## Mr. Cattell's Chapel By: Eyosias Ayalew

On September 7<sup>th</sup>, our principal Mr. Cattell spoke at our first chapel of the year. He talked about carrying each other's burdens. It was a great chapel as it was short and meaningful. To start of, he used Cayden to lift up one of the platforms, clearly Cayden couldn't do it on his own, that was the catch. In order to lift it Cayden had to get some help from lfe, as a result, they were both able to carry the burden together. Mr. Cattell then proceeded to talk to us about the Bible verse of the year, which is Galatians 6:2. It says, "Carry each other's burdens, and in this way, you will fulfill the law of

Christ". After which he showed us a heart touching video about helping each other, he also spoke about the law of Christ. He explained the law of Christ

through John 13:34-35 which is, "A new commandment I give to you, that you love one another; as I have loved you, that you also love one another. By this all will know that you are my disciples, if you love one another". I person-

ally enjoyed it; it was a good start for the first chapel of the year. I look forward to the next Chapel of the year, until then I wish you all the best!

## Awana's Back!! By Casidy Grider

On September 13<sup>th</sup>, Awana started for this school year. Awana is a youth group event for grade school kids to learn about God. It runs from September to March. The night starts with leaders having a meeting at 6:15 to talk about what is expected for the week. At 6:30, all of us gather in the gym to present colors. We pledge to the American and Awana flags, and

then Dawson Olfert lead us in prayer. This week, he started the night off by reminding us why we do Awana. We do Awana to grow in our relationships with God, and have faith in Him. He reminded the younger kids that all of the verses they memorize are from the Bible. Memorizing verses give us power to fight against the devil when we

### Lustre VS. Mondak By: Aubri Holzrichter

On September 7<sup>th</sup>, the Lady Lions traveled to Westby to play against the Mondak Thunder. It started with the Thunders leading but the Lions kept close behind. Mondak ended up pulling away and winning that set, the score being 25 to 13. In the second set, the Lady Lions got scrappier but still fell short losing the set, 25 to 21. With the third and maybe last set of the night, Lustre was the first team to reach 20 points feeling confident that they can win this set. But Mondak was also determined to finish the game strong, they gained the

lead with 22 to 23. Then Grace Brown tied the score with a killer block, motivating the Lady Lions to keep pushing to win. Grace then got an amazing hit ending the third set 25 to 23 in favor of the Lady Lions. In the fourth set, the Lady Lions tried hard and even had the lead in the beginning, but ended up losing 15 to 25. Lustre continues to improve each game but still has skills to work on, like serve receive and digging. Come support the Lady Lions in their future games, they would all really appreciate it!

### Scobey Tourney By: Alexa Reddig

On Saturday, September 9<sup>th</sup>, the Lustre Lady Lions started the day early, packing up and heading to Scobey for a whirlwind day of volleyball. The Lions faced off against Scobey in their first game of the day. The Lady Lions lost in two games against the Lady Spartans. Next, they played Ekalaka, losing their first match, but after a second game of hustle pulled through the match with a win. The ending set scores were 18-25 and 25-22. For the Lion's third game, they played Froid/Lake, the two teams stayed neck-in-neck, even pulling ahead towards the end, but sadly, they were unable to pull it off, losing

both matches to the Red Hawks.

The last game of the day for Lustre was against the Culbertson Cowgirls, losing in two sets, the final scores being: 12-25 and 22-25.

The girls played hard, getting lots of touches and blocks at the net. In the end, it was a good day of volleyball, the girls went home exhausted but with another week of hard-fought games under their belt. Join them once again for this next week's games against Plentywood (A) on Friday, the 29<sup>th</sup> and Bainville (A) on Friday, October 6<sup>th</sup>.

