The TUMBLEWEED

Mike's Message By Kolden Hoversland

On Thursday, the 24th of February, Pastor Mike Hammerly of the Scobey Assembly of God Church shared at chapel with the LCHS students. Pastor Hammerly spoke on various topics ranging from loving who you are, opening our hearts to God, and trusting God for direction in our lives. Psalm 139 was the passage that Pastor Mike was referencing during his chapel. Verses 1-6 talk about God always knowing our circumstanc-

es in life. Verse 139:2 says, "You know when I

sit and when I rise; you perceive my thoughts from afar." This verse brings light to God's almighty knowledge and that He is always with us. Verses 139:13-14 state, "For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are wonderful; I know that full well." We see in this verse how intricately we are made from God's

crafty hand. We are made fearfully and wonderfully in his image, giving us a reason to love one another. Finally, verse 139:24 says, "See if there is any offensive way in me, and lead me in the way everlasting." God is our provider, and He lights the path for us in life. We are very thankful that we had the opportunity to listen to Pastor Hammerly's message and hope to see him return to LCHS sometime soon!

Lent is this month. It is based on when Jesus was in the desert and talking to God when Satan came and tested him. It is considered a time for giving something up. For instance, I gave up eating past a particular time. The English word *Lent* is shortened from the old English word *lencten*, meaning spring season (dictionary.com).

Various Christian denominations calculate the 40 days of Lent differently depending on how the date of Easter is determined and on which days Lent is understood, to begin and end, on whether all the days of Lent are counted consecutively. In Western Churches, Lent begins on Ash Wednesday and ends approximately six weeks later; depending on

the Christian denomination and local custom, Lent concludes either on the evening of Maundy

Divisional Disappointment By Kaleb Hoversland

This last week the Lustre Lions traveled to Sidney to play in the Eastern C divisional tournament. The Lions started against Bainville, a team they had already faced twice this season. Both teams came out hot, going shot for shot. The game stayed close and eventually went into overtime. However, the Lions held off the Bulldogs and pulled off the victory, 71-59. Then it was on to the #2 ranked team in the state, the Froid-Lake Redhawks. This highly anticipated match-up lived up to expectations as it was a tough battle

all game. The Lions trailed the Redhawks by three going into halftime. Due to foul trouble, the Lions had a tough second half. They were able to keep it within 3 points after the third quarter. The Redhawks were able to pull away after two Li-

ons' starters fouled out. The Lions lost by a score of 46-32.

The Lions played in a revenge, loser-out game against the Scobey Spartans on Friday morning. Before the match against Froid-Lake, the Spartans had handed the Lions

their only loss of the season, coming in the District Championship game. The intensity could be felt between the two teams as the game got underway. The Lions came out cold, unable to get into a rhythm offensively. Due to some hot shooting, the Spartans were able to jump out to a 16-point lead. However, the Lions cut it to a ten-point lead at halftime. In the second half, Lustre finally came out hot. The Lions stormed back, closed the gap quickly, headed into the fourth quarter, and tied the score up. Lustre

Track and Field Underway By Sean Uy

On Monday, March 14th, the Lions' Track & Field season began as the Basketball season came to a close. With many new members going out for the sport this year, the Lions head coach Lynn Unrau is optimistic for the coming season. This year, the Lions track team is mainly composed of underclassmen, as the only upperclassmen returning from last year are Jasiah Hambira, Sean Uy, Arun Ramnarace, and Rebekah Gonzalez. Because many of the

competitors from last year's team made Divi-

sional appearances, coaches Lynn Unrau, Brooke Holzrichter, and Becca Reddig have high hopes for the potential of our team. With new faces like Braden and Byron Ewing joining as prospective throwers, and Elijah Lenihan returning after a year off to compete in the high jump, there is a lot of potential success in this boys lineup. As for the girls, newer freshmen and sophomores join the team's ranks.

Overall, both boys' and girls' teams show signs of a successful season, even though most of the members are new. With the first meet on April 1st in Glasgow, the Lions are on their way to their first taste of competition. Hopefully, this year can be a year of growth and success for both old and new team members.

Evie O. Day By Rebekah Jossart

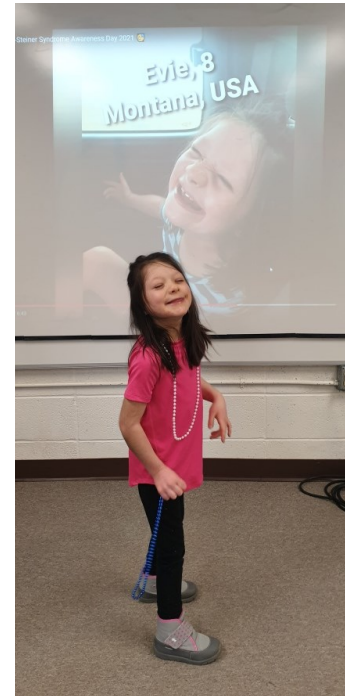

Rare Disease Day falls on the last day of February, and in honor of this day, we celebrated a young girl named Evie who attends Lustre Grade School. Evie Olfert is a very kind and adorable 8-year-old girl born with a rare genetic disorder called Wiedemann-Steiner syndrome. A mutation of the 11th chromosome causes this syndrome, and only about 1000 people in the world have this syndrome.

Evie's parents, Dawson and Alicia Olfert do a fan-

tastic job caring for their daughter. She loves her dog Jake, other puppies, kittens, and all things soft and cuddly. Evie also enjoys watching *Frozen* and *Peppa Pig* and is a huge fan of listening to music and dancing. Evie also has three brothers and one sister, and they look out for Evie as well.

