## More Senior Chapels By Layla Quiroz

On February 1, 2024, two seniors gave their chapels and expressed their faith in the Lord.

The topic for my chapel was being a light in someone's life, and I started by giving my testimony. Through the testimony, I talked about how I was spiritually encouraged and had quite a few people who were a light in my life, including people in the Lustre community. I explained why being a light in someone's light is important, and it is because, as Christians, we should be planting seeds that could later sprout and be fruitful. Next, I expounded on when and where someone can be a light. The place or time of day should not stop someone from sharing the word of God.

ty, laziness, and others, meaning the people we surround ourselves with. With every cup I put over the light, the light was not as bright. I gave a brief explanation about how each of these cups has an impact on how bright our light is. After the demonstration, I clarified that having these struggles should not discourage you from wanting to be a light but encourage you to grow your light. I had several people in the audience read bible verses that counteracted the five struggles to explain that with God, we can overcome these struggles and grow our light, ultimately being able to shine in someone's life.

The next part of my chapel consisted of how to be a light by using a demonstration. I had a flashlight representing our light for Jesus and five cups representing struggles that dimmed our light. The five struggles I used as examples were depression, fear, anxie-

Terran was the second senior to give his chapel. Terran talked about what God wants you to do in your times of suffering. He started by explaining that we all go through hardship, which sometimes leads us to ask, "Why does God allow suffering?" Further on, he addressed how God uses suffering and hardship to develop us into better people. Terran gave a personal example of the suffering he went through at the age of 13. A category five hurricane hit his island, the highest classification on the storm scale. His island was destroyed, and he lost a lot of close friends that day. He talked about how he questioned why all that stuff was happening and then read 1 Peter 4:12,

## Lustre Vs Dodson By Courtney Teichroew

On February 2<sup>nd</sup>, the Lustre Lions made the long drive out to Dodson to play their last away games for the regular season. The girls' game started strong, with the girls scoring fifty points and Dodson scoring fifteen in the first half. The second half was not as good, with the girls only scoring eighteen more points and Dodson only scoring six more, making the final score of the girls' game with the Lady Lions having sixty-eight points and Dodson having twenty-one points.

The boy's game was next, with the boys scoring forty-eight points and Dodson scoring twenty points in the first half. In the second half of the game, the boys scored thirty-one more points, and Dodson scored thirteen more. The game's final score was Lustre with seventy-nine points and Dodson with thirty-three points. In the boys' game, with part of the team not being there because they were sick, coach Randy let eighth grader Chris play, and he scored four points in the fourth quarter. Make sure to go and support the Lustre Loins at the divisional tournament in Glasgow. Divisionals are February 28th- March 2nd. Go Loins!

## Circle at Lustre By Alexa Reddig

On February 3<sup>rd</sup>, the community of Lustre came together for a good old home basketball game against the Circle Wildcats. The evening started with a win by the boy's JV. A rugged, football-like girl's game followed. The Lady Lions started strong, hungry for a win over the Wildcats. They fought for every one of their points, coming up short all three quarters. That is, until the fourth and final quarter. The Lady Lions pulled together and fought to finish strong, pushing through exhaustion and the hammering of the Wildcats. They managed to pull away from Circle and gain an eight-point lead at the end of the fourth, with several fast breaks. In the game's final minutes, the Wildcats managed to come back, but the Lions were not ready to give up their win and held on to their two-point lead until the final buzzer. The Lady Lions won

the game with a final score of 42-45. Despite a handful of the Lustre Lions coming off of a few sick days, the boys came out of the huddle ready to play. The two teams fought hard, but the Lion's defense was more than the Wildcats could handle. Cayden Klatt added to their run with three 3's right off the bat. The Lions ended the half with a score of 30-18. The third and fourth quarters were when the Lions shut the Wildcats down, holding Circle to a meager four points in the entire second half. The Lions ended the weekend with a final score of 70-22. Clay Reddig led the Lions in scoring with 17 points, Johnlee Pierre added 14 to the board, and Cayden Klatt had 11. Byron Ewing had 7, Cam Reddig had 6, Diek Olfert had 5, Terran Joseph had 4, and Eyo-sias Ayalew had 1. Come and support the Lions as they get ready to gear up for tourney time

## Lions Take on The Mavericks By Grace Brown

On Friday, February 9<sup>th</sup>, the Lions left school to travel to Saco to take on the North Country Mavericks. The girl's JV game started things off. Although the girls tried their hardest, they did not get their desired outcome and lost the game 41 to 6. Next up was the girls' varsity game. The girls were struggling before the game even started. Many of them were sick, and they only had three subs to come in instead of the usual four. After Saco's senior night, the game began. North Country started hot, scoring the first nineteen points before the Lions would score. The first quarter ended 25 to 4, with the Lions on the bottom. At halftime, the score was 42 to 11.

