### Count on God's Power! By: Tiara Whitmus

Lustre Christian High School welcomed Pastor Mike Andrews on February 25, 2021. He started out saying that he felt like Paul because for the longest time he (Mike) wanted to come to Lustre to give a sermon, but God prevented him. He stated that the world is broken martyred by tragedy. Pastor Mike said that there is an "Absence of Power" in our world especially now with everyone getting use to the lack of power in the Pandemic. He said he tries to read the book of

Acts within the Bible because life there and how it is comparable to the 21<sup>st</sup> Century. Mike then continued by reading a quote by Annie Dillard that says, "Why do people in churches seem like cheerful, brainless tourists on a packaged tour of the Absolute?" We experience so, little of the power of God on daily basis, but in the Bible, God often refers to Almighty for it is a promise to those of power and to the children. We don't always understand context or situation he is always put in and we do

not know how to plug into God's power. Pastor Mike Andrews said "Don't live powerless lives" He stated 4 reasons of when and how you can count on seeing God's power. The first one is you can count on God's power when your tired and you start to see the end of the physical and emotional road. You could look to Isaiah 40:28-29 where it says "Do you not know? Have you not heard? The LORD is the everlasting God, the Creator of the ends of the earth. He will not grow tired or weary, and

his understanding no one can fathom. He gives strength to the weary and increases the power of the weak." You can also count on God when we have nothing to offer and when we are desperate and think we can not do this anymore. That is where God wants you and once you realize that you will experience a world of difference. 2<sup>nd</sup> Corinthians 12:6-10. The third reason is when you're in pain like bodily pain, illness and haven't

### Daylight Savings By: Brooke Byers

What is daylight savings time? Daylight savings time is twice a year clocks are set ahead of standard time or backward by an hour. But what is the purpose? Daylight savings is a way for electricity use to be reduced by extending daylight hours. For eight months out of the year, the United States follows

daylight savings, as well as many other countries. For the remaining four months we go back to the standard time to take full advantage of the sunlight in the warmer months. Another good was to remember when we go back and for-

ward in time is "spring forward" in the spring time, and "fall back" in autumn.

## Hoops, They Did It Again!

By: Ashley O'Hara

Almost two weeks ago, the Lady Lions started their District 2021 Basketball games. With full determination and goals, the Lady Lions went on to play their first game against the Nashua Lady Porcupines. The game started off pretty rough for the Lions, having over 10 turn overs in the first quarter. The Lady Lions were in a drought for points and motivation. At the end of the third quarter, we were down by 17 points. The Lions had to wake up and play some ball to try to win. After a

lot of hustle, team work, and heart the lady Lions won, only by three points. (49-46). The Lions came back and scored 28 points in the last quarter and prevented the Porcupines from scoring anything. This game had everyone on their feet and displayed the true heart and determination the girls have for the game. After playing at home for the first District Game, both the Lady Lions and Lions headed to Malta, Montana to take on the North Country Mavericks. As

expected, the Lady Lions did not claim the victory, (62-26), but did achieve one goal: to not lose by more than 40 points. With achieving that goal, the Lions left the gym with a tough loss but with their heads up and ready to take on the Frazer Bear Cubs the following day. Each day of the tournament the girls played at 1:00pm. On our free time at the hotel, the teams watched game tape and got extra team bonding! When the Lions took on the Bear Cubs the girls fought hard to claim their

spot in the tournament. Even though this game was one of the easier games the Lady Lions had to play, they still went into it with full determination and heart. The final score of the game was (60-21), handing over the win to the Lady Lions. The top scorer of this game was Aubri Holzrichter with 25 points! The Lady Lions were overwhelmed with joy and great fullness that they had made it this far and had to play one

## Growth and Development

By: Kenny Shema

The 2020-2021 basketball district tournaments were held partly in Lustre, and then Malta. The first tournament game was held in Lustre, due to COVID-19 restrictions, and was against Nashua Porcupines. The Lions had learned from their first game against Nashua and carried a strong momentum from a thrilling girl's game. The Lions started strong and fast, and soon, the team had a comfortable lead of 20 points by the end of the 2<sup>nd</sup> quarter, the game continued on and ended on a final score of 70-36 with a

massive 29 points from Kolden Hoversland, another exceptional 17 points from Cayden Klatt, this sealed a nice win for Lustre.

