Faith Through Hardship: A Chapel by Arun Ramnarace

By Sean Uy

On Thursday, October 28th, Arun Ramnarace presented the LCHS students with his senior chapel. He opened with the question, "What do we all have in common?" Some students answered with things like "we are sinful" or "we were all created by God," but Arun told us that the answer he was looking for was that we are all young.

Arun went on to speak about people trying to protect us from suffering

because of our youth, and how unfortunately, suffering is inevitable for all of us. Arun then spoke about parts of his testimony that included times where he suffered. He told us the story of his friends named Richard and Chadd, whom he was baptized with when he lived in Wisconsin. Sadly, Richard took his life after a season of depression and hardship. During this difficult time,

Arun told us how he ran away from God and struggled to keep his faith in Him strong. He reminded us that God remains faithful to His people regardless of what may come their way. After a difficult season of running and straying from his faith, Arun returned to Christ and got back into the Word thanks to a camp director named Eric

Another year means another basketball season for LCHS! The 2021 girls' and boys' basketball season will start up this winter, and the teams have a great season ahead of them. The Lions are coached by Randy Reddig and Justyn Klatt. The team managers are Cam Reddig, Prestyn Klatt, and Joel Reddig. For the Lady Lions, Bill Reddig is the Head Coach again this year, and Sadie

Brown will serve as Assistant Coach. The managers are Hannah Brown, Sidney Klatt, and Lauryn Holzrichter.

The first day of practice is on Thursday, November 18. Both teams will play their first games in Glasgow at the Glasgow Invite on December 3 and 4. The following weekend the teams will play in Wolf Point at the Wolf Point Invite on De-

cember 10 and 11. Whether one is a returning player or a newcomer, a Lion or a Lady Lion, the Lustre Lions have a tradition of work

More Changes for LCHS

By Arun Ramnarace

This fall, the LCHS track program received a much-needed improvement to their facilities. A crew consisting of Dawson, Diek, and Hadden Olfert, Gabe Alves, Nathan Fast, Kolden Hoversland, and Mike Hilkemann poured a new concrete pad for the high jump ar-

ea and a concrete strip for the run-up for javelin. These new additions for the two field events add a renovated touch to the track field. According to coach Lynn Unrau, these improvements were made possible by the LCHS foundation. This will help our team be

even more competitive at the district and state meets this year.

Javelin run-up

Last year, several of our athletes qualified for the divisional meet, with Jasiah Hambira making it to State and taking the title of Class C State Champion in the high jump. The track team encourages all students to participate. Since there are several events to choose from, there is something for everyone! High jump, long jump, triple jump, javelin, shot put, and discus are the field events, and the running events consist of long distances, short dis-

tances, and relays. Let's go, Lions!

Thanks to Dawson and the LCHS foundation for making this possible. A big shout out to those who helped them. Let strive for a good year Lions!

High jump pad

A Touching Testimony

By Kaleb Hoversland

On Friday, November 5th, Sarah Hornbuckle spoke at Lustre Christian High School. Sarah runs a non-profit organization in Denver, Colorado, that deals with helping addicts and alcoholics recover.

For her chapel, Mrs. Hornbuckle told the students of LCHS some of her testimony. She talked about how she went to a private school too, and she could relate to the students' situation at LCHS. She then went on to talk about the trials and tribulations she faced later in life. She

has been married and divorced twice, with one being an abusive relationship. She said she always felt compelled to "help" people in a sense, thinking, "I can fix them." After failing at this multiple times, Sarah found herself broken. To cope with the trauma she had experienced, she turned to drugs and alcohol to numb the pain. She blamed God for how others had treated her.

Mrs. Hornbuckle then went on to say, "One of the biggest contributors to a miserable life is blaming God for what humans do

out of their own free will." Sarah realized that God didn't do those awful things to her, but people did. Through all of this, Sarah also learned that it is not her job to fix people, but God's job. After suffering for longer than she could bear, Sarah called out the prayer, "God, help me. Amen."

With this simple prayer, Sarah's life was turned around as she started seeing God more and more in her life. Mrs. Hornbuckle is now happily married and loves life serving God. It was

inspirational to hear her story of victory over depression.

"Put on the full armor of God so that you can take your stand against the devil's schemes." Ephesians 6:11

Welcome to LCHS!