During the third quarter, the Lions got fortified, so the mercy rule started with the running clock. The ending

score was 61 to 24, with the Lady Mavericks on top. Even though the clock was still running, the Lady Lions brought the difference in score back below forty. Alexa and Aubri led the team in scoring, each having eight points.

After the girls' Varsity game, the boys' game began. The Lions boys started like the Maverick girls, scoring 22 points in the first quarter. The boy's game went fast, with the Lions running over the top of the Mavericks. The final score of the game was 65 to 27. Johnlee led the scoring for the Lions, scoring 14 points. Byron followed close behind with 11 points, and then Prestyn

right behind him with 10. The divisional tournament is starting February 29<sup>th</sup> in Glasgow. Come support your Lions as they play their post-season tournaments!

## Seniors End Home Games on Good Note By Cayden Klatt

Last Saturday, on the 10<sup>th</sup> of February, the Lustre Lions prepared for their final home game of the season and the seniors' final home game. This year's seniors involved with the basketball team are Alexa Reddig, Aubri Holzrichter, Grace Brown, Mitchella Rosidor, Cayden Klatt, Courtney Teichroew, Eyosias Ayalew, and Terran Joseph.

The Lions hosted the Scobey Spartans, who beat the Lustre teams in Scobey last time. Both Lustre teams had a different mindset this time, looking for revenge for their losses. After the girls' and boys' JV games concluded, the varsity

girls went out, determined to end their regular season on a positive note. The first half of this girls' game proved to be an even-fought contest, the halftime score being twenty-one all. The third quarter was much of the same, and going into the fourth, the score was tied at thirty-three. The Lions were tied with four seconds left when Alexa Reddig was fouled and hit the first free-throw to go up forty-one to forty. She missed the second but got her own rebound and dribbled the clock out to secure the victory.

After this win, the seniors were recognized by a ceremony. They took some quick pictures, and out came

the boys, ready to back up their girls' win with a win of their own. The boys had an excellent first half, leading twenty-six to Scobey's sixteen at the half. The third quarter was slow for the Lustre boys, and

Scobey made a small run, but the Lions held their ground, winning by a final score of forty-nine to thirty-nine. Both Lions teams are ready for divisionals, and they hope you are too! Come support them as they take on the tournaments. Let's go, Lions!

## A Night to Remember: The Seniors of LCHS

By Sarah Dahl

After a tough, close win to the Lady Lions on February 10<sup>th</sup>, 2024, Lustre Christian High School took a moment to recognize the senior basketball players and managers of LCHS and the last home game of their high school career. Mr. Ron Reddig opened the event, recognizing Miss Grace Brown and her family. He talked about her favorite memories, what she enjoyed about basketball, and how long she had been playing. As Grace and her family went on, Grace received her gift, and they went to the center of the court.

The next people Mr. Ron Reddig announced

in recognition were Aubri Holzrichter, Alexa Reddig, Mitchella Rosidor, and Eyosias Ayalew. Then, he announced Terran Joseph and Cayden Klatt together with the Klatt family.

After all the seniors and their families received their gifts and went to the center of the court, Mr. Ron Reddig ended with a prayer for the seniors and their bright future ahead. The seniors gathered under the mezzanine with their families, taking photos and giving hugs to celebrate the last home game of their high school career.

which says, "Don't be surprised by suffering. The Son suffered, and so do those who follow the Son. You will not be spared the suffering that the world experiences, but you will participate in them, both for the world's benefit and your own." He expressed that God tells us not to be surprised but just to be prepared when it comes to suffering. He also explained that suffering will reveal what is truly in our hearts, and we will be tested. Terran gave more explanations of suffering and how he turned to himself to

handle his troubled heart but realized that only the Lord could fill that position. Toward the end of his chapel, he told us to turn to God in our suffering and to Him in the good. He ended by sharing how we should turn to the gospel in times of need and talk to those who have endured hardship. He finished his chapel by encouraging us to speak honestly and often to the Lord because he knows what is on our hearts every hour and minute of the day.

## Pastor Waynes Chapel By Terran Joseph

On Thursday, February 8<sup>th</sup>, Mr. Wayne Hathaway spoke for the school's chapel. His message was on "the process' and the process's end product. He started by sharing a principle of what is between promise and provision. He made the statement that there is always a process in life and that you have to embrace the process. He then added that you don't get the product without the process, and the question was, what was the end product?

Being like Jesus is the answer. Later, in the rest of this chapel, he told the audience that they would

have to spend eternity somewhere. Heaven or Hell? And how there is only one way to get to Heaven, and it is up to you to humble yourself and find the way. He finished his chapel with the question of how to purify yourself. You have to say no to sin or any sinful opportunity that will arise on your journey with God.