Two days later, the Lustre Lions faced the Scobey Spartans. Lustre started with a nice intensity, staying calm against the Scobey press and imposing their own pace against the number 1 school in the state. The 1<sup>st</sup> quarter was good, and by the end of this quarter, only 2 points separated both teams. The second quarter went on and ended with only a 9-point difference. It was

not enough though, as Scobey powered through the great defense and ended the game, 59-24 with the win for Scobey. This was a great promise for later, as the team competed hard and made Scobey have to adapt.

The next game was against the Frazer Bear Cubs. The game started as planned for the Lions and ended with a comfortable win, and a final score of 78-26 for Lustre.

The next game against Dodson Coyotes, the whole game was pretty equal, with Dodson winning the first quarter, and

Lustre winning the 2<sup>nd</sup> quarter. The final score of the game was 56-42, posting a win for Dodson.

This marked the end of a weird season for the Boys basketball team season, but also showed a lot of promises for next year, with new players coming up and developing their skills more for, hopefully, a normal 2021-2022 season.

## What is Lent?

By: Josh Brown

Every year before Easter many Christians will observe Lent. This year Lent started on February 17 and will continue till Easter on April 4. Lent is a time where you repent your sins, because you understand that it separates you from the God. People will acknowledge their sins, ask for forgiveness and make a commitment to do it right. Many people will also fast within those forty days, whether that is fasting from food, your phone, or from other things. More than that though, it is a time for you to think about what Jesus Christ did for you on the cross.

The reason that Lent is over a forty-day period is, in a way, honoring when Christ went into the wilderness, and fasted from food for forty days. Fasting happened all throughout the old testament and the new testament. This is the reason that many Christians today fast from something for a period or all of these forty days in the season of Lent. In some places people will do the fast together as a community so that they can have accountability that they are indeed fasting. Since Ash Wednesday is the first day of Lent, many people will also mark their

foreheads with ashes to show that they are in sorrow and mourning over their sins. Many people participate in this forty-day period leading

up to Easter. Even if you don't do Lent, remember that Easter is coming, and remember just what it was that Christ did for you on that cross.

*(Power continued from page 1)*

really connected. The final reason you can count on God's power are when you are tempted. The power of saying no, the desire to do good, the evil he keeps on doing, and not being tempted by the dead. God wants you to not to be tempted, so gives you all the power you need. He ended his sermon stating that "If you do NOT know Jesus you can't expect to experience God's power and Mike highly recommends that you learn to grow and love Jesus."

*(Hoops continued from page 2)*

more game, to possibly make it to the Divisional Tournament for 2021! The following day, the Lady Lions had to take on the Dodson Lady Coyotes. Every time the girls had played them it was always a tough fight. The difference this time, was that the girls had wanted this win more than anything but they wanted to do it together as a team. The girls kept in mind to do what they knew what to do and to take advantage of the clock. The top scorers for this

game were Alexa Reddig with 18 points, Ashley O'Hara with 10, and Tiana with an outstanding number of rebounds; 18! Anna Teichroew also had 2 points in this game and Grace Brown had 5. The girls worked hard and together to pull out the win, (51-49). The Lady Lions were overjoyed and so extremely thankful that they have the opportunity to play at Divisionals. One thing that is important to remember is that: without our coaches, supports, team work, we would not have been able to

achieve this goal. We want to thank everyone for their amazing and overwhelming amount of support that has been shown to the team this year. The Lady Lions play Froid Medicine Lake at Sidney, Montana, on March 3, 2021 (Wednesday) at 11:00 am. We hope to see you there!

# Senior Star - Josh Brown

By: Braeden Toavs

**Nicknames:** "Farmer Brown" "Jeb"

**Birthdate:** April 7<sup>th</sup> 2003

**Favorite Verse:** Joshua 1:9

**Favorite Food:** Any kind of Beef

**Favorite Drink:** Sweet tea, Mountain Dew

**Favorite Subject:** Math & Bible

**Favorite Genre of Movies/Books:** Westerns, End Times, Missions

**Most Memorable School Moment:** Playing a tournament game 8<sup>th</sup> grade year with all five Browns on the court. Also choir freshman year

**Advice to Underclassmen:** "Math will actually help you in the future (Not Calc though)"

**Future Plans:** Attend Montana Wilderness School of the Bible, also attend MSU Northern. Work with agriculture in some way.

