

## Lustre Christian High School

# The TUMBLEWEED

### A Look Into the Future

By Kolden Hoversland

The 2021-22 school year is almost over. The year has been full of hard work, fun times, and character growth for every student. The seniors are set for departure on May 15, as their graduation will be held that Sunday. Each student has their path planned out for their immediate future. Kolden Hoversland is heading to Dawson Community College to pursue a degree in business. He

then plans on being a real estate agent and a real estate broker further down the road. Kaleb Hoversland is headed to Bozeman for college to earn a degree in business management. He then hopes to one day be a photographer. Rebekah Jossart will be working in a restaurant in Milwaukee and

plans to go to culinary school. Sean Uy Arun Ramna is heading to Texas to attend Abilene Christian University, where he will pursue a degree in Wildlife Resources and Management. The seniors have a lot ahead of themselves, but Lustre has prepared each of them for any battle life offers. When he finishes basic training, he will transfer to Fort Lee in Virginia for his AIT training.

### Goodbye, Hello

By Mr. Cattell

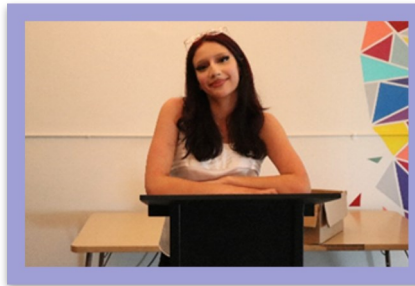

We close another school year, and we say goodbye to our seniors. A time of bittersweet emotion as we have watched these students grow throughout the years. We pray that indeed we have helped you, as our verse of the year states, fashion the "full armor of God so that you can take your stand against the devil's schemes" (Ephesians 6:11 [NIV]). Our juniors will now be seniors, taking their first steps into the last year of high school. They will need our support as the previous class did. Our sophomores have already started planning for next year's junior/senior banquet. They are ready to be leaders in their school. Our baby-faced freshmen have completed their fledgling year of high school and are prepared to move into the role of sophomores, eagerly waiting for the new class of freshmen, the class of 2026, to enter our hallowed halls. Regardless of where you are in your journey, know that you are well and truly loved by all. We will support you and guide you throughout your process. From myself and Mrs. Cattell, we wish you a restful summer and look forward to seeing you all in the fall (except for you seniors, we hope to see you when you come back to visit).

## Miss Jossart's Chapel By Arun Ramnarace

On Thursday, April 28, our very own Rebekah Jossart did her senior chapel. Rebekah spoke about having faith and hope in God during hard times. She opened with Psalm 147:11, which says, "the LORD delights in those who fear him, who put their hope in his unfailing love." She then shared her testimony which included examples of difficult things she's dealt with and how God has been faithful to her. A significant struggle she

experienced was living with her father for a year and a half during high school. This was a difficult time in her life, but at her lowest point, God helped her to realize that He was with her and that He was her only hope. Then she brought up Jeremiah 29:11, "'For I know the plans I have for you,' declares the Lord, 'plans to prosper you and not to harm you, plans to give you a hope and a future.'" Listening to Christian music on the radio was also a source of en-

couragement and support in walking with God. She said she dreamed of leaving her home and

coming to a new place. The next day her dad and stepmom announced that she was coming to Lustre Christian High

School. This got her excited. Rebekah concluded that through all of her struggles, God kept reminding her to keep her eyes on Him and not on the storm because He was protecting her. We all enjoyed Rebekah's chapel, and we hope you enjoyed the last of the senior chapels. Thanks for all the support you have given to the seniors this year.

## A Sound of Music! By Sally Arai

On May 4<sup>th</sup>, 2022, Lustre Christian High School had its Spring Concert at the Lustre EMB Church. The LCHS Choir performed *American Lullaby* by Gladys Rich, *Shout Joyfully* by Earlene Rentz, *Whom Shall I Fear?* by Cindy Berry, and *Scarborough Fair* arranged by Jay Alt-house. The participants in the choir included Arun Ramnarace, Rebekah Jossart, Rachel Pew, Hannah Marasco, and Anna Teichroew. After the choir was done singing, Micheal Butler, the choir director, introduced the Festival Entries. The

first entry was *Amazing Grace*, a traditional melody sung by Rachel Pew and Anna Teichroew. Next was a piano solo by Arun Ramnarace. Abby Olfert performed a trumpet solo, Rebekah Jossart played the violin, Mason Hilkemann performed a solo on the alto saxophone, Hannah Marasco played piano and then sang a song, and Kaleb, Kolden, Abby, and Grace wrapped it up with a performance of *Low Rider* by Paul Clark. Hannah Marasco, Anna Teichroew, Rachel Pew, and Mason Hilkemann qualified for the State

Music Festival in Billings. With the individuals' performances completed, everyone focused their attention on the LCHS band that consisted of three trumpets played by Grace Brown, Kolden Hoversland, and Abby Olfert, two alto saxophones played by Mason Hilkemann and Courteney Teichroew, and percussion played by Kaleb Hoversland. The band played four songs that were *Lean on Me*, arranged by Robert Longfield, *Funeral March of a Marionette* by Charles Ground, *Waltz from Sleeping Beauty* by P.I.

