The TUMBLEWEED

Chapel with Lisa Neufeld by Gabe Alves

On Thursday, January 13th, I was privileged to introduce Lisa Neufeld. She is a very entertaining, high-energy, dolly and upfront person. Lisa started off with a word of prayer and began her Chapel by talking about what it means to be a Christian. For example, as Christians, we must realize that we are all sinners and that we need a Savior. A verse that proves this is from Romans 3:23, "For all have fallen short of the glory of God." Next, since Chapel was the first thing in the morning, Lisa decided to wake us all up and do a fun activity! She projected a couple of questions for us to answer on the screen by going to numbers she had hung up on the wall. We had four spots we could go to that matched the answer to her

questions. Two of the questions she asked were : What do Christians do? Do they share toys all the time? Do they only share old and broken toys? Do they not share toys at all? Or are Christians poor and can't afford toys? These are for you to answer. Also,

she asked what kind of music does a Christian listen to? The point of this particular question is for us to understand that as our high school years come to an end or will come to an end in a couple of years, we get to choose the things we do. Listening to music can be something that affects the way you talk, walk, and act. Lisa makes an impact on many people that she

talks to. From the LCHS Community, we would like to say thank you, and we appreciate the work you put in to share the Word of God with us.

Ways to Prepare for College by Jasiah Hambira

After high school, the possibilities are endless. You can go work, join the military , or maybe take a year off. One of the most popular options is to go to college , but getting ready and prepared for college is a very hard thing to do. First, I suggest figuring out what you want to study. How

do you do that? You can start by looking at what field of work you want to do. If you want to farm , take agriculture ; if you have a business idea , get a business degree. Once you narrow down what field you want to work in , you can look for schools that have a

“And everyone who calls on the name of the Lord will be saved .” Acts 2:21

Lions in Progress By Sally Arai

On Thursday, January 14th, the Lustre Lions traveled to Saco to play against the North Country Mavericks. The Ladies were in for a battle against the Lady Mavericks. They started off slow, and the Lady Mavericks had their way in the first half. At halftime, the score was 4-34. The ladies battled back, putting up 10 points in the second half but couldn't hold off the Lady Mavericks. The final score was 14-56. They unfortunately lost, but they hustled to get the ball and stayed aggressive throughout the game to the end. After the girls'

Team adjusting their game plan

game, the boys started out strong and continued to bring the heat throughout the game. The offense and defense put in effort throughout the game. The boys put a lot of pressure on the Mavericks and finished with a 44-point differential. The final score was 78-34.

The regular season is coming to an end soon, as there are only three games left before the tournament. Be sure to come out and support the Lions to finish the regular season strong and be ready for the exciting tournament games! The next game will be at home against Frazer on Saturday, February 4th. Go Lions!

Home Game Against Dodson By Mana Okamoto

On Tuesday, January 19th, we had another home game against Dodson. The game started with the Boys JV team. LCHS Lions brought a lot of energy to the court. They scored one after another. Different players did outstanding jobs. Their hard work on everyday practice paid off, the game ended up our LCHS Lions far ahead of Dodson. Next was the Girls Varsity Game. Our Lady Lions hustled and play hard for the first half of the game. Although Dodson Coyotes put up a fight and the scores got close to us. In the end, our Lady Lions won with the scores of 42-39. They did not give up and played hard until the end.

Lastly, there was a Boys Varsity game. LCHS Lions quickly drove the ball, and scored consecutively. Fans absolutely enjoyed watching them play as always. We saw some good plays and some amazing teamwork. We are so proud of our Lions, always putting a lot of effort into their play, regardless of the results of the games. We can't wait to see them thriving as the season progresses. Way to go, Lions!