Get to Know Clay Reddig! By Kolden Hoversland

Clay Reddig is a new face at Lustre Christian High school this year. He previously attended LGS for his K-8th grade years and decided to continue his education here at LCHS. Clay played high school basketball as an eighth-grader last year and earned a spot on the LCHS varsity team.

Clay's hobbies include listening to music, watching professional sports, hanging out with friends, and playing basketball. His favorite NBA

player is Shai Gilgeous-Alexander, who plays for the Oklahoma City Thunder. Clay's favorite

foods include chicken nuggets, hamburgers, and pizza. After school, he usually spends time in the gym and then heads home to hang out with family and friends or do homework and relax.

At the beginning of the year Clay told me that he was a little nervous for high school, but as we are about a quarter and some into school, you can tell he fits right in. Clay's favorite class is PE. We are very thankful to have Clay in

the high school this year. He adds some good humor and a very friendly presence to the LCHS student body. If you see Clay around, be sure to say hello, even though he is no stranger to the Lustre community!

Byron's Lustre Adventure By Rebekah Jossart

Byron Ewing is a new dorm student attending Lustre High School as a freshman. He traveled all here from Turks and Caicos, which is an island in the Caribbean. I asked Byron why he came to Lustre, and he replied, "I came because I heard it was a good school." He said that he likes how welcoming the community is.

Although Byron has only been staying in Lustre for a little over a month, he has made some good

memories. He explained that his favorite memory here was the trip that the dorm boys took to Big Sky. He described it as a lot of fun and that, "it was a great bonding experience with the guys."

When I asked Byron what his favorite subject was, he stated that he loves science. Byron's favorite color is green, and some of his hobbies include being on his phone and playing Fortnite, one of his favorite

games. Byron also told me that his favorite Bible verse is Psalm 5:7, which says, "Cast all

your anxiety on him because he cares for you." This Bible verse represents how God will always comfort you in times of need.

Byron is a great addition to the Lustre community, so make sure to stop by and say hi when you see him around!

Volleyball Season Concludes By Sally Arai

On October 18th, the Lady Lions traveled to Bainville for a district tournament play-in game. Unfortunately, the game did not go the way we all hoped, so the Lady Lions'

Jaden, Aubri, Rebekah, Sarah, and Alexa show their excitement after a great play.

volleyball season came to an end. I asked Coach Madison Neufeld to comment on the highlights of this season and what the goal is for the next season. Coach Neufeld said,

"This season went really well. The girls individually improved their skills from last year to this year and even grew over the course of the season. That's been one of the most fun parts about coaching; seeing their

growth. I think we are still in a building phase, but if we can keep the commitment and passion for volleyball, I think the girls will excel in the years to come. I feel very blessed to have had the opportunity to coach this team. I can't wait to see what the future holds for

Aubri tracking the ball for the set.

them."

The Lady Lions fought very hard all season. Although they lost most of the games throughout this season, the girls got so much better as the practices and games went on. The Lady Lions put on a real show for all the fans, and the community showed a lot of support. LCHS appreciates all the fans and community members who supported the Lady Lions this year, and we know that the next season will be even better!

(Arun continued from page 1)

Herb. Through reading the book of Job in the Bible, Arun realized that there is a reason and a reward for our suffering. Arun told us that not once did Job deny or curse God, and after enduring his trials and tribulations, Job was rewarded greatly for his strong faith in the Lord. Like Job, you and I have the strength and the ability to remain faithful and strong during our seasons of suffering, instead of turning our backs on God.

To close, Arun gave us some Scripture and some advice pertaining to faith in suffering. According to Hebrews 11:1, faith is the confidence in what we hope for and assurance about things we cannot see. In Romans 5:3-5, Paul tells us that suffering produces perseverance, perseverance produces character, and character produces hope. Using this verse in Romans, Arun also reminded us of the love of God that has been given to us through the Holy

Spirit. Arun closed with these reminders: "don't let your Bible collect dust," "not all suffering is bad," and "suffering for God is the best thing one can find joy in." We were very blessed to hear this message that God gave Arun, and we can't wait for the rest of the seniors of 2022 to give their very own chapels. Stay on the lookout for more in the future!

(Bball continued from page 1)

ing hard, learning valuable lessons and skills, and having fun. I'm sure that every player will practice and play their hardest to ensure that it will be an exciting season! Let's hope that the boys and girls make it to Districts, Divisionals, and even State! Let's go, Lions and Lady Lions!

"Put on the full armor of God so that you can take your stand against the devil's schemes." Ephesians 6:11