Tchaikovsky, and *Pirates of the Caribbean* by Michael Sweeney.

Mr. Butler thanked everyone for coming and gave a special thanks to the EMB Church for the use of the facilities and staff for their help and support. A big thanks also went out to the parents for all the encouragement they give their students to practice and work hard. We hope everyone has a wonderful summer!

**"Put on the full armor of God so that you can take your stand against the devil's schemes." Ephesians 6:11**

## On a Fast Track to Success By Rebekah Jossart

This year's track season has flown by! It all started at the first track meet, which was a Glasgow Invite on April 1<sup>st</sup>. Since

Meredith, Cassidy, Rebekah, Alexa, and Sarah having some fun while they wait for their next event.

Glendive. Our talented throwers, runners, and jumpers have been working incredibly hard over the past month, and there have been a number of accomplishments during this track season. A fellow member of the track team, Jasiyah Hambira, qualified for state in his first track meet and broke a school record in triple jump with a dis-

tance of 44'3"! He also placed first in the 400 m race with a time of 55.49 seconds. Elijah Lenihan placed 4th in high jump, jumping 5'6". At the Whitewater/Saco Invite Cayden Klatt placed 2nd in the 2-mile with a time of 12:20. Braden Ewing earned 4th place in the 200 m dash with a time of 24.42 s. In Glasgow, at the Jean Dreikosen meet, the lady lions' 4x100 m relay team consisting of Alexa, Rebekah, Sarah, and Meredith placed 3rd with a time of 1:06. Our Lustre Lions have faced so much this season from long hard

practices to freezing cold meets. We are incredibly proud of them and all that they have accomplished this season. The season isn't over yet, so there's still more time for these Lions to break some more school records! We hope to see more Lustre fans in the stands as our track season comes to an end. Districts will be this Saturday, May 14 in Glasgow, and Divisionals will be Thursday, May 19 in Glasgow. We invite you to come down to see just how incredible our athletes are!

then, the LCHS Lions have also competed at meets in Lambert, White-water, Wolf Point, and

## Privilege of Prayer By Kaleb Hoversland

Last Thursday, May 5<sup>th</sup>, was the National Day of Prayer in the U.S. A day on which the people of America come together, whether in churches, small groups, or individually, to pray for the state of our country. This year, LCHS had the chance to observe this federally recognized day. During the chapel period, students broke up into groups of 4, with a teacher in each group. Each group would pray about a particular topic that the teacher was tasked with

leading. These prayer topics consisted of families, businesses, political leaders, the military, the arts and media, education, and the church. Each teacher was as-

signed a specific topic. After the groups prayed for a certain amount of time, the teachers would move to another group, bringing their prayer topic. This gave all the stu-

dents a chance to pray for all the issues discussed. We are fortunate to live in a place where open worship like this is federally

permitted and encouraged on this day. There are many places in the world where Christians must hide their faith from others to avoid persecution. National Day of Prayer is a great chance to pray for critical issues and a great reminder of the freedoms we so openly enjoy in America.

# Senior Star - Kolden Hoversland

## Kolden Lee Hoversland

**Birthdate:** May 28, 2003

**Favorite Verse:** Psalm 119:10

**Favorite Food:** Hamburger and Fries

**Favorite Drink:** Blue Gatorade

**Favorite Subject:** Creative Writing

**Favorite Movies/Books:** Elf

**Most Memorable School Moment:**  
Glendive Tournament last summer

## Advice to Underclassmen:

Enjoy the ride.

**Future Plans:** Attend Dawson Community College, earn a degree in business, and then become a real estate agent

Thank  
you ❤️

## A Big Thank You to the Lustre Community By Sean Uy

On behalf of the senior class of 2022, I would like to give the biggest thanks to the Lustre community and the families

that have supported and helped us get to where we are today. It means so much to us that you have stood by our side, supporting our fundraising efforts and donating money for our graduation and senior trip. Thank you for the support at basketball and volleyball games, for preparing food for us, for reading our Tumbleweed articles (even though some are bad at times), and being so involved in our events. Thank you for opening your homes to us when we needed a place to stay and giving us advice and wisdom when we needed it. Thank you for helping us spiritually and physically through each of our own lives. Our gratitude doesn't only go out for the ways you have helped our class, but for the ways, you have helped our school as a

whole. We want to thank the LCHS faculty and the board members, and their wives for the work you guys put in to keep our school running. Lustre is a bright light in this world, and we hope to see it continue to grow and prosper in future years. Your unending support for our class over the years has not gone unnoticed. Thank you so much for the work you guys continue to put in!
