## Miller Gives a Thriller for Chapel

By: Terry Allmer

For last Thursday's chapel John Miller came up from Bozeman to speak to us. He is a good buddy of Mr. Burkhart. They went to the same church together. They also sang in the same choir for a while. He also claimed to know him longer than Mr. Burkhart thought. He brought up a funny story of the young Mr. Burkhart. It goes Mr. Burkhart was in class one day and his teacher asked him, "What is a noun?" He said "I don't

know, what do you think?" The teacher said, "I don't think, I know." Finally, Mr. Burkhart said, "I don't know either." Anyways, moving on from the hilariousness from the joke. He spoke about his life and the way Christ has impacted it. He started out by saying he was born in Ohio. He graduated in 1967 and he was a smart / athletic person in high school. He said he had tons of medals that he dearly loved and cherished.

Then his mother died when he was eighteen years old. This made him realize what was wrong but he still chose to ignore Christ. He then moved to San Francisco and thought he was living the good life. After he decided to move to Bozeman and it finally hit him. He had fifty dollars to his name and he decided his lifestyle isn't the one he wants to continue. He finally decided to join Christ after meeting his wife. He listened to testimonies and hun-

gered for the word. He noticed a complete change for the better in his life. One of his biggest role models was Bob Burkhart. He said that he helped interpret the scripture in a way most people don't and it helped him become a better believer. Mr. Miller truly was a good inspiration for me I can say. He taught us a lot and we all enjoyed his chapel very well.

## "Why Fearful are ye, Little Faiths?"

By: Megan Fast

On January 23, Pastor Frank joined us for chapel. We started off chapel with Pastor Frank talking about fears. Pastor Frank showed us that the first-time fear was used in the Old Testament is in Genesis 9:2 when it says animals will fear humans. In the New Testament the first time the word fear is used is when the angel appeared to Joseph and tells him not to be afraid to take Mary as his wife,

Matthew 1:20. Pastor Frank shared his life verse with us. 2 Timothy 1:7, "For the Spirit God gave us does not make us timid, but gives us power, love and self-discipline." Pastor Frank chose this verse because at the time in his life there was uncertainty and fear.

We then transitioned and talked about Matthew 8:18 and on. This is the story of when Jesus calms the storm. Pastor Frank pointed that

## A Weekend of Excitement

By: Olivia Brown

The weekend of the 24th and 25th held a lot of excitement for the Lustre Lady Lions. On Friday, the Nashua Porcupines came to the Lion's Den ready to play ball. The Lady Lions played very well as a team and pulled off the win, despite the roughness of the game and some unexpected injuries. Unfortunately, both Tiara and Lily were injured in the 4th quarter, leaving only five girls to finish off the game. They

were able to keep the lead and ended with the score of 42-30. High scorers were: Alexa Reddig with 14, Aubri Holzrichter with 8, Amber Reddig with 7, and Tiara Whitmus with 6. On Saturday, the Lions traveled to take on the Culbertson Cowgirls. The game started out well but by half time the girls were behind by quite a bit. They were unable to catch back up and fell to the Cowgirls with a

score of 25-46. Grace Brown lead the team with 9 points, followed by Alexa Reddig with 7, Amber Reddig with 4, Tiara Whitmus with 3, and Aubri Holzrichter with 2.

The Lady Lions have made vast improvements throughout the season. There are only a couple games left before tournament, so make sure to come support.

There are still advertisement spots

available for the tournament book for \$5 per line. If you are interested, please contact Kimberly Klatt at (406) 392-7395.

## Porcupines and Cowboys

By: Kyle Pederson

On January 24 and 25, the Lustre Lions faced the Nashua Porcupines and the Culbertson Cowboys. On Friday the 24, the Lions faced Nashua at home. The Lions jumped out to an 11-0 lead in the first quarter. Followed by a 24 point second quarter. The game ended with an easy 62-34 victory for the Lions. The Lions shot 73% from the free throw line. Top scorer of the night was Kaleb Hoversland with 14 points followed by Terry Allmer and Kolden Hoversland with 11. Then Braeden Toavs with 8 points and Kyle Pederson with 6 points. The next night the Lions travelled to Cul-

bertson to face the Cowboys. The Lions ended the half with a 25-20 lead over the Cowboys. During the second half the Cowboys shot lights out in the third quarter. They ended up coming back and ended the game with the 57-47 win. The Lions shot 69% from the free-throw line Kol-

den Hoversland led the team with 16 points. Terry Allmer scored 11 and Braeden Toavs scored 10. Braeden had an amazing first quarter with 2 jump shots and a three pointer. Kaleb Hoversland had 6 points, and Elijah Lenihan and Kyle Pederson both had 2 points.

*(Fearful ... continued from page 1)*

Jesus could sleep through the storm because he knew his father was in control and he did not have anything to be afraid of.

Pastor Frank gave us the acronym:

### **C A L M**

**C** - stands for celebrate the presence of God in the midst of the storm.

**A** - ask God for help.

**L** - leave your concerns with Him.

**M** - meditate on the good things.

Pastor Frank closed with saying, worship for what you have and not what you don't have. John 16:33, "Fear not for I have overcome the world." Jesus' message for you!

