## Take Off Your Weight By: Braeden Toavs

On Thurs., Feb. 4, Bible teacher and community member Dan Marasco took to the podium to share an inspirational message with the student body of LCHS. Mr. Marasco was not intended to be the speaker that day, but due to some scheduling errors, leaving us without a speaker, Mr. Marasco improvised a little devotional that he said every student and adult should

remember. He began by telling the students about how we all have had short comings or moments of weakness that cause us to sin. These sins we carry with us, they only become a ponderous weight to carry on our hearts. After expressing this point, Mr. Marasco put on a backpack and slowly began adding weights inside up to a total of 120 pounds!

We are sinful beings and we will fall short many times in our short lives, but instead of carrying these burdens until they become so heavy, we cannot continue to walk, we can give them to God who will forgive us our sins and take them as far as the East is from the West. Mr. Marasco demonstrated this point in the book of 1st John 1:9.

Mr. Marasco, finished up the chapel with a warning; he said that we may come back to our sins and in doing so,

take back up the weight. The best way to avoid this is to be accountable and to Godly people around us and to break down the walls that hold us back from being able to walk without any burdens of past sins. "If we confess our sins, God is faithful and just & will forgive us our trespasses."

We thank God that we don't have to carry these burdens alone, and we also thank Him that we have Christ following members in the community like Mr. Marasco.

## Guess Who Loves You?! GOD. By: Ashley O'Hara

After all the delays in the school year, we finally got the chance to hear Tiara Whitmus' Senior chapel. Let me say, this chapel was most definitely a special chapel and caused a lot of water works.

To start off, Tiara wanted to make sure that everyone knew that they were loved, especially by God (1 John 4:7). She then proceeded to give us

a little bit of background in her life. She grew up in a loving family setting and once her father got a new job, she moved from her home town, Havre, Montana to Wolf Point, Montana. From third to sixth grade, she attended Frontier School. Later on, she transferred to Wolf Point Schools and stayed there until her sophomore year. One day, the Lustre Lady Lions just so hap-

## Lions Back From Quarantine

By: Josh Brown

The Lions just came off of quarantine and came out hard in their games against Scobey, Nashua, and Frazer.

They played hard against that Scobey Spartans in the Lion's Den on February 2, but lost 59-29 (Scobey). Kolden Holversland was high scorer with 13 points, Elijah Lenihan was next highest with 9 points, and Kaleb, Cayden, and Alex brought up the other 7 points.

On February 6 the Lions hosted the

Frazer Bear Cubs at the home gym. They ended this game by overcoming the Bear Cubs 73-27 (Lustre). Kolden Holversland was again top scorer with 19 points, Elijah Lenihan with 16, Cayden Klatt with 15, Kaleb Holversland with 8, Jasiah Hambria with 4, and Gabe, Bryan, Alex, Braeden T, Braden E, and Josh brought up the other 11 points.

After that the Lions went to play the Nashua Porcupines away. The Lions again came out with a win of 48-39. The game started

kind of slow, but at half time the Lions really picked things up and came out with the win.

Even though the Lions had to quarantine for 2 weeks they came out of it still going full speed. We are proud of the way they played and kept going even through the struggles that this pandemic has brought.

## Hustle and Effort

By: Kenny Shema

Last week, the Lustre Christian High School faced Bainville, North Country and Dodson. These 3 games came in quick succession, due to rescheduling with 3 games in 4 days for the Lions.

The first game ended in a win, with a 3-point lead for Lustre, after a tight game where Bainville was up during the 1<sup>st</sup> half, the beginning of the 2<sup>nd</sup> half was mainly run by the Lions who came back fired up and worked hard for a win.

The North Country game followed after, with a final score of 43-

51 with the win going to the Mavericks, the game was intense and fast paced, with a lot of the players hustling and producing a lot of effort and the Lions fought hard until the end.