## Lions vs Bearcubs By: Gabriel Sapp

On September 14<sup>th</sup>, the Lady Lions took on the Frazer Bearcubs for the first time this season. The girls have improved a lot from last year. They came out dominantly with 12 unanswered serves. The Lady Lions took the first set with a score of 25-2 with Aubri Holzrichter leading the team with 22 consecutive serves along with Alexa and her aggressive spikes. The second set was a bit of a scare, the Bearcubs were not going down without a fight. The game went back and forth for a while, but the Lady Lions retained a slight lead with the ending score being 25-21. Lustre dominated the 3<sup>rd</sup> set as well, ending

the game 3-0. Adding another win to their win column. Furthermore, Lustre has improved significantly over the last couple of games. Many people came out to watch the girls go to work. The Lady Lions will play against Plentywood on the 29<sup>th</sup>. Make sure you come out and support the girls!

## Lady Lions vs Cowgirls By: Layla Quiroz

On Saturday, September 16<sup>th</sup>, the Lady Lions took a trip to Culbertson and gave the Cowgirls a run for their money. They started with a brief struggle during the first two sets, losing 16-25 in the first and 11-25 in the second. Even though the girls struggled in the first two sets, they were able to turn the tables during the third and fourth set. With the pressure behind them, the Lady Lions outplayed the Cowgirls stealing the third set with a score of 25-19. In fourth, with a score of 25-15, Alexa Reddig had a blocking fiasco to build onto their momentum. The girls had flow in their rotation and used that to their advantage to rack up the points. The Lady Lions worked together and finished the fourth set with a score 25-12. The

Lady Lions finished the last set with the score being 15-9. Although they could not pull off the win, the girls fought hard and had an outstanding game against the Culbertson Cowgirls. The Lady Lions are looking forward to the rest of the season.

## College Fair By: Cayden Klatt

On Tuesday, September 12<sup>th</sup>, the junior and senior classes boarded the bus at 8am to take the hour-long trip to Glasgow for the college fair. They arrived and walked in to the gymnasium, seeing the multitude of colleges set up at tables to talk to interested students. The college representatives handed out many things such as papers describing their college as well as pens and mascot stickers. The students, after about an hour of walking around and talking, walked outside to board the bus for lunch, not realizing until they got outside that the bus was getting a broken window fixed. After a little wait the bus arrived and the students boarded the bus to the lunch destination. They had the choice of either Subway or Dairy Queen, both being great choices! After

all the students got done eating, they boarded the bus once again to make the trip back to the high school. The students then arrived back to the school in time for some of sixth period, being a little later than expected because of the window fix delay. The students then finished their day and went home. The students all said to have had a great time at the college fair and many of the juniors are already excited

# COLLEGE FAIR!!

to go to next year's fair. Ask any of the juniors or seniors you see what they thought of

the college fair and if they have any interests in particular!

## Awana's Back!! By: Casidy Grider

*(Continued from page 1)*

are facing temptation. After this exhortation, all of the kids broke off into their groups: Cubbies, Sparkies, TNT, and Trek. When the kids break up into their groups, they get the opportunity to say their verses to the Awana leaders in their group. After that, game time/ snack time ensues. To conclude the night, each group has a devotional/ story to encourage the grade schoolers in some way. Awana is a special and fun way to teach kids about the Word of God and help them to be confident in what they believe.

## Love Your Neighbor as Yourself By: Ifeanyi Aniobi

The students of LCHS had the pleasure of attending Mr. Marasco's chapel this past Thursday on the 14<sup>th</sup> of September. It was the second chapel of the year and I'm going to tell you all about it! Mr. Marasco decided to base his chapel on Galatians 5:13 & 6:2. These passages is honestly a great read, and I accredit that to its theme, which is to love your neighbor as yourself. The passage also talks about the fruits of the spirit and how we should all do our best to carry one another's burdens.

These are all great things that we should strive to do but Mr. Marasco decided to base his chapel on one main central idea. That is seen in Galatians 6:1, which reads, "Brothers and sisters, if someone is caught in a sin, you who live by

the Spirit should restore that person gently. But watch yourselves, or you also may be tempted." Mr.

Marasco explained that it is important for us to correct one another when we do wrong, but it is important for us to do it in the right manner. Basically, when we are correcting one another, we should do it in a manner pleasing to God, exercising the fruits of the spirit and also understanding that we are also not perfect and will make mistakes in the future, therefore we are not blameless. One thing we must al-

ways remember is that we can have a good message but our delivery is also very important, and that is a big lesson we are all learning or have learnt. Thank you and till next time!
