but the Mavericks came back and evened it out a bit. When all was said and done the final score was fifty-three to forty-three. The three highest scorers of the game were Kolden with 17, Terry with 14 and Kaleb with 11.

The next day the Lion diehards had to wake up early to go to Dodson to watch a couple games. First was the boy's JV and they started out well but when it

came to crunch time, they couldn't put in clutch mode. The varsity had the same problem. It was a tightly contested game the entire time. The first half score was sixteen to nine. It was definitely a game of defense. The lions got all the shots they wanted but they just couldn't get the ball in the basket.

The final score was twenty-eight to thirty-nine. This is a game the boys are looking forward to in the near future. They wish to extract revenge on Dodson and see who wins at home. Anyways, leading in scoring was Kolden with 8. Terry, Kaleb and Kyle all scored 6. Finally,

there was Braeden with two points.

This wasn't the best weekend, but the boys came out more experienced and ready to play these teams better.

you'll be able to give information from the Bible, but you might not be able to give the exact place, but at least you can give the information that might help that person. The thing is that you need to get a routine going and keep that routine going. In fact, studies show it

takes about 21 days before it becomes a habit and you don't even have to think about it, your body automatically longs to do it. The amount of time that you read the Bible is not what matters, it is the relationship that you grow with God.

Honor Band & Choir By: Megan Fast

On January 20, Mr. Butler and a small group of students left for Glasgow, Montana for Honor Band and Choir. Honor Band and Choir is a time for the best musicians in our music district to gather together and put their skills to the test in a large group of other musicians. There were 18 schools in total represented.

This year there were three students from LCHS who participated. These students were Josh Brown, Tiara Whitmus, and Megan Fast. Josh played trombone in the band while Tiara and Megan both sang soprano in the choir. This year the director for choir

was Royce McIntosh for the choir and Michel Sticka for the band. Both directors were upbeat and enthusiastic, which made the day a ton of fun. The concert was performed in the Glasgow gym at 6:30. The choir started off the concert singing "Mr. Blue Sky," "The Place Where Lost Things Go," from Mary Poppins Returns, and "We Shall Be Free." The men's chorus sang "Rocketmen: Songs from the Motion Picture" and the women's chorus sang "Down to the River to Pray." There was a short break while the

band set up and warmed up. The band then proceeded to play "Spring River Fantasy," "Darkheart," "The Fairest of the Fair," and "One Giant Leap." The whole day went very well and many people said it sounded very nice.