## “E” for Effort

By: Hannah Thomas

On Friday night, January 31<sup>st</sup>, the Lady Lions played against Bainville Lady Bulldogs, the game was a good game seeing that one of our senior players (Lily Short) was out of commission. In the first half the Lady Lions were down by 4pts, they eventually caught up but lost the game 35-45. Overall this basketball season the Lady Lions have been pushing and persevering, and putting their best foot forward,

this is their best season yet. The top 3 stats for the game are: Tiara Whitmus with 11 points in total, Alexa Reddig with 9 points and Amber Reddig with 8 points. In total the team had 35 points.

Saturday afternoon, February 1<sup>st</sup>, the Lady Lions brought in the new month playing against the Scobey Lady Spartans. The girls played a fair game but its apparent that sometimes players get in their

heads when playing against Scobey. The Lady Lions did well and the Lustre crowd was very proud of them for their hard work and effort, during the first half of the game the Lady Lions were down by 12pts, they caught up a little during the second half but were still down by 9pts. The Lady Lions lost 47-15, the top 3 stats for the game are: Aubri Holzrichter with 5 pts, Alexa Reddig with 5 pts and Tiara Whitmus

with 4 points in total.

This weekend was indeed challenging for the Lady Lions but they did their absolute best and played hard. Good job ladies and thanks to all those who came out to support.

On the 31<sup>st</sup> of January, the Lions faced Bainville at home and February 1<sup>st</sup>, we played the Scobey Spartans at their home. At home we came out of the fight on top of Bainville, but the next day after a hard-fought game we had to face the undefeated Spartans.

Against Bainville, the JV ended up losing, but the boys varsity won, 39 to 59. Our top scorers were Kolden Hoversland bringing in 17 points, Kyle Peder-son with 14 points, and Terry Allmer hauling in another 15 points. Elijah

Lenihan, Kaleb Hoversland, and Braedon Toavs brought in a combined total of 13 points to the table. Our boys came out with a bang and the complete and total intent of winning especially after the last game against them, which happened right after Christmas break. During the entire Christmas break there was a lot of boys gone and we never had a complete practice until the day before the game against them. After a couple weeks of practicing though, we were entirely ready for the game, and it showed.

The results for the game against Scobey, however, were pretty disappointing. The JV boys got blown out pretty bad even

though the effort was there. We were allowed the privilege of having our Taiwanese visitors, Brian and Alex Yu, play with the JV and they put up quite the show. When they arrive as actual students next year, they are going to be a big help to the team. As for the varsity boys, we were delivered a defeat with the final score being 69 to 29. Terry brought in the vast majority of the points bringing in 24 out of 29 of the points for the Lions. Kaleb and Kyle both brought in an individual amount of 2 points each, and Elijah brought in a hard fought 1 point in for the Lions. The Scobey Spartans are an extremely formidable team and as of now are still undefeat-

ed, and nobody has beat them at their home for 3 years straight now.

Our boys fought hard in both games, but the game against the Spartans was just harder and hopefully we get to face them again later in districts so we can try again with better results in the end. The crazy thing about these games is that the next game we play will be all the seniors' of Lustre Christian High School, last, official, high school, game of their time here in Lustre. So, come by on Friday 15<sup>th</sup> of February at 1:00 / 2:30 / 4:00 p.m. to support our Seniors, for their last game.

# Welcome to LCHS!

## A New Smiling Face Around LCHS By: Amber Reddig

Abigail Ponce-Curl is a Freshman, who was born on June 29, 2005. She lived in Mexico until she was five, and then her family moved to Denver, Colorado and lived there for seven years. Now she has lived in Montana for two years.

She has a younger brother named Andres, and he is attending at Lustre Grade School.

When asked what she likes about Lustre, she said she likes how the community is united. She heard about Lustre from

friends in their church in Wolf Point.

She says that it is too soon to tell who her favorite teacher is here, but hopefully soon she'll figure that one out.

Some interesting things to know about Abigail as a person is that she has done cross country as a sport, and her favorite hobbies are running, painting, and playing with her puppy. She also plays the clarinet, and seems to be musical. That will add to our band here at LCHS, and I'm sure Mr. Butler is excited to have another instrument and

person in the room.

When asked what her favorite food and drink were, she gave a healthy response, with fresh fruits and vegetables

. Her favorite past time would have to be reading.

A nickname of hers is Abby, which is pretty common if your name is Abigail.

Abigail is a sweet girl, and we're all excited to get to know her better. If you see her around say hello, and get to know her a little. She's a great addition here at LCHS!

LCHS has added another student to the group, and we've gotten to know her some already. It's always interesting meeting new people!

Come join us on Sat., Feb. 15<sup>th</sup>, 2020, to raise \$\$\$ for Michael Jaynes.

Michael is a good friend of Kolden and Kaleb Hoversland. They met him during their first year of basketball in grade school and have gotten along ever since. They get to spend lots of time together during off-season tournaments.

Michael is the son of Rob and Cathy Jaynes of Dodson.

He was diagnosed with Rhabdomyosarcoma Cancer in September of 2019. He has had Chemotherapy weekly since, and will continue to have it up until July of 2020. What started out as despair that the surgeon would likely have to amputate a part, or all of his hand, turned into him waking up with all 5 fingers intact.

We are holding a cake raffle at LCHS, on Saturday, February 15<sup>th</sup>, while Dodson plays here (1:00/2:30/4:00 p.m.), and we would love for our community to show their family some support in lowering the cost of medical bills and travel costs through a Donation & Cake Raffle.

AND by keeping them lifted up in prayer during this difficult journey.

Come out to the games and show your support!
