

# Lustre Links 2021

## Alumni/Booster Club Committee

*President: Randy Reddig (00)*

*Vice President: Austin Neufeld (14)*

*Secretary/Treasurer: Jean Schmidt (67) Toews*

*Asst. Secretary/Treasurer: Gretchen Wall (95) Schiller*

**From the President:** Hello from Lustre! As unbelievable as it seems, the end of 2021 is quickly approaching. There has been a lot of things happening here at Lustre Christian in the last year, and we have some exciting things coming in 2022 as well! God continues to provide for the school in amazing ways and we thank Him for the opportunities we have to be involved in students' lives. He is faithful always!

I will start with the exciting news about 2022. Believe it or not it is time for another LBA/LCHS All-School Reunion. Please save the dates of July 1-3 so we can get everybody together, reconnect, and tell better stories than we did 10 years ago. We will have more info to come and hope to use the website and social media to help people get registered as the date gets closer. Expect to start on the evening of Friday, July 1, with registration and a meal to share. We will conclude on Sunday afternoon. Please make every effort to come. We would love to see you whether you are a former student, former staff, or even just a regular supporter of Lustre Christian.

2021 was a difficult year here for the farmers and ranchers. This year was a top 2 or 3 drought on record. It was tough to see the crops and grass green up, only to wither up and die, due to lack of rain and unrelenting heat. In spite of this, God has continued to provide for the school and bring more students to the school. Thankfully as a result our numbers are higher than they have been in recent years.

The Alumni Booster Club was able to be involved in several projects to help improve the experience for our students. The board decided to tackle a very large job this summer and remodeled the school kitchen and replaced the old tile flooring. Just another reason to come next summer and see the many changes around LCHS. Many hours of labor were donated by the community. The Alumni Booster Club contributed \$3,500 to help purchase brand new kitchen appliances for the kitchen. The second project we were able to be involved in was the high jump pit for our track team. We provided \$2,500 to go towards the purchase of this equipment. We also contributed \$300 to purchase supplies for another trophy case, and another \$200 to help purchase new shorts for the volleyball team. We are very grateful to be able to provide these funds for our current student body.

We also have been working recently with Reynolds Market in getting a rewards program set up for the high school. It is called the "Friends of Reynolds" program and will raise funds for your nonprofit organization of choice. That means when you buy your groceries at Reynolds you will be contributing to the Alumni Booster Club at the same time, win-win! Please see inside this Links for further detail. If you have any questions, please contact us.

As we look forward to Thanksgiving and then Christmas, I hope you will be able to gather with those you love and celebrate our Savior's birth and the many blessings He gives us all! Again, thank you for partnering with the Alumni Booster Club to continue to improve LCHS.

Sincerely,

Randy Reddig (00)

---

## 2021 Sports Highlights

---

**Kolden Hoversland** was named All-State Class C Basketball Team as a junior.

**Alexa Reddig** was named All-State Class C Basketball Team as a freshman.

**Jasiah Hambira** placed first in high jump at the Class C State Track Meet. He cleared 6'3". He is a junior this year at LCHS.

---

Thank you to everyone who is using Amazon Smile to support LCHS!

**From the Principal:** The beginning of the 2021-2022 school year ushered in some new faces. Not only with our incoming freshman, our new dorm students, LCHS also welcomed its newest full-time administrator, Ric Cattell, and a new Guidance Counselor, Debby Cattell. We are both very excited and grateful to join the Lustre family.

Our verse of the year is from Ephesians 6:11 (NIV), "Put on the full armor of God, so that you can take your stand against the devil's schemes." What better, more appropriate verse could encapsulate the needed protection we need this year? We need all the armor God can provide us, from the political turmoil to the aftereffects of a pandemic.

With the easing of some travel restrictions, our dorm student enrollment is increasing. At this writing, we have 32 students enrolled with possible additions by the second semester. Debby and I have had the honor of hosting the dorm students on two Monday evenings, and if you are in the area, I strongly encourage you to reach out to the Dorm committee and request a Monday. It is worth the time getting to know these students.

Our curriculum has been updated in our Health class and our Economics class. Our Health curriculum is from the Association of Christian Schools International's Purposeful Design Publications. The Economics curriculum comes from the Bob Jones University and is being supplemented with a six-week course offering from the Ron Blue Institute, courtesy of the MB Foundation. Our heartfelt gratitude to Jon C. Wiebe, the president of the MB Foundation, for his generosity.

The chapel times have been enlightening with speakers from the community and two of our seniors, who gave chapel service early in the first semester. Their messages were very personal and encouraging to both our students and our staff. There are still a few spots left for the middle of the second semester if you feel called. I encourage you to reach out to the school if you are called to do so.

This year looks to be an excellent year for both students and staff. We have a Twitter account, check us out @LustreHigh, and we also have a new Instagram account: lustrechristianhigh.

Thank you for your continued support and interest in your school. We'd love to hear from you or even see you, so please visit when you can!

Yours in Christ,

Ric Cattell

# In Loving Memory

**LaVern Heinrichs (54)** passed away August 6, 2019, in Spanaway, Washington. He leaves behind his wife Barb, two daughters, a son and 4 grandchildren. He founded Heinrich Trucking.

## FOUNDATION BOARD

KEITH UNGER (71)

GRANT ZERBE (77)

WILBUR UNRAU (68)

The LCHS Foundation held its 100 Club Annual Heritage Dinner at LCHS on Monday, November 1, 2021. 52 guests enjoyed a roast beef dinner catered by the Lustre MB WMS.

Keith Unger, President of the Foundation, gave a brief report listing some of the projects at LCHS that were funded by the annual grant. The amount given this May was \$48,016 which was used for curriculum materials, athletic and classroom equipment, technology and a variety of other projects in the school building, apartments, dorm and gym. To date the foundation has given nearly \$750,000 in grants since the beginning in 1998. The endowment fund balances are now nearly \$1.2 million and next year's grant will be \$53,000.

Andy Shewey, representing MB Foundation, was present to report on their work in managing the LCHS Foundation endowment funds that are invested with them.

The featured speaker of the evening was Duane Kurokawa, President of Opportunity Bank of Wolf Point- formerly Western Bank. He spoke about his life and career in banking and told some entertaining stories of his experiences over the years. He also shared some interesting comments about current issues in banking and government.

The 100 Club is open to all LCHS supporters who give \$100 or more to the Foundation.

## *With This Ring...*

**Wes Traeholt (90)** and Stacey DeWitt were married Aug 8, 2020, in an outdoor wedding at Don & Eileen's Baerg (65) Traeholt's yard. Wes works for Eddie Bauer Sales in Wolf Point and they live in Lustre.
