

Lustre Christian High School

The TUMBLEWEED

2022 Christmas Program by Bryan Chen

On the 8th of December 2022, we had an annual event – the Lustre Grade School and Lustre Christian High School Christmas program. This special event welcomed the community to enjoy the performances of both grade school and high school students who participate in the band or choir. Mr. Dubose was the show host, and he introduced the first act of the night – Polar Express, which was performed by grades 1 to 4. They did an excellent job in the play, and I am sure everyone enjoyed the show too. The next event was the junior high band. They performed a music piece named “When the Saints Go Marching In.” The high school band performed three music pieces – “Spirit Lake Overture,” “All is Well,” and “Christmas Suite.” Mr. Daniel Marasco directed both bands. He said he wanted to demonstrate a way to glorify God through music. All band members did a

marvelous job by performing and glorifying God through their talent. The next and last event was LCHS Choir, directed by Mrs. Deborah Cattell and accompanied by Mrs. Meredith Reddig. They sang seven songs, “Frosty the Snowman,” “I’ll Be Home for Christmas,” “Carol of the Bells,” “A Calypso Noel,” “Go Tell it on the Mountain,” and “Have yourself a Merry Little Christmas.” At the end of the program, they invited all the LCHS Alumni to join them up front to sing “Auld Lang Syne.” The program was a success; it reminded us of the true meaning of Christmas. We can clearly see the effort of those students who were willing to perform, and of course, they couldn’t have done it without the help of all the staff members. Hope you have a wonderful Christmas.

**“And everyone who calls
on the name of the Lord will be saved .” Acts 2:21**

Great win! By Alexander Chen

On Friday, 2nd of December, the basketball team s of LCHS played against Malta JV at Glasgow. We began the game very well, with Jasiah Hambira getting an alley-oop dunk from Elijah Lenihan, and we ended the 1st half at 26-9. After half time, we still tried to represent not just our community but the glory of God as well. We won the game with a score of 56-23. After the great win against Malta JV, we played against Wolf Point JV on Saturday in Glasgow. At the beginning of the

game, we didn't do well. Our defense was lazy and not getting any rebound s, so we ended the 1st half with the score at 28-13. After that, we started playing better and making shots, and finally, we won the game with a score of 78-35. With the first invite of the season, we got two great wins, and I know everyone is looking forward to the season. I hope we put in more work and make it an undefeated season.

Sports Physical By Sally Arai

It's been a month since basketball practice began. The Lions have been working very hard, and everything appears to be going well. The second basketball game of this season was held at Scobey from Friday, December 9th to Saturday 10th. The girls' and boys' team s faced off against the Fairview Warriors on Friday. The Lady Lions put up a good fight but unfortunately lost to the Lady Warriors. The boys started out slow but got the ball rolling quickly and defeated the Warriors with a final score of 48-42. The Lady Lions faced the Plentywood Wildcats with a much harder

challenge the next day. The game started out slow but got the ball rolling as the game went on. The Lady Lions kept trying to score and didn't give up to the end. The boys came out with great energy, and the game was intense the whole time. The offensive and defensive effort throughout the game ended up with a big win score of 52-24. We are now on track for an exciting regular season. Make sure to come watch the Lions and cheer them

Lady Lions playing against Fairview Warriors on loud!

Junior High Champions By Jasiah Hambira

The high school basketball season is kicking off, but before the high school season started, the junior high season had been going on. Junior High boys and girls had outstanding seasons, and on November 18th went to Hinsdale and Saco to compete for a district championship. Both Junior High boys

and girls made it to their championship. Our Lions made quick work of the North Country Mavericks and won 56-30, and came out with the championship. Next, our Lady Lions also played the North Coun-

(Continued on page 3)

(Continued from page 2)

try Mavericks. It was a tight game coming down to the wire, but our Lady Lions kept it together and beat the Mavericks 45-37. We all enjoyed watching the

Junior High teams and all the work they put in, and it paid off. We now can look forward to watching our High School Lions and Lady Lions compete.

