

## Lustre Christian High School

The

TUMBLEWEED

### Where is He? By: Hannah Thomas

Thursday, February 6, Chapel day, we were honored to have Mrs. Lisa Neufeld share with us.

Her first question to us was "Where is Jesus?" Each individual had a piece of paper that had several questions on it. She began her chapel by talking to us about her trip to Israel, as she showed us the different sites, each site was presented with a verse from 1Kings.

The first site she discussed was Mount Caramel (1Kings 18:22-

46), she told us how sometimes our dreams don't go as we plan them to and we have to ask where is God at work in these moments, she also told us that we have to do something that we are scared to do (like how she was afraid to ride the camel.)

Some of the questions on our papers were "What is one thing

I need to do scared?", "What is one thing I am taking the easy road on?", and "Where do I see Jesus in my life?" Mrs. Neufeld also told us that doing the hard thing is going to pay off (Eph 3:18).

One major question she asked was "How can they not see Jesus?"

There are many historical sites that shows us where different Biblical stories take

place, but with all that, how can we not see Jesus? We should be opening our eyes and hearts to our surroundings, we have to be able to see Jesus not only in our stories, but see him all around us.

This chapel was a great eye opener and a reminder that we need to constantly see Jesus with and amongst us.

Thank you very much Mrs. Neufeld for coming to share with us, your discussion was very much appreciated and needed.

### Spiderman, Spiderman By: Kyle Pederson

Last week Ms. Teri Wedel came to speak for chapel time. She started off by asking what kind of dreams we had for our lives. She shared with us that her dream for life was to work with children. She wanted her own children and a happy marriage for her life. She was married in 2013 but due to the relationship going sour it didn't work out, although she had no kids she was still able to work with kids

through her ministry in Glasgow. Sadly for her, God took this ministry away from her as well. Through this trying time God took away her chance to achieve her dream. The loss of her dream started a personal battle in her heart. A battle against bitterness and anger. When she lost her dreams the seeds of bitter-

ness and anger against God started to grow. This personal conflict was the main topic of the lesson. She used the movie Spider Man 3 to help us understand personal conflict.

(Continued on page 2)

## Another Night in Frazer

By: Lily Short

On Saturday February 8, the Lustre Lions travelled down to Frazer for their only game of the weekend. There was no boys JV game this time since Frazer's boys' team only had 8 players. Therefore, the girls played first this time. They started out well and stuck with them the whole game, and the last quarter was super close.

The score was tied a few times throughout, and the final score was 44-47. The Lady Lions were so close and only lost by three points. Alexa led the team in scoring this game with 18 points, and Amber was close behind with 13 points. It was a tough loss, but they'll get to play them again in tournaments!

Following the girls game, the boys took on the Frazer Bearcubs. It was a major blowout with the final score of 74-29. It was good for our boys though because the JV got a lot of playing time and it's always good to go into the next week-end with a win! Kolden led the team in scoring this game with 19

points, and Elijah had 18.

Both teams had a lot of fun in these games and are continuing to prepare for Districts in Glasgow, February 19-22.

## Last Games Before Tournament

By: Amber Reddig

The Lustre Lions had a weekend filled with games, and they happened to be the last regular season games.

The Lions traveled to Hinsdale on Friday to play the Lady Mavericks. Last time the girls played the Mavericks they struggled with breaking their press ... this time the girls did a much better job of succeeding in getting the ball up the court. However, their shots seemed to not go in and it was just an off night. It was a very low scoring game for the Lady Lions, with a combined total of 13 points. Those who scored were Alexa Reddig with 8 points, Grace Brown and Amber Reddig with 2 points, and Aubri

Holzrichter with 1 point. North Country had a score of 76 points, so it was not the best game for the girls.

The next night the Lady Lions came out ready to play and motivated from their loss the night before. It was Senior night, and the girls were playing the Dodson Lady Coyotes. This game was exciting, and the teams kept in close reach of each other the whole time basically. The girls hustled hard, and went all out. They were working together as a team, and everything seemed to be coming together. The Lady Lions just barely lost, with a final score of 29

to 34. 5 more points and they could've pulled it off. In the Dodson game the scorers were Aubri Holzrichter with 7 points, Alexa Reddig with 6 points, Ashley O'Hara with 5 points, and Amber Reddig with 11 points. It was a great game for the girls, and it was bittersweet with it being the Seniors' last game on their home court.

