The TUMBLEWEED

Cayden Klatt's Chapel *By Terran Joseph*

For the first of the senior chapels, we had two speakers, one of them being Cayden Klatt, and he spoke about how we should trust God's timing. He started with a strong statement about not handling things alone because it would lead to self-destruction. God will pull our weight and provide for us no matter what. And sometimes you have to be still as it says in "Psalms 46-10", "be still and know that I am God. Cayden listed some cons of handling things on your own, as when you internalize your struggles, it brings about stress and worry. And you might shut down and remove

yourself from the people around you, leading to a very lonely and damaging thought process. He then listed some great reasons to trust in God through these times. God will remove that stress and worry from your mind, letting you relax and enjoy your life. And how you have God's power running through you to fight these battles in life. He ended his chapel with two words: patience and trust, saying that we should have patience because it teaches us to trust in God's timing and trust his work more.

On the second of November, the high school had the first senior chapels of the 2023–24 school year. Two of our seniors, Cayden Klatt and Eyosias Ayalew, shared messages on their hearts with the LCHS student and teacher body—as well as some community members who decided to come and watch their chapels. I have the privilege of writing about Eyosias's Chapel and sharing it with you

all in this issue of the Tumbleweed. Eyosias's chapel had a simple but very compelling message. Simply put, the central message of his chapel was that God gives us what we need, not what we want. As human beings, we very often find ourselves asking God for things that we know we don't really need but very much want. We are all guilty of this as peo-

Day one of District Volleyball By Grace Brown

On Thursday, October 26th, the Lady Lions made their way to Plentywood, Montana, to participate in the 1C District volleyball tournament. Their first game was highly anticipated as they were matched against the MonDak Thunder. When they had played before, the Lady Lions lost in four sets, but they were looking to change that this time around. The girls did very well in the first set, winning 25 to 17. They also won the second set with the same score as the first, 25 to 17. Keeping the momentum going, the Lady Lions headed into the third set, pumped up and ready to win. This set was closer, and the girls won 25 to 23. The Lady Lions moved well together and played very well!

Because they won that game, their next match would be against the number 1 seed, Plentywood. This game was challenging, but the Lions worked hard and tried their best. The first set's score was 18 to 25, with Plentywood on top. The Lady Lions struggled more in the second set, only reaching a score of 6 compared to the Wildcat's 25. The girls picked up their game, though, and scored 17 to 25 in the third and final set. The Lady Wildcats had some excellent hits that were hard for the Lady Lions to come back from, but the Lions persevered and played hard. Thanks for all the support you guys have given us throughout this volleyball season! It was greatly appreciated!

Day two of District Volleyball By Alexa Reddig & Aubri Holzrichter

On October 27, the Lustre Lions prepared to take on the Nashua Porcupines after playing two games the day before. In the first set, the Lady Lions started strong. And with Sarah's tricky serves, they won the set 25-10. The second set began a little rough, with the Lady Porcupines leading most of the time. In the end, Lustre picked it up, and with a big block by Grace, they won the set 28-26. Again, in the third set, the Lady Lions started slow, with the score at 1-11. They never gave up, though, and pulled through, winning the set (26-24). The game moved on to the next match.

After winning their morning game against the Nashua Porcupines, the Lady Lions went on to play the Bainville Bulldogs later that evening. Although the Lady Lions lost in three sets, they fought hard, laying all they had on the court. The final scores for each set were 16-25, 13-25, and 10-25. Even if their season didn't end exactly as they wanted it to, overall, they had a good season. The Lady Lions would like to thank everyone who came out to cheer them on and support them throughout the season and during their Districts tournament. They couldn't have done it without all of you!

ple; we all want God to give us a nice house, a car, or even lots of money, but the truth is that there is only one thing we need in life. And that is complete trust in the Lord our God; He gives us everything we need without us even having to ask. He knows our needs and wants, and we must trust Him to provide us with everything in due time. Eyosias mentioned a couple of

Bible verses during his chapel, but I will list the one I find most important here, and that is Psalm 23:1:

"The Lord is my shepherd; I shall not be in want." This verse sums up his entire message in one sentence: all we have to do is trust in our God, the good shepherd, and he will provide everything we need and maybe some stuff that we want in due time!

