## Opening Program By Sally Arai

This year, the opening program is back. The students and teachers of LCHS and the community gathered at the gym on Sunday, August 29. The program started with the opening prayer by Pastor Frank Lenihan. We sang the opening song, "I will Call upon the Lord." Next, we had two testimonies from new staff members this year. Mr. Matthyser is from South Africa and teaches Information Tech and LCHS publications at high school. Bernie and

Debbie Swartzendruber are from Michigan and are the new dorm parents this year. We welcomed them to this community and are thankful that God brought them here. The advisors of each class introduced the students this year. We are now near capacity and have way more students in the dorm. The

ceremony showcased the LCHS diversity in the community and was a motivational start to the new year.

As principal of LCHS, Mr.

Cattell chose our scripture for a new school year, Acts 2:21 "And everyone who

calls on the name of the Lord will be saved." This year, he hopes to see all students come to Christ and accept Him as their savior, especially the new non-Christian students.

I started my interview with some questions. My first question was, "what changes would you like to see in the students?" He answered that he would like to see every student be more courageous, such as becoming good Christian

leader and not be afraid of speaking the truth to their fellow students. This school year, for the volleyball season, basketball season, and track season, he would like to see us make state, improve our skills, and continue to grow in sportsmanship and faith in Christ. Other than this, Mr. Cattell is happy to serve the school and he will keep serving until God calls him to another place.

## New season new goals By Braden Ewing

The first week of September kicked off the Lustre lady lions Volleyball season. On Friday, September 2, the Lustre Lady Lions traveled to Glasgow HS, where they played their first regular-season games. Both JV and Varsity games were intense, but neither team came out with the win. The Lions

were down by quite a few points but quickly bounced back during the first set getting within two points, but sadly they could not convert it to a win. Alexa Reddig scored the first points, followed by Jaden Gibson, giving the girls the needed momentum to keep pushing. The girls would go on to

also lose the second set. In the third set, they went on a run against the Scotties, winning ?. The varsity girls won 1 out of 4 sets against Glasgow's JV girls. Many of the community came out in support of the girls at their first regular season game. Both teams' crowds were excited and showed lots of

support to their home teams. The Lustre Lady Lions showed excellent team effort and fought hard the entire game. The Lion's next matches will be in the upcoming edition. Proverbs 27:17, "Iron sharpens iron, and one man sharpens the face his neighbor".

## R and R Festivities By Elijah Lenihan

The school year has started once again, and LCHS just had its annual R & R Day. For most people, R & R stands for Rest & Relaxation, but for the high school, it stands for Recreation & Restora-

tion. This is precisely what they did on August 31<sup>st</sup>. The students and staff of Lustre Christian High School traveled to Fort Peck and played some games. Then, everyone sat at the picnic tables to worship our wonderful creator through songs and hear Pastor Frank speak on friendship. "How good and pleasant when God's people live together in harmony," Psalms 133:1. How amazing is it when everyone gets along right? Romans 12:10, "Be devoted to one another in love. Honor one another above yourselves." This ought to be what we all

strive for as we start this new school year. After listening to Pastor Frank (a.k.a dad), everyone ate some hotdogs and hamburgers, along with many delicious desserts! The students then continued their basketball and volleyball games at the park until everyone packed up to play some softball.

Everyone got to participate and put in their best effort to win. It was a close game to the end, with the final score at 2-1. This was a fresh start to a school year with many new faces. Thank you to everyone willing to spend their time and resources making this day work for us! God Bless!

## Getting to know the new Dorm Parents By Gabe Alves

This year we have been blessed with new dorm parents! Bernie and Deb Swartzendruber. Both of them have been great and very helpful in the dorm. Bernie is a fantastic man who ensures we hear about Jesus everyday at Supper. Bernie has been enjoying the harvest and the wheat fields. According to Bernie, his goal for the dorm this year is for all of the kids in the dorm to make a dramatic and substantial gain in their walk with Christ and that for the basketball team to be state champions. Also, Bernie felt like it was the Lords calling for him and his wife Deb to come

down here to be dorm parents. Before coming here, Bernie and Deb lived in Lapeer, Michigan. When talking to Bernie, he had said that his favorite thing to do on his free time is either read a book or talk to people. Deb Swartzendruber has been a very kind, loving dorm mom, always wondering how everybody is doing and making sure there are snacks in the gathering room. Deb said that she has enjoyed the friendly people and the dorm kids since she got here. Deb has a very special goal this year for the dorm kids and that is to help the dorm

kids grow in all aspects of their life including physically, mentally, socially, spiritually, and emotionally. When asking Deb what made her accept coming here and becoming dorm parents, she said, "we always wanted a large family and here we are". Lastly, Debs favorite thing to do on her free time is to visit with friends.

## What does the Bible say about new beginnings

What does the Bible say about new beginnings? New beginnings can be from a range of contexts; entering a new year, starting a new job, moving to a new city, or beginning a new relationship. A new beginning could also be entering a new phase of life with an updated outlook or belief, like becoming a Christian! Below we find some scriptures on new beginnings

### Isalah 40:31

but those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary; they will walk and not be faint.

### Joshua 1:9

"Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the LORD your God will be with you wherever you go."

Verse for the year. Acts 2:21

## Getting to Know Gabe Sapp By Bryan Chen

Gabe Sapp attended LCHS when he was a freshman, and this year, we are so thankful to see Gabe, as a junior, become part of the school again. Gabe grew up in Panama City, Florida. He loved to go to the beach back home and go kayaking. I asked

Gabe what his favorite class was this year, and besides the general answer of lunch and study hall, he enjoys the Bible class the most because he wants to get closer to God. Gabe's favorite Bible verse is from Romans 5:3-4 "Not only so, but we al-

so glory in our sufferings, because we know that suffering produces perseverance; perseverance, character; and character, hope." One of the things Gabe is most excited about is basketball season, and he told me that he would play well in the

game. Then I asked him what he likes to do in his spare time, besides playing basketball and watching TikTok, he also said he enjoys cooking food with friends and fishing. We are happy to have Gabe back in our school.
