

Lustre Christian High School

The TUMBLEWEED

Lustre has Lost a beloved member

Daryl W. Toews, 74, of Lustre, Montana
May 24, 1949 – September 30, 2023

Daryl Wayne Toews was born to Harold and Lillian Toews on May 24, 1949, in Glasgow, Montana. He passed away at age 74 on September 30, 2023. Daryl grew up with his parents and three siblings on their family farm in Lustre, Montana. His passions for his life were Jesus and serving as Christ did. He accepted Jesus as his personal savior at an early age, and he was a member of the Lustre Menonite Brethren Church his entire life. He graduated from Lustre Christian High School (LCHS) and then attended Tabor College and Montana State. He married his wife Jean (Schmidt) Toews on November 27, 1969. Early in their marriage, they served with Cru (Campus Crusade for Christ). This was a life-changing time of learning about the Spirit-filled life and working with youth. His desire was for everyone to have a personal relationship with Jesus Christ. They returned to Lustre where he served his community in many ways including: LCHS board, LCHS Dorm Parents, Lustre Grade School board, Lustre MB Church Council, Sunday School teacher, and Central District MB Conference boards. Serving in these positions was his lifelong ministry and passion as well as raising his three daughters. He was a realtor for 40 years along with

working in farming personally and with Zerbe Farms.

God called him to public service as a Montana State Senator for eight years. He was proud of sponsoring SB 220 and SB 302 (Dry Prairie Rural Water) for this area that is still under construction. Presently he was serving on the Valley View Nursing Home Board and as a coordinator for the International Students at LCHS for the last 17 years. He is survived by his wife Jean; daughters: Laurie (Jon) Klippenes, Lisa (Curt) Neufeld, and Luanne (Marshall) Mullet; grandchildren: Molly Klippenes, Mariah Klippenes, Megan Klippenes, Samantha Neufeld, Jake Neufeld, Piper Neufeld, Sophia Mullet, and Oliver Mullet; brothers, Les Toews and Norm Toews and sister, Donna King. He was preceded in death by his parents Harold and Lillian.

2 Timothy 4:7-8

"I have fought the good fight, I have finished the race, I have kept the faith. Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day - and not only to me but also to all who have longed for his appearing."

The Nuts & Bolts of “Being Born Again” By: Courtney Teichroew

On Thursday the 21st Mr. Ross gave a chapel. He focused his chapel on the nuts and bolts of being born again and explaining that we are saved by grace and transformed by works. He started out in John 3:1-5 telling us about the story of Nicodemus, being aware enough to ask Jesus, and being courageous enough to transform. He used Psalm 46:10 to tell us if something happens or a choice needs to be made to be still and go to Christ. Then he moved to James 20 & 26 saying that we need to get to action, that we need to recommit to the

process of rebirth, transformation, enlightenment, and that faith without works is dead. Another passage that Mr. Ross used was II Corinthians 4:16 “for which because we faint not; but though our outward man perishes, yet the inward man is renewed day by day.” (Context of cause: abundant grace of God, Thanksgiving of many, and glory of The Almighty). Finishing his chapel in Galatians 6:9 “And let us not be weary in doing well: for in due season we shall reap, if we faint not”. Saying earned reward, earned results, and earned transformation.

Chapel with Sam and Lisa Berg By Terran Joseph

Sam and Lisa Berg are missionaries previously in Haiti but are situated in the Bahamas currently. Monday, October 2nd, they found themselves back at LCHS chapel speaking to the students, Lisa started it off speaking about their missions in the Bahamas with their organization “Helping Hands”

(CAPS) Putting in a new library to help the kids to have an opportunity to learn to read and be

impacting building schools all over the central island area. She talked about how she worked at the Grade School called Central Abaco Primary School

but she went on to speak about growing your relationship with God through bible studies and prayer.