**Steering:** \*Jared & Susan Fast, Brant & Lynn Unrau, Curt & Lisa Neufeld

We are excited to announce that we will be having an in person Schmeckfest. In order to comply with CDC guidelines, some changes will be made. We will be serving limited food items in 3 shifts. Shifts will be from 1:00-2:30 pm, 3:00-4:30 pm, and 5:00-6:30 pm. You will need to register for a specific time slot. Auction items will be on display Friday night, but the auction will be online just like last year – ending Saturday March 27<sup>th</sup> at 7 pm. Thank you for your continued support of Lustre Christian High School and your willingness to adapt to the new guidelines. Jared & Susan, Brant & Lynn, and Curt & Lisa

**SCHMECKFEST WILL BE MARCH 26<sup>TH</sup> AT LUSTRE CHRISTIAN HIGH SCHOOL.**

Due to limited seating, reserve your tickets online at [lustrechristian.org](http://lustrechristian.org) or call (406) 392-7949. We will be serving 3 sessions, 200 people per session. Curbside pickup is available.

1<sup>st</sup> session serving 1:00-2:00, program at 1:45, 2:30 building closed for sanitizing.

2<sup>nd</sup> session serving 3:00-4:00, program at 3:45, 4:30 building closed for sanitizing.

3<sup>rd</sup> session serving 5:00-6:00, program at 5:45, 6:30 building closed for sanitizing.

The Auction will be online again this year; however, auction items will be on display Friday night with the auction ending Saturday March 27<sup>th</sup>, at 7:00pm.

We will have buy it now items, bake sale, and crafts for sale Schmeckfest night.

Thank you for your continued support of Lustre Christian High School, we look forward to seeing you at Schmeckfest. Valley County Health Department recommendations will be followed.

### **Schmeckfest Bake Sale 2021**

***\*\*\* Please Note: there will be NO PRE-ORDERS this year\*\****

~ Due to changes this year, we will be having 3 shifts for eating/working. Please bring your bake sale items at the beginning of your shift, and drop them off across from the coat room at the WEST entrance to the high school. We will be dividing up frozen verenika, gravy, and cabbage rolls equally between each shift, but all other bake sale items will be "first come first serve" during your shift.

~ Schmeckfest is approaching in our near future, and this is your friendly reminder that we ask you to bring at least 3 items for the bake sale, but more is ALWAYS appreciated! Zwieback will not be served in the food line this year, so extra for bake sale would be a hot ticket item. Other heavily requested items are verenika (there is NEVER enough), dark and light peppernuts, perishke, pie (especially pecan) and raspberry jam. Of course other home made goods are welcome too!

~ Plastic bags and rectangular foam trays for items are available at the MB and EMB churches. Please be sure to label each item as well as the quantity. Labeling is important for selling, people will hesitate to buy if they are unsure of flavor. Label/package as followed:

Peppernuts – 4 cups/bag

Sweet rolls & Maple sticks – 12/package

Perishke, buns, zwieback – 12/ package

Frozen Verenika – 6 or 12 on foam tray/ package

~ Please refer to your Schmeckfest "Blue Book" for recipes and further instructions.

~ Please thaw all frozen baked goods before packaging for Schmeckfest bake sale (excluding verenika!) Thawing should be done outside of the bags to prevent accumulation of moisture on baked goods.

We appreciate your understanding of circumstance changes, and also the hard work of baking and labeling!

# Lustre Christian High School

## Lunch Menu & Activities:

### MARCH:

2 - Parent / Teacher  
Conferences 4-7 p.m.

12 - End of 3rd Quarter

15 - 1st Day of Track  
Practice

26 - Schmeckfest / No  
School at LGS or LCHS

31 - Early Dismissal  
- 2:30 p.m.

April 1-5 - Easter Break
