Mr. and Mrs. Cattell’s Tag Team Chapel: “Don’t Box Me In” By: Cassidy Grider

Mrs. Cattell started her part of chapel by saying that putting people in boxes can be easy. Instead of having Chapel in the chapel room, we had it in the cafeteria. There were boxes made all across the room, categorized by grade. In front of the room was a box outlined in blue. To kick it off, Mrs. Cattell asked us a series of questions. If the answer was yes, she told us to move to the box outlined in blue. The questions varied from fun, lighthearted topics like “Who likes pizza?” to deeper topics like “Who feels lonely?”. The point of all these questions was to show that people can be more than just the box you put them in. At the end of her portion

shared an anecdote from when he and Mrs. Cattell went on a cruise ship. He had gotten irritated with some of the passengers on the ship because they made him give up his seat for their family. After this, Mr. Cattell made a point of being the first on the boat to come back so he could claim his spot. Once on the ship again, he realized he had forgotten his water bottle. This particular water bottle meant a great deal to him because it showed that he was able to work out in the Atlantis fitness center. The loss of this water bottle made Mr. Cattell stop and pray for forgiveness, realizing that his selfishness had gotten the best of him. When the Cattells were getting off the bus, they saw that one of the boat assistants had Mr. Cattell’s water bottle. Upon seeing this, he lets the water bottle remind him of his attitude.

emphasized that unity is essential and that we are better together than alone. Then, Mr. Cattell came up to share what the Lord had placed on his heart. He admitted to us that he tends to be a judgmental person. To demonstrate this, he

From this story, we learn not to be selfish and judgmental because if we judge people, we tend to put them in boxes and think they can’t change. This simply is not true because God chooses the meek and poor to do amazing things for Him, according to Matthew 9: 10-13. Everyone deserves our respect, no matter how we think of them. They were all created in the image of God, so we should treat them according to that standard.

**“Carry each other’s burdens, and in this way, you will fulfill the law of Christ .”
Galatians 6:2**

Lustre Vs Nashua By Ifeanyichukwu Aniobi

On December 15th, 2023, the Lustre Lions took a trip to Nashua to face off against the Porcupines on their home court. The JV Lustre boys took a pretty comfortable win over the Porcupines to start the day. From the jump, our boys were always in control and played with confidence. Our JV boys won 60-16, with Brian Guedes and Joel Reddig playing well and leading the Lions to victory. Next up, the girls' varsity played their game and were outstanding. Like the JV boys, the girls won easily, and the starting five and varsity players didn't have to play much. Therefore, many of the girls on JV got to play and show the crowd what they've got. Our top scorers in the game were Alexa Reddig with 19 points and Lauryn Holzrichter with 17 points, and

there were a lot of other girls that contributed to the scoreline, which was Lustre 60-Nashua 21. The Boys Varsity game was much of the same story; the Lions pretty much controlled the game, and some of our boys had absolutely stellar performances. Johnslee Pierre poured in 32 points and was the top scorer, 84-49, for the Lions.

Lions Add More Wins to the Column By Cayden Klatt

The first Friday after Christmas break, the Lions hosted the Dodson Coyotes for the first time this season. The Coyotes made the distant trek across the plains of North-eastern Montana, covering over one hundred and forty miles to get to the Lions' Den. Originally, a JV boys game was scheduled, but after it was canceled, all that remained was the two varsity games.

The girls' game went well, the Lady Lions being up 18-4 at the end of the first period. The second quarter was much the same, with the Lustre girls dominating the Coyotes by outscoring them 17-0 and leading at halftime by a score of 35-4. After a halftime pep-talk, the Coyotes

scored better in the third period, ending it with a 17 to Lustre's 16. Lustre was still winning by a marginal amount of 51-21. The fourth quarter proved to be the same as the first and second, the Lions outscoring Dodson 18-6 and winning by a final score of 69-27.