(Continued on page 3)

(Continued from page 2)

She ended her portion of her chapel with a verse “You shall love the Lord your God with all your heart and with all your soul and with all your mind” Matthew 22:37. Sam came up to speak keeping his portion short and very clear, he started it off in a joking matter rallying the students and visitors up then taking a nice approach to his point on “you’re going to have to serve somebody” using comparisons to Joshua from the bible and how he was ready to serve to the calling of God at any time. He also added on how the world is going to try and pull you in to serve it, but if you are strong in your faith, you will be able to pull away and go to God. Ending his part with giving the audience 3 words Time, Talent and Treasure and what you can do with your God given tal-

ents and what can you do with your time and how you should treasure your time and talents because they are important for you. We would like to thank the Berg’s for sharing their story with us as student’s. Please feel free to follow them on Facebook at the following handles @ Abaco Island Berg and @ Many Hands for Abaco if you want to know more on what they are doing in the Bahamas.

Mrs. Cattell’s Chapel By: Gabriel Sapp

Mrs. Cattell's chapel started off with a question, what are sponges. In which the students responded with many answers, “a sponge is used for cleaning” and “a sponge soaks up water”. That’s exactly the illustration Mrs. Cattell wanted us to say. The Whole point of her chapel was that what you soak up and absorb as a person is what comes out, especially in the tribulations and stressful moments of your life. She referenced many verses to this including Romans 5:1-5 which summarized is saying in tribulations bring endurance and endurance brings character and character pro-

duces hope. This is a good verse that tells you that even in the bad times of your life, God is there. Mrs. Cattell gave a demonstration of a sponge soaking up water then she took the sponge and put it in soda but when she pulled the sponge out and drained it clean water came out even after sitting in the soda for a few minutes, her point in this was if you are full of the Holy Spirit the bad won't take over your life if anything it will dilute the bad just

as the water did to the soda.

Lustre Christian Lions vs Froid Lake Red Hawks By: Eyosias Ayalew

On Thursday, September 21st, 2023 the Lady Lions played an interesting game vs the Red Hawks, even though we played well, we just fell short of the Red Hawks. The first 2 set we lost with scores of 14 - 25, 13 - 25. The game was going well while Aubri's setting and Alexa's spikes were on fire, but it wasn't enough to take down the Red Hawks. Almost every Red Hawk's player had the benefit of athleticism and being tall, so they used that to their advantage. Then the 3rd quarter came, the crowd had

hope that they would win this set. The Lustre Lions were doing good. It was around 18 - 16 in Lustre favor then, they kind of collapsed. It was 21 - 20 on Lustre favor, it was an exciting battle but the Lady Lions still didn't give up, so did the crowd. Even the crowd were cheering supporting them, by the time it was 21 - 24. The Lady Lions ended losing the game but took some valuable lessons from this defeat. Even though they lost the game, they truly won our heart and hope for the next game to be on our side.

Lustre vs Brockton By: Cayden Klatt

On the evening of September twenty-second, The Brockton Lady Warriors made the trek to Lustre to play the Lady Lions in the den. The Lady Lions jumped out quick, the first set still managing to be kind of close, with an ending score of twenty-five to seventeen. Game two, the Lady Lions were more dominant, winning twenty-five to eleven. The ladies were very confident now going into game three, as all they had left to do was win one more game and send the Warriors home. They showed themselves to be very ready for the third game, leaving no doubt with an ending score of twenty-five to five. The boys cheering in the crowd were going crazy as the Lady Lions absolutely dominated! The boys' theme for the evening

was sunglasses, so as many boys as we could get to wearing glasses. Many of the boys screamed as loud as they could and cheered along with the girls after scores! The boys have been coming up with a lot of great ideas for things to wear at games to support their girls and have been testing some of these ideas out, such as the sunglasses' idea. Hannah Marasco and Aubri Holzrichter were the serving duo of the night, being unstoppable with their serves. The Lady Lions' next game will be Friday, October sixth in Bainville as the ladies play the Lady Bulldogs. If you are not busy, go support the Lady Lions and wear your nicest Lion blue!

