God's Unwavering Love God Is Always With Us

Mitchella was born and raised in Haiti when she was younger, she experienced some traumatic events one of them was when Haiti was struck by an earthquake in 2010. She was in the middle of it all and it felt like the world was ending in that moment. Mitchella was one of the lucky ones that escaped and survived the whole ordeal. That was not her only challenge, her dad decided to put her in an orphanage when she was only 7 years old.

bible verses that carried Mitchella through her struggles was Jeremiah 29:11 "For I know the plans I

have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future." Mitchella went on to elaborate on the scripture, we need to trust God in every season of our lives. During our struggles it's easy to look at the negative aspects of life, we should look for the positives in the struggles. Mitchella's message went on

Another passage that Mitchella shared was Psalm 34:18 "The LORD is close to the brokenhearted and saves those who are crushed in spirit." This part carried her when her biological father passed away, God carried her through her heartache. We did a little exercise where we closed our eyes and thought about a difficult moment in our lives, we had to picture that God was there with us holding our hand and guiding us through the tough times. There is a lot we can learn from Mitchella's chapel. Always remember God is the light in the darkness and he has a plan for all of us.

"Carry each other's burdens, and in this way, you will fulfill the law of Christ ."

Courtney's Senior Chapel By Eyosias Ayalew

One of our seniors, Courtney Teichroew, gave us a presentation of his senior chapel on Thursday, April 18, 2024. He spoke about the Armor of God, which was his topic. "We live in a world that does not want Christians and that wants to get rid of us and our faith in God," he said at the outset of his speech. He provided us with several insightful Bible scriptures. Ephesians 6:10, which he used as his opening passage, clarified that we must have a strong faith in the Lord.

Then Ephesians 6:11 came. He clarified this text by stating that the purpose of wearing God's armor is to protect ourselves against the devil's schemes. The verse that followed was John 17:17. The verse asserted the veracity of God's word. Furthermore, according to John 14:6, Jesus is the only path to the Father and the source of all truth. We do all of this, he explained, so that we can resist the devil, but we can only do so if we have all of the armor's components.

Cortney's senior chapel speech made us all joyful.

Last Senior Chapel By Layla Quiroz

Lustre Christian High School had the privilege of listening to the last senior chapel of the year, given by Ifeanyi Aniobi. "DHP" was an acronym created by Ify, which stands for discipline, hard work, and perseverance. He first talked about how sports are a huge commitment, especially in our school. He explained that in order to find success within a commitment to sports or other areas of life, one has to apply DHP to their lives. He then moved on to role models and how many of us have role models that we look up to. Ify explained that role models have made it far in what they commit to because of DHP. For the next few minutes of his chapel, he showed two videos of various successful people like Tom Brady and Tee Higgins. The video showed these people talking about their past and how they made it far even though their circumstanc-

es growing up were not the best. After the videos finished, Ify elaborated that if you approach life with DHP, you will be successful. Ify shared some of his and his dad's favorite bible verses such as Proverbs 12:27, Proverbs 14:23, and 2 Thessalonians 1:10-12 to support the idea that we can do anything we put

our mind to. But there is one thing, all that we succeed in and gain is worthless without a relationship with God. Ify talked about the story of King Solomon and how he had everything and anything you could possibly imagine, but he himself admitted that all the success is pointless without maintaining a relationship with your heavenly

father. To bring it all to a close, Ify ended with such a wonderful statement which is "nothing is more precious than having a relationship with your heavenly father".