Wayne Hathaway by Courtney Teichroew

The Lustre community has a new pastor for the EMB church, Wayne Hathaway. Before coming to Lustre, Mr. Hathaway was a pastor for a church in Billings for twenty-five years before retiring in 2020. He thought he was done with full-time ministry. When asked why he came to Lustre, Pastor Hathaway said he never thought he would. Still, the Lord had a different plan for him. When asked what his plan was for the church, he told me, "To love and care for the people and preach the word of God." Wayne Hathaway grew up in Yakima, Washington. When I asked him how he came to be saved by Christ, Pastor Hathaway said he was saved at a youth camp in Washington when he was thirteen. His interests are sports, especially football,

basketball, and baseball, and he also loves the ocean and beaches. In his family, there is his wife, their four children, seven grandchildren, and four great-grandchildren. When I asked him what he likes about living here in Lustre, he said he likes the sunrises and the sunsets and that he gets up early in the morning to watch the sunrise". He also likes how quiet it is here in Lustre. I also asked him if he enjoys living in the community, to which he replied, "yes" that he likes the people here and the sense of community we have. I asked if he had any goals in his life right now, and he told me that he wants to be pleasing to the Lord, serve God, love his family, and serve the people of this community. I believe that Mr. Hathaway is a good person to be the next pastor of the EMB church.

Thanksgiving By Layla Quiroz

Thanksgiving is a national holiday celebrated on various dates in the United States, Canada, Grenada, Saint Lucia, Liberia, and unofficially in countries like Brazil and the Philippines. It is also observed in the Dutch town of Leiden and the Australian territory of Norfolk Island. Thanksgiving is always on every 4th

Thursday in November. It originated in 1621 when the Pilgrims celebrated their first-ever harvest in the New World by having a three-day-long feast with the Wampanoag Indian people. It is recorded that 90 Native American Wampanoag people and 53 survivors of the Mayflower attended the

feast. Now, more than 400 years later, millions of people all across the country and the globe gather together to share a big meal every year on Thanksgiving with their family and friends. It is an opportunity for the nation to share and reflect on the things we are grateful for.

There are many things we can be grateful for. People are generally thankful for many things, including family, friends, relatives, and education. On Thanksgiving, it is customary to share grace before the meal, after which families indulge in foods like

turkey, ham, buns, stuffing, and so much more. Here's a fun fact: it is the general opinion that Thanksgiving is THE meal where eating a lot of food is quite alright.

One of the students from the high school, Cassidy Grider from Georgia, said her favorite

Thanksgiving dish is green bean casserole. Another Student, Mitchell Rosidor from Haiti, said she and her family celebrate Thanksgiving, but it is not a nationally celebrated holiday in Haiti. One of our students who loves a good meal, Byron Ewing, said he has many favorite Thanksgiving foods, which include sweet potato casserole, green beans, turkey with cranberry sauce, corn, mashed potatoes with gravy, buns with straw-

berry jam, and baked macaroni. He said his preferred beverage with his meal is a tall glass of iced lemonade.

Thanksgiving is a wonderful holiday that we all enjoy celebrating, and it's been a pleasure to tell you a little bit about its history and why we celebrate this holiday. Before this is wrapped up, I ask you, "What are you thankful for this Thanksgiving?" We at the high school wish everyone a happy Thanksgiving! Till next time, bye from Layla Quiroz!

EMB Women's Ministry Mission Sale will be held on November 20 at 6:30 pm.

This year's auctioneers are Pastor Wayne Hathaway and Don Traeholt. There will also be a 'buy it now table', a kids table and bake sale table. Pie will be served following the live auction. This all takes place at the EMB Church. For more information call Marcia Fast at 406 263 7567

ATTENTION BASKETBALL FANS!

The boys' and girls' basketball teams are looking for sponsors and/or work to help raise money for travel clothes. The teams would like to purchase team sweat suits and polos to help us look more unified for home and away games.

Please contact Coach Randy or Coach Bill if you are interested in supporting the teams.
