### District 3C Meet By Cayden Klatt

On Saturday, May 11, the Lustre Christian track team took a short trip to Wolf Point to participate in the District 3C meet. Everyone had the same goals, make it to divisionals and score points for the team. How this meet works is the top eight performers in every event go on to divisionals and the top six score points. The boy's goal was to beat Scobey in total points scored to win the meet for the second year in a row. So, here's how it went. In the 100, Ife, Brian, and Terran, with Terran getting first overall. In the 200, Byron and Terran competed, with Terran winning this event as well. In the 400, we had Byron and Terran running, and Terran once again ended up winning this event. In the 800, Clay, Hadden, Diek, and Prestyn ran, with Prestyn winning and Diek taking second. In the 1600m, Diek and Prestyn ran again Prestyn ended

up winning this event as well. In the 3200m, Cayden and Prestyn ran, with Prestyn winning and lapping his brother believe it or not! In the 110m hurdles, Cam, Ife, and Johnslee competed with Johnslee coming in second. In the 300m hurdles, Cam and Johnslee made it with Johnslee winning. Mason got third in the shot put. Mason and Byron both competed in discus. In high jump, Cam and Clay jumped. In the long jump, Brian and Johnslee both leaped with Johnslee winning. In the triple jump, Cam and Johnslee jumped again with Johnslee taking second. In the relays, the boys won the 4x100m and the 4x400m. For the girls, Abby ran in the 100m and the 200m. Lauryn ran in the 300m hurdles. She also competed in high jump and triple jump. For long jump we had Abby participating. In the 4x100m relay, we had the girls who gave their best.

## A Chapel on Kindness By Cassidy Grider

On May 9, our very own Meredith Valentine presented her chapel. When deciding on her topic, she wanted to choose something that would benefit the school the most, so she chose the topic of kindness. She started with prayer, and then had Jaden, Abby, and Hannah Marasco read Galatians 5. She then played a video for us, which I found very impactful. Many quotes hit me hard, such as "Imagine what 7 billion humans could do if we loved one another", "Who you are is far more important than what you have", and "In the long run, the sharpest weapon is one of a kind and gentle spirit." After the video, Meredith called the drama class up for a demonstration. Ife, Byron, and Siggie were bullying Cayden, Gabe, and Clay. Then they came up to those three again and chose to be compassionate and kind. During the demonstration, Meredith put bits of dirt into a water bottle every time the boys were mean. She then showed us that when you choose to be kind, your water becomes cleaner.

Meredith shared a little bit of her story next. When she was younger, she was always the kid who was picked on. One night, she had enough and broke

down crying, wanting her life to be over. The next day at school, a friend came to her and invited her to church, and ended up leading Meredith to Jesus. After this, she was happier for a time until her grandfather started having health issues and unfortunately passed away. She blamed God and drifted for a bit. Meredith found God again when she chose to come to Lustre. Then another thing hit: she was diagnosed with epilepsy. She couldn't understand why God had let this happen and she blamed Him again. She realized that even though she couldn't do everything she used to, she knew that God had a plan.

We then did another demonstration. We were broken up into four groups with balloons in each group. We picked up the nearest balloon and gave it to the person whose name was on it, demonstrating kindness. After this, Meredith introduced us to the 30-second rule: if a person can fix something about themselves in 30 seconds, then tell them. This could be because they have something in their hair or a piece of food in their teeth. If it's something they can't fix, like their looks or weight, then don't say anything. Meredith did an amazing job on her chapel, and hopefully it resonates with all of us as we live our lives.