Lions Triangular in Plentywood By: Grace Brown

The Lady Lions went to Plentywood on Friday, September 29th to play two volleyball matches against Plentywood and Richey Lambert in a triangular. When they first showed up, Plentywood was just announcing the homecoming royalty before the first game of Plentywood against Richey Lambert. Richey Lambert played Plentywood, doing decently well and even beating them in one set. Then the Lady Lions faced off against the Plentywood Wildcats. The first match was okay, with the score being 12 to 25, with Wildcats coming out on top. In the second set, the Lions brought it, but lost 22 to 25. They did surprisingly good, especially since Plentywood is one of the top teams in the state. The next set did not end as well, but the girls ended with a score of 12 to 25 again. In their

next game, against the Richey Lambert Fusion, went very well. The girls won the second set but lost the other three sets. The Lady Lions thought the second set would never end, as the score went up to 30-28, with the longest rallies happening in that set. The ending scores for these sets were 16-25, 30-28, 16-25, and 21-25. All in all, the girls played very well, and although the scores didn't always show it, they proved to show great heart and effort! Make sure you come support them at their next few games left this year!

See You at The Pole By: Ife Aniobi

On a recent Wednesday, the 27th of September, the students and teachers of Lustre Christian High school gathered at the flagpole at 7:30 A.M before school started, to not only pray about the year but also many of the pressing things the kids and teachers had and have on their minds. The prayer session was led by Cayden Klatt the STUCO president. See you at the pole is a tradition at LCHS, but it's also done annually by thousands of Christian Students and teachers at school flag poles, churches, and even the internet, all over the nation.

This event goes way back, it started off in 1990 in Burseson, Texas, when a group of teenagers gathered to pray for several schools. Years and years

later it became an international event. The students and teachers of LCHS took turns saying short prayers and really committing the year unto the Lord. We also want you the community members to know that

the school appreciates your prayers and everything you do for LCHS every day. We are Thankful! Thank you and till next time!

Getting to Know Natoli By: Layla Quiroz

We are very glad to welcome Natoli Fanta Tesgera to Lustre Christian High School! I had the privilege of interviewing him recently, and I am happy to share with you all what he had to say. Natoli learned about Lustre from his brother. They did some research online and found the school, they also learned along the way that Eyosias was attending Lustre. I then proceeded to ask Natoli some more personal questions to get to know him a little bit better. Apparently, his favorite food at Lustre is pepperoni pizza. He has three siblings and they are all brothers. His favorite subject in school is art class because he has a passion for drawing. If

Natoli could have any superpower in the world, he would choose to freeze time. His initial impression of Lustre is that it is a very strict and biblical place. I asked Natoli what school was like back home, and he said he had more freedom back home and the work was harder. Natoli likes to play basketball in his free time. Natoli's favorite Bible verse is Luke 23:34, "Then Jesus said, 'Father, forgive them, they know not what they do.'" This is his favorite verse because it shows him what forgiveness really means. We are so excited to have him in Lustre and can't wait to get to know him even more!

Joseph Lee By: Mitchella Rosidor

Every year we have new students in the dorm from different parts of the world. We welcomed a new student named Joseph Lee from Seoul, South Korea. He's 16 years old but in Korea he is 17 years old, and he has three siblings. His favorite colors are black and white and his favorite food is Korean fried chicken because they use a special sauce that can only be found in South Korea. His favorite drink is a Korean sprite version called chilsung cider. Joseph's hobbies are playing soccer and riding bikes. He likes to travel to historical places. He wants to visit Egypt and the

pyramids. Joseph heard about Lustre from an alumni friend of his and decided to try it out. Joseph's first impression about Lustre was that it was isolated from everything, but the people were very nice, and he found it interesting that most of them were Christian because where he is from in Seoul most of the people were not Christians. Joseph thinks that Lustre is a good place to learn more about the Bible and to grow more in his Christian faith. One of the interesting facts about Joseph is that he's a fast learner, and he is very shy at first, but when you come to know him, he is very nice to talk to.

Come support the LCHS Senior Class and enjoy some evening entertainment! There will be a Soup and Chili feed and also a Pie Feed. This Volleyball game is right before Awana. If you would like to feed your family before Awana, please RSVP so we can have enough available!

When: Oct 17

Where: LCHS

Time: 5 PM

RSVP: Brooke Holzrichter
