President: Austin Neufeld (14)

Vice President: Michael Brown (17)

Secretary/Treasurer: Gretchen Wall (95) Schiller

Asst. Secretary/Treasurer: Jean Schmidt (67) Toews

From the President:

Greetings from Lustre, Montana! As hard as it is to believe, 2022 is coming to a close. It was a busy year with the All School Reunion in July as well as hosting the Jamboree Basketball Tournament. 2022 flew by and we cannot wait to see what God has in store for 2023. We are so thankful for Lustre Christian High School and the students that He continues to bless us with from all over the world.

The **2022 LBA/LCHS All School Reunion** was a success and we enjoyed seeing familiar faces. If you were unable to attend, here is a quick recap. Friday night we began with registration, a pulled pork meal (served 170), talent show, and fireworks. Saturday morning kicked off with the Lustre Dream Mile, track events, and a buffalo tour before brunch. Brunch (served 132) was followed by kid's activities (water balloons, bean bag toss, coloring, etc.) as well as a three-point contest and volleyball/dodgeball tournaments. The afternoon/evening was designated for class parties. Sunday consisted of breakfast (served 170), church service, and a ham dinner potluck (served 295). Thank you to all of those that came and made this reunion a success. Lastly, thank you to each and everyone that helped throughout the weekend during the reunion, we could not have done it without you.

2022 was again a difficult year here for the farmers and ranchers. According to the National Weather Service, Lustre and the surrounding areas fall under the "D3 – Extreme Drought" category. Despite this, God has continued to provide for the school and enrollment has increased.

The Alumni Booster Club has contributed financially to the following this year: chapel ceiling replacement fund, updating dorm flooring, and a sports record board. We look forward to helping with future projects at LCHS. **THANK YOU!!**

We are once again enrolled with the "Friends of Reynolds" program. It is a rewards program that raises funds for your nonprofit organization of choice. That means that when you buy your groceries at Reynolds you will be contributing to the Alumni Booster Club at the same time. Thank you to those that are using the program. If you have questions about this program, please feel free to contact us.

As we look forward to Thanksgiving and Christmas, I hope you will be able to gather with loved ones to celebrate our Savior's birth and all the many blessings He gives us all. Again, thank you for partnering with the Alumni Booster Club to continue to improve LCHS.

Sincerely,

Austin Neufeld (14)

The LCHS Foundation held its 100 Club Annual Heritage Dinner at LCHS on Monday, October 24, 2022. A catered meal of brisket and pulled pork was served to 78 guests.

The special guest speaker for the evening was Dr. Tito Matias, graduate and former teacher at LCHS. Dr. Matias came to LCHS as a young student from Chicago and graduated in 1984. After graduating from college Dr. Matias returned to teach at LCHS for 3 years before returning to the Chicago area where he has spent his career in various positions in education, most recently Chief Education Officer for the State of Illinois Board of Education. He gave an inspiring speech and expressed his gratitude to LCHS and the Lustre community for the investments they have made in his life.

LCHS Foundation granted over \$78,000 in 2022 which includes the yearly grant of \$53,307 and a special \$25,000 gift for the purchase of a van. To date over \$824,000 has been given to LCHS in regular yearly grants and an occasional special grant. Next May they will receive another \$56,000 as the 2023 yearly grant.

We are thankful to God for the steady growth of the Foundation endowment. As the endowment grows, the gifts to the school continue to increase. We are also grateful for the many supporters who believe in the ministry of LCHS and continue to invest in the future of Christian education in Lustre.

The 100 Club is open to all LCHS supporters who give \$100 or more to the Foundation:

Principal's Corner

What a difference a year makes. This past year we saw the retirement of our longtime English teacher Al Leland. Al had taught English here at Lustre for the last 25 years. Our music and computer teacher, Michael Butler, resign his position to be Youth Pastor. Mike and Anita Cronk, the dorm parents for the last five years, have moved closer to their family. Mr. Marasco is teaching Band, Bible, and Math. Debby Cattell, our guidance counselor, is teaching English and Choir. We have hired an English teacher but are still awaiting her visa to be granted, and are seeking History and Music teachers. Sarel Matthyser, is our IT guru and is teaching computer and a publications class. His wife Jeanne is teaching at Lustre Grade School, where their two sons attend.

Our verse this year is from Acts 2:21, "And it shall come to pass that everyone who calls upon the name of the Lord shall be saved." We call upon Jesus on a daily, sometimes hourly, basis. Near the beginning of the school year, one of our dorm students accepted Christ as his Savior and will be baptized in the following weeks. Praise the Lord!

We have new dorm parents, Bernie and Deb Swarzendruber. They have been a blessing to our students. Our dorm is busting at the seams with 23 students from all over. We have students from Japan, Taiwan, Uganda, Nigeria, Brazil, the Bahamas, Ethiopia, India, Haiti, Florida, Georgia, New York, and California. With this many dorm students, we needed to hire a cook for breakfast and dinner Monday through Friday. Torri Bell is our newest addition to the Lustre family, along with her daughter MacKenna.

We now offer a conditioning class for juniors and seniors, and in the second semester, the plan is to have Mr. Bernie teach woodworking, and Mr. Matthyser will offer computer coding.

Thank you for your continued support!

Yours in Christ,
Ric Cattell