She is very open-hearted and is a social butterfly! Evie communicates through words, gestures, facial expressions, and body language and loves saying "Hi" and giving

hugs to the people she loves most when she passes them by in the halls or at lunch! Evie is constantly learning new words. The high schoolers look forward to seeing her at lunchtime because she always brings a smile to their faces.

What is Daylight Savings Time? By Sally Arai

This year, daylight savings time began Sunday, March 13, at 2 am. We lost an hour of sleep that day, as the day is only twenty-three hours long. That one hour of daylight is shifted from morning to evening as daylight savings time begins. We don't go back to standard time until November 6. To understand why daylight savings time was adopted, we will briefly look at its history. Daylight savings time was created since saving time conserves energy. When the sun sets later, it's presumed that people will stay out longer and spend more time outside. That also leads to less electricity used for lights

and appliances. Daylight savings time became a national standard in the U.S. in 1966. In 2007, the federal government expanded daylight savings time to reduce energy consumption further. The United States and more than 70 other countries observe daylight savings time. Daylight savings time has good benefits, but also some things affect us. According to the National Sleep Federation, people sleep about forty minutes less on average on the night after the switch over to daylight saving time. The best way to make up for that time is to prepare yourself during the week before. I hope you didn't

forget to change your clocks!

Thursday or at sundown on Holy Saturday, when the Easter Vigil is celebrated. Sundays may or may not be excluded, depending on the denomination. In Eastern Churches (Eastern Orthodox, Eastern Lutheran, or Eastern Catholic), Lent is observed continuously without interruption for 40 days, starting on Clean Monday and ending on Lazarus Saturday before Holy Week.

was able to pull away and maintain their lead, as they eliminated the Spartans and advanced to the consolation game later that day.

After a brief rest, the boys were on the court again later that night for the consolation game. They were facing off against Bainville again. This time the Lions started strong. A full-court buzzer-beater by starting guard Kolden Hoversland set the tone for the Lions after the first quarter. They continued to maintain a steady lead and defeated the Bulldogs once again.

Finally, the boys faced off against the Fairview Warriors, who had lost the championship the night before, for the challenge game. This game was intense from start to finish, as neither team could gain a sizeable lead. The Lions battled hard and gave it their all but could not finish the job, losing by 1 point in overtime. This put an end to the Lions' season. While it did not go as expected, the boys still gave it everything they had. A special thanks to all of the fans who supported the teams so enthusiastically this year. Thank you all!

SCHMECKFEST BAKE SALE

We are excited to announce that we will be having an in person Schmeckfest on March 25, 2022.

Food Drop Off Starts at 3:30 pm and the Serving Line is open from 5-7 pm. Auction items will be on display Friday night, there will be a live auction and an online auction – online ending Saturday March 26th at 7 pm, more details to come. Thank you for your continued support of Lustre Christian High School. Curt & Lisa Neufeld, Bill & Trisha Reddig, Bob & Yvonne Brown, and Mike & Laura Forest.

SCHMECKFEST WILL BE MARCH 25TH AT LUSTRE CHRISTIAN HIGH SCHOOL.

These instructions are in the blue booklet. . .

~Due to the chance of food-borne illnesses, the county sanitarian recommends that whenever possible, prepare food in church or school kitchens. **Wash your hands** frequently with soap and hot water while preparing food. Home canned green beans are not allowed for green bean soup.

~Please bring your **soup** in a HOT crock pot. Do not bring soup in glass jars. Chicken noodle soup should have ¼ inch noodles (Kluski brand from Reynold's is pretty close to homemade!)

~Please see your Schmeckfest recipe book for instructions on cooking **verenika**.

~**Sauerkraut** should be in a roaster. Do NOT use aluminum foil. Three #10 cans are needed per recipe. This will be purchased and available at the churches.

~**Cherries** are at the churches.

~Foam trays and plastic bags are available at the churches or by request. Use the trays particularly for the more fragile **perishke** and frozen **verenika**. If you bake more than one day in advance, please freeze immediately and thaw baked goods before re-packaging in plastic.

~Package by the dozen: **zwiebach**, **rull kuchen**, **perishke**, and **New Year's cookies** (no sugar on these). **Peppernuts** are to be packaged in four-cup amounts.

Food Tips:

- ♦ Please wrap hot foods in newspapers, then wrapped in blankets or towels, etc
- ♦ **Label** on the outside what food it is and the amount.
- ♦ Please **label all** your containers (crock pots, roasters (especially lids & liners too), blankets, towels, etc.) in order to find your items after Schmeckfest.
- ♦ Please bring food for the serving line to the WEST door and bake sale items to the WEST DOUBLE GYM doors from **3:30-4:00 P.M.** An LCHS student will meet you to carry in food.
- ♦ **Moos** needs to be packed in a cooler with ice. A one-gallon drink pitcher works well.

Other Info:

- ♦ Tickets are sold at the south door and **everyone** except LCHS students buys one.
- ♦ Serving Line opens for 2nd shift workers at 4:30.
- ♦ BABYSITTING IS FOR WORKERS ONLY AND ONLY DURING THEIR SHIFT!
- ♦ Please report to your work shift **ON TIME** (refer to your job slip for your assignment)

Saturday Clean-up:

Clean-up will begin at **9:00 A.M. Saturday, March 26**. There will be lunch provided following clean-up! You are welcome to help Friday night after Schmeckfest, also.

Thank you in advance for all your hard work Friday and Saturday. It takes everyone working together to make a successful Schmeckfest, and we appreciate your willingness to support the school!
