

Lustre Christian High School

THE tumbledweed

Opening Program By Sally Arai

This year, the opening program is back. The students and the teachers of LCHS, along with the community gathered in the gym on Sunday evening, August 29. The program started with an opening prayer from Pastor Frank Lenihan. After that, everybody sang the hymn, "Stand Up, Stand Up for Jesus." Pastor Mike Andrews, is from Gospel Fellowship Church in Wolf Point, gave us a devotional. Also, some of the new staff members, like new principal Mr. Cattell, school counselor Mrs. Cattell, and Dorm RA

Mr. Choitz, gave us their testimony. In addition, the advisors of each class introduced the students this year. The ceremony showcased LCHS's

diversity in our community, and it was a motivational start to the new year.

Cattell Tells All By Kolden Hoversland

This week I had the pleasure of interviewing our new principal, Mr. Cattell. The Cattells moved to Lustre from the United Arab Emirates (UAE). Before coming to Lustre, Mr. Cattell worked at Christian schools in the UAE, and in China. He has been working in education for 12 years now.

I chose to start the interview with a few basic

questions. My first question was, "How did you find out about Lustre Christian High School?" Mr. Cattell informed me that he received a job alert from the Association of Christian Schools International (ACSI) while he was in the UAE. He said after receiving the alert, he did some research on the school. After researching the school,

Mr. Cattell applied for the job online through our school's website.

Next, I asked, "What inclined you to choose Lustre Christian High School?" He told me that he and his wife had been looking to leave the UAE. He not only had a job opportunity in Lustre but also had job offers in South Dakota and Florida. Mr. Cattell said he chose Lus-

A New Year, A New Team By Doven Birdsbill

The year 2021 brings many new faces to the volleyball team, along with some returning ones. Coached by Madison Neufeld and Angie Smith, these girls are working their hardest to make this season the best one yet.

The team consists of the following players: Seniors: Doven Birdsbill (1), and Rebekah Gonzalez (8); Juniors: Shiarie Birdsbill (5), and Sally Arai (10); Sophomores: Aubri Holzrichter (2), Alexa Reddig (3), Grace Brown (6), and Sarah Dahl (9); and Freshmen: Jaden Gibson (4), Rachel Pew (13), and Anna Teichroew (14).

Grace, Aubri, and Anna focus on the play in their match against Savage.

Last weekend, the Lady Lions attended a Culbertson invite tournament. The

girls woke up at the crack of dawn to reach their destination. They played four games starting at 8:30 a.m. against Savage, Scobey, Culbertson, and Froid/Med. Lake to get their seating. They

then went into a tough match

up against Froid/Med. Lake. They served, dug, set, and hit with ferocity using what they learned and their acquired skills. Although they unfortunately lost, they had lots of fun, worked very hard, and grew closer as a team.

Their next game is against Wolf Point JV on 9/7/21. I know they will play hard and do their best to go for a win!

R and R Festivities By Rebekah Jossart

On an early Tuesday morning the Lustre Christian Lions ventured to Fort Peck for a day filled with fun, food, and festivities. We started the day off singing in worship, while Mr. Marasco accompanied on the guitar, and Mr. Butler on percussion. Pastor Lee Button from the EMB church gave a sermon on how Jesus is an icon for us. He mentioned that Colossians 1:15 talks about how everything from the trails of comets to the rings of Saturn are made perfectly by our Creator. His message was a beautiful beginning to the day. After that, the students left

Pastor Button speaking to the students.

to either walk around or play basketball. Lunch was brought by the students of Lustre and was grilled by Mr. Leland. The menu included hotdogs and hamburgers. In addition to the food brought by the students, the Lustre community graciously made sweet treats!

When the afternoon rolled around we went to the ball field in Fort Peck for a friendly game of softball.

Mr. Graybill pitched, and Mr. Leland was

the umpire.

The game had some interesting turns but in the end Mr. Marasco's team took the W! Overall, R&R day was filled with fun activities as well as wholesome worship.

Jaden runs for first base after a great hit, while Kaleb plays catcher.