A Win In Nashua's Home By Bryan Chen

On Jan 19th, 2023, Lustre Lions had an away game at Nashua High School. A day before the game, we were told that Nashua had the confidence to beat us. This gave us the fire to play. We were ready to show Nashua that we mean business. The day began with the boy's JV team, and it was the unexpected 4 V.S 4 basketball game. Due to that

reason, Terrant and Johnlee didn't play in this game. Nevertheless, the rest of the JV players still brought the win to the school. It is fun to watch the young basketball players showing their talent and improvements on the court. The following game was the Lady Lions, they played an intense game, and we were only down by 4 points at the first half. They continued with the same intensity, unfor-

(Continued on page 3)

(Continued from page 2)

Unfortunately they lost the game by 11 points. Even though the result was not quite expected, Lady Lions played their hardest on the court. The next and last event of the day was our Lustre Boys basketball game. Before the game started, Nashua had

their homecoming. It brought even more energy and determination to Lustre boys to win the game. In the first half, Luster Lions was up 37-13, leading by 24 points. This didn't satisfy their hunger, in the second half, they rolled Nashua over, winning by 49 points, another win added to our record.

Lions VS Culbertson By Elijah Lenihan

On January 21, the Lustre Lions faced off against the Culbertson Cowboys and Cowgirls for the second time this season. The last time these teams played each other, the Lions won both the JV boys and the Varsity boys games, but the girls couldn't quite get the job done, losing to the Cowgirls. This time both teams were hungry for the win. In the JV boys' game, Lustre started off slow but gained pace as the game continued. Lustre won comfortably, just like the

last time they played each other. After the JV boys' game, the Varsity girls took on the Cowgirls. The Lady Lions lost by a significant margin in the previous battle against the Cowgirls, but that didn't stop them from playing hard this game. The Lady Lions led the game eight to two in the first three minutes of the game. Both teams

went back and forth

Lions Have a Spartan Supper Pt. 2 By Braden Ewing

On January 24th, 2023, The Lustre Lions faced off against their rivals, the Scobey Spartans, for the second time in the 22-23 basketball season. The Boys JV was the first game of the night, and the Lions would end the first half with a 20-point lead over the Spartans. In the third quarter, the Spartans would claw their way back into the game, cutting the lead to only five. The Lions would then go on a 20-point run defeating Scobey. The girls' game started off really close. The Lady Lions led 7-4 at one point in the first quarter. But the Spartans would gain mo-

mentum and dominate for the rest of the game.

The boys' game had a slow start to it. Scobey would score their first two possessions of the ball game leading the Lions 4-0. It was a low-scoring half for both teams. At the end of the first half, it was 19-19. The Lions would come out in the third quarter with much-needed energy and up the lead on the Spartans, outscoring them 20-8. The Lions would win the game, with the final score of 58-33.

“And everyone who calls on the name of the Lord will be saved .” Acts 2:21

Music Chapel By Alexander Chen

On Thursday, 1/12/2023, we had an unusual chapel. There was no speaker, so our worship team simply sang worship songs and shared Bible verses that were meaningful to them. That day the worship team sang a total of three songs, including "Truth Be Told," "Battle Belongs," and "All I Know." The first song, "Truth Be Told," simply reminded us that no one is perfect but God; so we don't need to be afraid of showing our own scars because God will always be there with us. For the second song, "Battle Belongs," the message is even simpler but very im-

portant. When we go through hard times, we always forget that God loves His people and He will always provide for us; we are not in battle by ourselves. God will always be with us. Lastly, the third song, "All I know," also tells us about the glorification and almightiness of God. Although that Thursday we didn't have a chapel speaker, through the songs, we can still see how God protects us, loves us, and provides for us. When we are going through a hard time, don't forget there is an all-knowing God who is watching over us, and for sure, He will always be there for us because He loves us.

good program in your major. It is good to have a list of about ten schools that you would like to attend. From there, do some research about them, about the town, food, dorms, and extracurriculars. You must remember you may spend the next four years of your life there and must consider all the little things. Make sure these are schools you would like to attend. Then you apply to the school; you want to do this sooner rather than later in case you aren't admitted to the university. You then have time to look at other options. Assuming you get accepted, you want to

fill out all the scholarships you qualify for through that university. Then seek other ones, either in your community or online. There are many websites, such as bold.org. You also want to fill out financial aid that can give you money from the government based on income and a variety of other factors. Getting ready for college can be a stressful but important part of your life. These steps cannot only help get you into a college but help make sure it's the right place for you and set you up for the rest of your life.