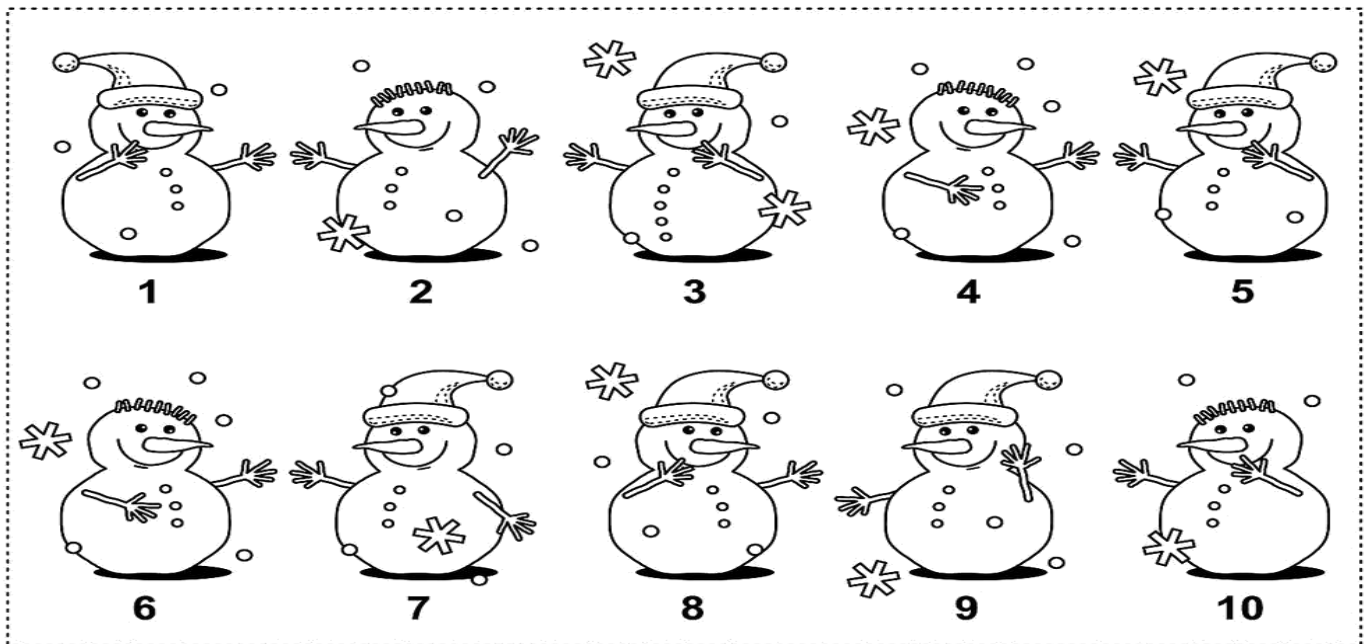

The next day, and after a long drive the lions faced the Dodson Coyotes. The Lions started off pretty good, but lost momentum in the second quarter and Dodson took advantage of that and sunk their shots. Dodson took the lead with a few three pointers, and carried on with the momentum they gained from those

shots, the lions stayed in the fight and came close, but it was not enough, the final score ended up being 35-53 with the win going to Dodson.

Even though those two last games ended up in a loss the Lions showed great determination, hustle and effort, promising a lot for the future.

pened to be playing in Wolf Point. Tiara asked her mother if she could possibly attend Lustre, having the idea that she could grow spiritually and become a better person.

During this time at Wolf Point, Tiara was being bullied but had one friend that stuck with her through it all, Brianna. Brianna was a loving and loyal friend. She taught Tiara that, "real friends come and go, but real friends stick together like family." Since seventh grade, Brianna had a tumor on her brain. Tiara never thought to ask much of it, but always

thought she was a strong girl and would get through it. September 19, 2017, Brianna went into surgery... Unfortunately, she did not make it out of surgery. All Tiara could think to herself was, "why did I not ask more?" At this point in her life, Tiara let go of God and was filled with anger.

After coming to Lustre, Tiara finally thought her life was getting better. Her Sophomore year, she grew mentally and spiritually, specifically because she was surrounded by Godly people. Tiara reminded us that in 2 Corinthians 4:8-9 that God

tests us in many ways. We were then told about another friend, Anders. Anders encouraged Tiara to be a better friend, along with a better Christian.

As I said before, Tiara finally thought her life was falling into place, but another tragic event was headed Tiara's way. Tiara was in school when she was told that her friend, Anders, killed himself. "Where did I go wrong as a friend?" she thought to herself. "Would he still be here if I would've called him one last time?"

Tiara was in a drought. All of these trials in Tiara's life taught

her that, you need to be there for your friends. Most importantly, you need to forgive people and do not hold grudges, you can forgive and yet not forget.

To close her chapel, Tiara told us once again, "you are loved." Be the friend someone is missing!