**"Be kind, for everyone you meet is fighting a battle you know nothing about."**

**"Be the reason someone smiles.  
Be the reason someone feels loved and believes in the goodness in people."**

## **Lustre Christian High School Band and Choir Excel at State Music Festival** by Mitchella Rosidor

The Lustre Christian High School band and choir, under the leadership of Mr. Marasco, achieved an outstanding accomplishment by making it to the state music festival on May 3-4. Out of 15 students who participated, 11 of them made it to the state level. The talented students who made it to the state festival include Byron Ewing, Hannah Marasco, Katie Calderon, Rachel Pew, Anna Teichroew, Hannah Brown, Abby Olfert, Grace Brown, Diek Olfert, Nathan Fast, and Emeka Aniobi. During the festival, the students were part of 9 performances, and an impressive 8 out of those 9 performances received a superior rating. The judges were excellent, providing valuable feedback and recognition for the hard work

and dedication of the students and their instructors. The festival provided the students with the opportunity to witness other outstanding performances, further inspiring and motivating them in their musical journey. It was a memorable and educational experience for all the participants. This achievement would not have been possible without the exceptional guidance and leadership of Mr. Marasco. The students and the school community deeply appreciate his dedication and mentorship. As Mr. Marasco moves on, he will be dearly missed, and his impact on the students and the music program will always be remembered.

## **The 2024 Spring Concert** by Grace Brown

On the first day of May this spring, the LCHS held their spring concert at the EMB church. They started it off with the choir singing several songs. The first one was two hymns called Hymns. Then they sang Keep Your Lamps, Offertory, To Everything There is a Season, On Eagle's Wings, and lastly, God is Able. Then the program moved on to the state music festival pieces. First off was Diek and Nathan's trumpet and trombone duet. Next came Hannah Brown playing piano and later Hannah Marasco also playing piano. Then, Rachel and Anna sang a duet together. Hannah Marasco sang the song For Your Pleasure, Byron Ewing sang Go Down Moses, Katie Calderon sang Castle on a Cloud, and Emeka played the song Deep River on the Barri Sax. The last two festival performances were a

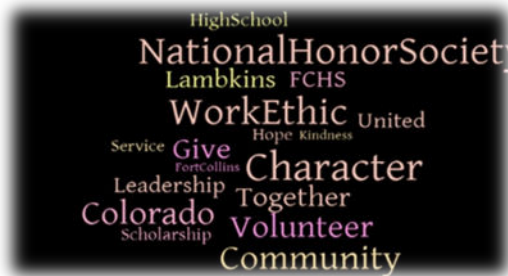

trumpet trio of Grace Brown, Abby Olfert, and Diek Olfert and lastly, Mason Hilkemann's alto saxophone solo. After all those pieces, an offering was taken while the band members prepared to perform and the audience turned their seats to watch. The first song they played was Pirates of the Caribbean. Next, they played Wipe Out and then lastly, according to the program, they played In All Its Glory, a seven-minute-long song. After that, the band dropped a special song that wasn't mentioned in the program. It was called Resurrection Hymn and was a great finish to a great concert. Thank you everyone who came out to support the LCHS students. Friday, after the concert, the state band and choir participants left to go to Billings to perform. If you see any of them, make sure you ask how it went!

## NEW NATIONAL HONORS SOCIETY MEMBERS

by Alexa Reddig

On Sunday, the 5th of May, the National Honors Society held an induction ceremony for six new members, Emeka Aniobi, Natoli Tesgera, Hanna Marasco, Abigail Olfert, and Rachel Pew. The ceremony started with a welcome to all who attended by Mrs. Cattell, followed by a prayer from Mr. Ross. Mr. Wilbur Unrau, a current national honors society member, then took the stand in explaining what it means to be a NHS member. He went over the four pillars which was then followed by the current NHS members reading and lighting the designated can-

dles for each one of those pillars. Mrs. Cattell lit the gold candle symbolic for the entirety of the National Honors Society. Cassidy read Scholarship, lighting the signifying red candle. Alexa then read Service and lit the blue candle. Grace lit the green candle of Leadership. Lastly, Sarah lit the white candle for character. The six new members were then officially inducted, reciting the NHS pledge and signing their names into the National Honors Society book. The event was concluded with a prayer from Mr. Matthyser and treats and pop for all of the attendees.