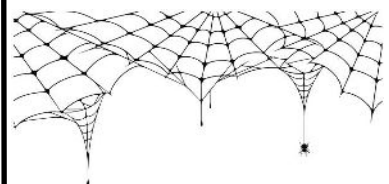

Next up in the season is Districts in Glasgow!

(Spiderman ... continued from page 1)

In the movie Spiderman has to choose between a dark suit called Venom and his normal red suit. The dark suit makes him feel powerful but is also detrimental to his character, and the red suit is just him as his normal self. In the metaphor, the dark suit is the bitterness and anger that she talked about before, and our goal is to resist the darkness, just as Spiderman did in the movie.

## Lions Back to Fightin'

By: Terry Allmer

This weekend was a big one for the Lions. They had two teams that could be the ones they see in Districts. They started out by playing the North Country Mavericks. The Lions started out the game slow but soon picked it up. The first quarter score was our ten to their eleven. The half ended with the Lions on top sixteen to twelve. The last half the Lions came out and

scored a decent amount. The final score was forty-one to seventeen. The Lions were led with an amazing defense. The top scorers of the game were Terry with eighteen, Kolden with seven, and Kaleb & Kyle with five. This game worked well but the Lions knew the next day was going to be a fight.

The Dodson Coyotes came to town and gave the Lions a

run for their money. The first quarter was rough for the Lions down nineteen to ten. The next quarter the Lions evened out a little bit more but it was still rough. The score was twenty-eight to eighteen. The Lions went into the locker room fired up and came out with fire. Unfortunately, so did Dodson. The final score was forty-six to sixty-three. The Lions fought hard but came

up short. The top scorers of the game were Terry with thirteen, Elijah with eleven, and Kyle with ten. Luckily, they have another game against them in Districts.

The Lions are eager to play them again. Be sure to cheer for your Lions in Districts this weekend!

## A Roaring Win

By: Diego Froiland

This past week's District basketball tournament in Glasgow, was something amazing. The entire time there was an intensity that was unmatched. Every team came with the expectation and hope that they could make it to the next level. Not every team was blessed with that reality though as many teams ended up going home.

For the boys the Scobey Spartans; first; Dodson Coyotes; second; and the Lustre Lions; third; made it to the next level, Divisionals.

For the girls side the Scobey Spartans; first; North Country Mavericks; second; and the Frazer Bearcubs; third; punched their tickets to divisional.

On the boys side the North Country Mav-

ericks lost their last game to the Lustre Lions, the Frazer Bearcubs lost theirs to the North Country Mavericks, Nashua lost their last game to the Lions.

For the girls Nashua lost their last game to the Dodson Coyotes, Dodson lost their last to the North Country Mavericks, and the Lions lost to the Dodson Coyotes.

Every day of the tournament the stands were full of people cheering for their favorite team, or just watching the lineup of games. The teams that were expected to win, did end up winning but there were almost a couple upsets. Nashua Lady Porcupines very nearly pulled out a win against the Dodson Lady Coyotes, but they lost their lead on the last stretch-

es of the game. The Dodson boys, came out on fire and held onto the Scobey Spartans for a bit before the Spartans pulled out, solidifying their lead.

When the Lustre Lions played against the North Country Mavericks the 2 teams were neck and neck for a while. The Mavs pulled out into a 13 point lead, only for the Lions to come back and tie up the game right at the end of the game, forcing it into overtime. In the overtime the Lions had enough of the game and wanted to end it. The Lions denied the Mavericks any points during overtime but scored an additional 18 points.

Only two points were made during that stretch by field goal, and the rest were made up of free throws. The chances of making 10 out of 10 free throws is already extremely low, but the chances of making 16 of 16 is flat out crazy awesome.

The entire game the whole gym was roaring with noise, so if an article comes out in the local newspaper that says that the government detected a small earthquake in Montana, you now know why.