“Put on the full armor of God so that you can take your stand against the devil’s schemes.” Ephesians 6:11

Summer Shenanigans By Sean Uy

This summer was a blistering hot, surprisingly short break for most people. We had one of the driest summer seasons in recent years, and it was a pretty mediocre summer overall.

Although there were many fun days filled with tubing and swimming at the lake, the dry weather stopped us from having campfires and lighting fireworks on Independence Day. Even still, LCHS students found ways to have fun and enjoy the rather

short summer break. This summer was still an eventful one, from travelling around the country to spending time at home with family. A majority of the Lustre students attended the Beacon Bible camp in late June, where numerous pastors from the state gathered to teach the kids, developing their relationships with Christ. Kaleb traveled to New York City and attended a wedding, seeing many tourist attractions along the way. Gabe was able to work a

few summer jobs in the area and hang out with his friends.

When asked about their favorite activities this summer, some said that their favorite thing they did was attend Beacon Bible Camp. Others said that opportunities to make money for themselves were their favorite thing about the summer.

With their sights set on what this new year holds, it looks like the students are all looking forward to their sports seasons

and spending time with their friends.

We look forward to all of the surprises that the 2021-22 school year has in store for us, and we are so excited to watch the school grow and change under the guidance of God.

Welcome the Man from the Great State of Kansas

By Arun Ramnarace

Recently the dorm committee hired, as a residential assistant (RA,) Jon Choitz. In an exclusive interview with Mr. Jon, I learned that he is from Derby, Kansas. When I asked what brought him to Lustre, he informed me that after graduating from Frontier School of the Bible, he was looking for a ministry. He found out about Lustre Christian High School from one of his teachers.

When I asked him what he enjoyed doing, he said shooting sports such as 3 gun (a sport where you use three guns and shoot different targets) and clay pigeon shooting. His favorite verse is Solomon 37: 3-6.

³Trust in the LORD and do good; dwell in the land and enjoy safe pasture.

⁴Take delight in the LORD, and he will give you the de-

sires of your heart.

⁵Commit your way to the LORD; trust in him and he will do this:

⁶He will make your righteous

reward shine like the dawn, your vindication like the non-day sun.

When I asked him what was different about Lustre than where he grew up, he said that there are fewer trees here than in Derby and the dirt roads are wider. I enjoyed getting to know Mr. Jon. If you see him around, say, "Hi."

(Cattell continued from page 1)

tre Christian High School because he felt a calling from God to do so.

I decided to get personal with these following few questions to get to know Mr. Cattell on a deeper level. The first of these questions was, "What impact do you see yourself having on this school?" He

seemed to reply to this question almost immediately and told me his number one goal was consistency. He is a firm believer that consistency in every aspect will make the school a better place.

My final question of the interview was, "How important are student relationships to you, and if important, why?" I was pleased to hear him say that

student relationships were significant to him. He said that God made us social creatures, and that's what he intends to be. The steps he told me he takes to build relationships are listening, honesty, and transparency.

It was a joy to get to interview Mr. Cattell. After getting to know him better I believe he will be a great fit for us here

in Lustre. A great school starts with a great principal. We are thankful to have him here. Be sure to introduce yourself if you have not met him yet!

“Fresh” New Faces By Kaleb Hoversland

Lustre Christian High School has welcomed a relatively large number of new students to start the upcoming 2021-22 school year. Among these new faces is freshman Mason Hilkemann. Mason grew up near Wolf Point and had been going to school at Lustre since kindergarten, so he is already quite familiar among and with most of the students at LCHS.

Some of his hobbies include reading a good book and playing basketball. Mason is a rarity among students when it comes to his favorite classes. Instead of defaulting to the usual answer of Study Hall or P.E., Mason’s favorite class is Algebra 1 with Mr. Marasco.

When asked about his first impressions of high school, he stated, “High school is definitely going to be harder, but it has already been more

fun than I expected.” The aspects of high school that Mason is most excited about are the sports seasons. He is especially excited about basketball and track. Mason is least excited about taking Computer 1. Regardless, he is quite excited to get this new year started, and the rest of the school is happy to have him here with us!
