## A Gesture of Unity and Connection: Lauren Carder Fast Receives a Quilt from Native Students During Basketball Tournament

By Mitchella Rosidor

Lauren Carder Fast was pleasantly surprised to receive a quilt during the basketball tournament in Glasgow. The quilt was presented to her by a native student from Frazer, with a special meaning behind the gesture. The quilt is a traditional item in native culture that is often given as a gift to show appreciation or as a sign of respect. It is a symbol of warmth, comfort, and security, and is often handmade with intricate designs and patterns that hold significant cultural value. Lauren expressed her gratitude during my inter-

view, saying, "It was such an unexpected and beautiful gift. I am extremely grateful to have received it and to have been a part of this moment. and that the

quilt will be on display at Schmeckfest." The exchange of gifts and gestures of respect between cultures is critical for promoting understanding, unity, and harmony. It is encouraging to see such traditions and acts of kindness continue, as well as the importance of developing relationships based on respect, understanding, and empathy. In an environment where competition is often king, the gesture of presenting a quilt during a basketball tournament went beyond sportsmanship and highlighted the deeper values of community, cultural exchange, and shared humanity.

## Lustre Boys Take District Tournament By Cayden Klatt

On Wednesday, February twenty-first, the Lustre Lions played their first district tournament game against the Frazer Bearcubs. The boys had no trouble with this game, controlling it and taking it with a final score of seventy-three to seventeen. The following day, the boys took on the Circle Wildcats, with which they had more of a struggle but still took the win with a score of fifty to twenty-nine. This win brought the boys to the championship game against the Scobey Spartans.

This game was largely hyped up, and many fans were there to support it. The Lions controlled

the game primarily throughout and ended up winning the championship by a score of fifty-five to thirty-nine. Leading scorers of each match were Cam Reddig with twelve against Frazer, Johnslée Pierre with twenty-two against Circle, and Cayden Klatt with sixteen against Scobey. By the time this gets published, the Lions will know if they are going to the state tournament.

We want to thank the coaches for all the time and effort they invest in us as players and students. Without your time and dedication, we wouldn't be the

players and human beings we are. We appreciate all the coaches: Randy Reddig, Justyn Klatt, Bill Reddig, and Sadie Brown.

## Lustre Girls Bring Home A Trophy By Alexa Reddig

This last weekend was filled with several exciting days of intense games during the Eastern Class C District tournament. Our Lustre Lady Lions were no exception. The Lady Lions kicked off the tournament with their game against the Frazer Bear Cubs. That tournament magic and excitement filled the air as the Lions came out ready to play. The Lady Lions finished the game with a score of 68-30.

Next, the Lady Lions played the North Country Mavericks. It was a challenging game for the girls as the Mavericks came out fighting for that win. The Lady Lions pressed on, though, and gave it their all, refusing to give up. The final score of their game was 58-21. The Lady Lion's third game was against the Dodson Coyotes. The Lady Lions had a bit of a slow start as their shots took a bit to start falling. Once the girls

found their flow again, though, they were off, finishing their third game of the tournament with a win, the ending score at 61-19.

The fourth and final game of the Ladies District tournament was indeed one for the books. Lustre played the Circle Wildcats on Saturday, February 17th. Both teams would ultimately advance to Divisionals, but the Lady Lions came out hungry for a win over the Circle Wildcats. The game was a fight from

both sides throughout all four quarters. The Lady Lions were behind by four at halftime. The intensity only increased as the last two quarters raged on, but the game didn't just stop in the fourth quarter. That's right, the battle between the Lady Lions and Wildcats continued as they advanced into overtime. It was an

Galatians 6:2**

### Alicia Olfert's Chapel By Eyosias Ayalew

On February 2, 2024, Alicia Olfert gave her chapel presentation. It was among the finest chapels I've heard since moving here, and it completely altered my viewpoint on everything. She began by introducing us to the Glasgow jail ministry. She continued, saying, "We are the same as them" because we are still sinners. She claimed the goal was to alter our perception of those in prison or behind bars. She cited a verse from Revelations 12:10. Her video of interviewing Julie was shown next. Alicia is friends with Julie, who is currently in

Billings. A little about Julie: when she was twelve years old, she started using drugs and ran away from home. Julie said the street accepted her without pointing out her errors. When she was imprisoned in 2001, she claimed to have discovered God. She declared that God had always been a part of her life and praised him even in hard times. She mentioned that the enjoyable activity they perform by learning more about God is her favorite time of the day. Her story may be scary, but trust me, she looks innocent. We also appreciate Alicia for sharing

### NHS Service Project By Cassidy Grider

On Tuesday, February 20, the National Honor Society went to Mrs. Eileen Traeholt's store- Shar-ees- to clean it. We left right after the sixth period and took the drive with Mr. Cattell down to Shar-ees. Everybody had their specific job. I cleaned the medicine cabinet, Grace cleaned the fridge, Emeka vacuumed, Cayden helped take out the trash, and Sarah cleaned the glass surfaces. Overall, NHS was there for about an hour before heading back to the school. It felt good to do this service project, knowing that we were

helping others. I'm sure most of the people in the community have used Shar-ees before either for last-minute meals or something else. All the items in the store are donated by Albertson's in Wolfpoint. There is no set price for any of the items it's all up to the person who takes the items to donate if they have the means to do so. These donations are used to contribute where needed. Thank you to Mrs. Eileen for creating Shar-ees. It is a major help to the community and we are so grateful! Make sure to thank her the next time you see her!