# Welcome to LCHS!

## Howe-dy Brayden: By: Megan Fast

Within the past few weeks LCHS has welcomed a new freshman to the class of 2024, Brayden Howe. Brayden arrived in Lustre on the third of February. The addition of Brayden as a new student in the freshman class has brought the class total to seven, including Brian and Alex Yu, who came to visit LCHS for a month.

Brayden came to Lustre and is originally from Colorado, however he grew up in Arizona. Brayden has four siblings.

Some of his fa-

vorite hobbies are video games, BMX, and dirt biking. Brayden's favorite subject is math and Mr. Marasco and Mr. Butler are his favorite teachers so far. His favorite thing about Lustre is the snow. His favorite food is sushi. A favorite time in Brayden's life was when he was in CA with

his friends.

Brayden's family is part Japanese so this coming year he will travel there. He is looking forward to visiting. Places that Brayden has

lived include Arizona, Colorado, and now Lustre. His first thought he had about Lustre was that he was not excited about liv-

ing right by the school. He said it was not as bad as he thought it was going to be.

Brayden's future goal is to go into computer coding.

His favorite movies are comedy and action. One of Brayden's funniest memories is talking with friends on Discord and scaring them because he was laughing so hard they thought he had quit breathing.

Welcome, Brayden to Lustre, Montana! We look forward to getting to know you!

## Schmeckfest Bake Sale

**\*\*For pre-orders please call Ashley at 725-3312 (home) 724-7150 (cell) and feel free to leave a message, or email [ashleyreann@gmail.com](mailto:ashleyreann@gmail.com)**

We would appreciate your help with stocking our bake sale table this year and are asking that you bring at least 3 items. Thank You!

- The big sellers are always VERENIKA, VERENIKA, zwieback, peppernuts, perishke, pies, and raspberry jam...and did I mention VERENIKA?!
- Other popular items are fancy breads, jams and jellies, syrups, and mustard.
- Please do not bring items that have to stay hot or be kept cold (except verenika)
- Plastic bags and rectangular foam trays for items are available at the MB and EMB churches.

**Labeling is very important for selling – people want to know what they are buying! Please be sure to label each item as well as the quantity.**

**Label/package as follows:**

**Peppernuts – 4 cups/bag**  
**Sweet rolls & Maple sticks – 12/package**  
**Perishke, buns, zwieback – 12/package**  
**Frozen verenika – 6 or 12 on foam tray/package**

- Please refer to your Schmeckfest "Blue Book" for recipes and further instructions.
- Please thaw all frozen baked goods before packaging for Schmeckfest bake-sale (excluding verenika!). Thawing should be done outside of the bags to prevent accumulation of moisture on baked goods.

**Much appreciation for all the hard work baking and labeling!**

# Senior Star - Diego Froiland

By: Olivia Brown

**Nickname:** Deggo, D, Big D, Frozone

**Birthday:** 7/10/2002

**Where are you from?** Born in Port-au-Prince, Haiti

**Favorite Bible verse:** John 3:16

**Favorite food:** Rice or anything with flavor and hasn't hit its expiration date

**Favorite drink:** Root Beer

**Favorite Subject:** Physics

**Favorite activity:** Exploring

**Favorite movie:** Every movie with Iron Man in it

**Pet peeve:** People who scoff when I tell them my greatest aspirations, "Go Diego Go"

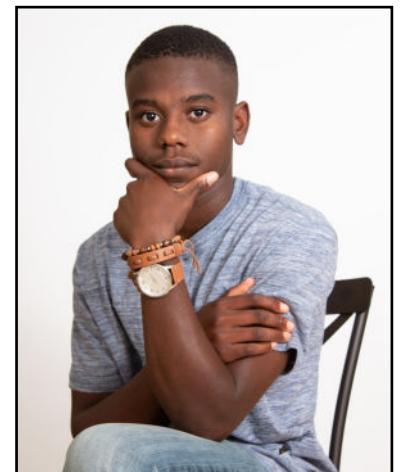

**If you could have one wish, what would it be?**

To go back in time and tell myself to be more resilient and focused.

**Advice to underclassmen:** Don't worry about the past, just use it to improve your future.

**Future plans:**

Go to college for aeronautical engineering