Christmas Message By Gabriel Alves

On the first day of December, we were privileged to have our English and Choir teacher, who is also our guidance counselor, give us words of wisdom. At first, she began talking about the meaning of the month of December, the birth of Jesus. December 25th is a time many people outside the world see as a day of giving gifts and having fun, while we need to realize that we are celebrating the birth of Jesus. It is important to put Jesus first at this time of year because without Him; we would be lost. She asked Mr. Cattell to come up, and he was the example of a shepherd. She handed out a

bunch of candy canes and explained what the candy cane shape meant. If you flip the candy cane upside down, you will see that the shape is now a J which stands for our precious Lord Jesus and could also mean "Good Shepherd." The large red stripe was for the blood shed by Christ on the cross. Mrs. Cattell mentioned Luke 2 because it talks about the birth of Jesus, and on Christmas, that is what we should remember. Thank you, Mrs. Cattell, for sharing, and we loved the message you shared with us.

Christmas Caroling By Elijah Lenihan

Tis the season to be jolly. Christmas time is finally here, and on December 14th, the students of Lustre Christian High School traveled to Glasgow to show their holiday spirit. They did this by singing Christmas carols. The high school does this event every year, but this time it felt different from the rest. This year we have a lot more students than in previous years, and that was felt through our singing. We visited Valley View Home first and sang songs for

the residents there, getting a feel for how the rest of the day was going to look. After that, we drove to Nemont Manor and did more of the same. A week prior to this all-school caroling, we were each asked to make a few Christmas cards for the people we would meet, so every one of us gave cards to the residents and staff of these homes. After this, we made our way to The Loaded Toad and sang out-

Mrs. Debb's Chapel By Mana Okamoto

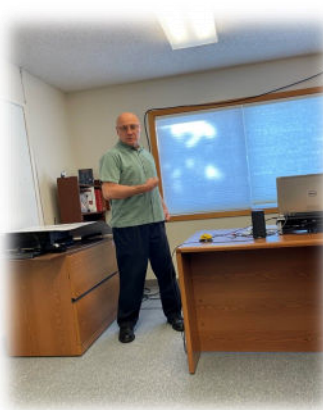

On Thursday, December 8th, we had an opportunity to listen to our dorm mom, Mrs. Debb's chapel. She started by explaining that our life stage is just like sprouts. If we have bad habits, now is the time to change; otherwise, it will be hard to clean out as big trees are hard to uproot from the ground compared to the sprouts. Then she asked some volunteers to come up to the front and let them take whatever they wanted from the table. There were random things on the table, such as candies, soil, broken pencils, flashlights, water bottles, used cups, and many others. The volunteers chose what they wanted. The thing Mrs. Debb wanted to tell us was that we get to choose options

that are spiritually, socially, and educationally best for us, so choose what the best for you is. But how can we know if the option is good or bad? Then Mrs. Debb asked all the teachers in LCHS what they wanted to tell 16 year old themselves. Even though they are very mature and seem almost perfect, they weren't when they were around us. One said, "I should have listened to my parents." and another said, "cherish your relationship with God." Her answer was to listen to people with more wisdom because they have learned from their experiences. She also told us that sin is fun for a season. I am glad I got to listen to her chapel. It was inspiring in a way to live mindfully. I hope everyone else felt the same way and learned something from it.

Mr. Kaylor Makes His Debut by Braden Ewing

Mr. Kaylor is the newest member of the Lustre Christian High School staff. He teaches World History, American History, Government, and Current Events. Mr. Kaylor says that his favorite subject to teach is Government because he finds it interesting and knows quite a lot about it. Mr. Kaylor's daughter, Abbey Traeholt, taught in the same department as him at Lustre Christian High School almost three years ago, so he says he has a decent idea of what he is doing. Although all of the classes have gone through a

significant amount of History teachers within the last two months, he says that he is planning on sticking around and helping all of us get through the material as best as he can. Mr. Kaylor is originally from Eureka, MT, about eight and a half hours from Lustre. Before he came to Lustre, he had been teaching in Malta, Mt. He has taught in Oregon, Poplar, and Wolf Point. He says that one of the main reasons for moving to Lustre is to be closer to his family.

(Continued from page 3)

side on the sidewalk as people drove by. We then got hot chocolate and finished the rest of the day driving back to Lustre. This was a fun and positive experience that I'm sure all of us enjoyed. Caroling is a way that anyone can spread Christ-

mas cheer for nothing but your time, and what is more valuable than that?