The boys also won by a marginal victory. They led at the end of the first 27-10. At the half, the boys were up 47-17. The second half was quite the same, with the boys leading at the end of the third by a score of 64-23 and the final score of 83-28. Leading scorers for Lustre were Kencia Brown with

21 and Johnslee Pierre with 20. Leading scorers for Dodson were Kataya KillEagle with 14 points and Junior Stiffarm with 13 buckets.

Lustre VS Circle By Alexa Reddig

On Saturday the 6th, the LCHS cruiser pulled out of the parking lot to go off and battle the Circle Wildcats for the first game of the new year of 2024. The girls' game started slowly, as the game began with a team technical. The first quarter ended with a 10-4 score, the Lady Wildcats leading. The Lady Lions continued to fight back against their slow pace, trying to get the momentum to swing back their way again. The third quarter ended with a buzzer-beater from the opposing team's free-throw line by Kencia Brown, a three-quarter court bucket. This gave the Lady Lions the boost they needed. Though the Lions were down by 14 at one point in the 4th, they still fought for the win. Although the game did not end with a "W," they managed to come back and only lost by 5

points. The ending score was 52-46.

The boys came out with a slow start as well. Nonetheless, they regained momentum as the second quarter came around, pulling ahead by 14 points.

Once half-time ended, though, the boys came out with a new ferocity. The boys left the Wildcats in the dust as they pulled ahead, outscoring Circle by 16 points in the third. By the fourth quarter, the Lustre Lions had their first game of the year in the bag. Many would agree that a highlight of the fourth and even the entire game was by Johnlee Pierre

when he came down in the fourth and slammed down a windmill dunk. The Lions vs Circle game ended with a final score of 42-70.

Lustre Lions Take on the Scobey Spartans By Grace Brown

On January 13, the Lions headed to Scobey for two of the states' most highly anticipated games. It was almost canceled due to the frigid -30 degrees with a wind chill of -60! But the Lions still traveled to Scobey, riding in cars and vans because the bus wouldn't start. Once they got to Scobey and warmed up, the girls' varsity game began. The Lady Lions started pretty well, beating Scobey 10 to 4 in the first quarter, but their turnovers and missed rebounds soon caught up with them. Scobey caught up, and the halftime score was 13 to 17, with Scobey on top of the Lions. Although the girls did better in the last quarter, they still lost by 8 points with a final score of 34 to 42. Alexa Reddig led with 14 points, and Kencia Brown contribut-

ed 13 points. The girls had a pretty good defense but couldn't make many points and got outrebounded. Next up was the boys' game. Similar to the girls, the guys started well and outscored Scobey 12 to 5. But this lead, unfortunately, didn't last. By halftime, they were tied at 22. From here on, the Lions struggled a bit, looking a little rushed in their offense. They lost their first game of the season, 43 to 53. Clay Reddig was the leading scorer for the Lions, with 12 points. Terran Joseph was the second highest with 7 points, followed by three players scoring 6 points. Even though the Lions lost both games, they are already looking forward to the next time they play! Please support them at their next games.

Alexas Big Decision By Ifeanyichukwu Aniobi

We had some great news at the high school this week as our very own basketball star, Alexa Reddig, has verbally committed to attending North Central University this Fall. I was able to interview Alexa, and it is my pleasure to share this great news with the Lustre community on this issue of the Tumbleweed!

Alexa was considering a couple of other schools, and I'm sure, as you all know, choosing a college to go to as a senior is not only a tough decision but also a very important one. Her final choice came down to three schools: North Western University (Minneapolis, Minnesota), Abilene Christian (Abilene, Texas), and her eventual choice, North Central University, which is also in Minneapolis, Minnesota.

Alexa said she chose North Central because she was very well received when she visited the campus; everyone she met was super nice and welcoming. Alexa also really liked the location and the good feeling she had about everything while she was there. Alexa is super excited to start college this coming fall, and so are the other seniors. Alexa will study English, and we wish her all the best in her future endeavors. We continue to support her and our girls' basketball team and look forward to a great year for them!
