Prioritize Christ by Katie Calderon

The week of the 20th of February, we had another opportunity to have Pastor Seth Runner, from Glasgow Evangelical Church, covering our Chapel. We started with a game called “Egg, Chicken, Dinosaur”. Afterward, we got the opportunity to vote on which lesson we wanted. We voted by going to various parts of the room and chose the lesson relating to the difference between a few simple inanimate objects and what they

separation from God as a result of the fall. The next visual representation was a basketball, which represented sports, specifically our life paths. Being that God will direct our path when we seek his will. As this is stated in Proverbs 3:6. The next objective we went over was a ring. The ring represents what we prioritize in life. As well as our long-term

plans, such as our career and pathways we may choose. Basically, these objects are, in a way, the same but also different. Regardless, we may run into many challenges in our lives, and at times, we may not have our priorities in the proper line. This is why it is important to keep God first at all times. In conclusion, a good question to ask yourself would be, “Are you seeking God first, or more of the outcome? We want to thank Pastor Runner for his message!”

### Meek Will He by Rachel Pew

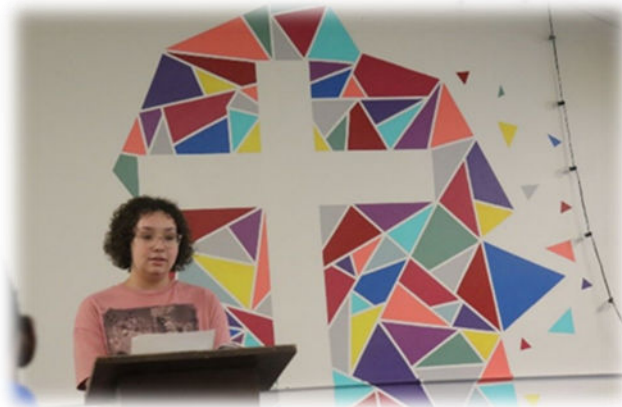

On Thursday 6th of March Pastor Wayne Hathaway presented his Chapel to the LCHS students. He started by singing the now well-known song "Meek Willy." This song is based on Psalms 25 and received its name when a friend of the singer misheard one of the lyrics. Instead of "... the meek will he guide in judgment..." he heard "... the Meek Willy guide in judgment..."; thus, the friend said he wanted to be like the man in the song. The man was Meek Willy, so the singer decided to name the song after what his friend had misheard. After singing the song and telling the story behind its name, he went on to talk a little more in-depth about the lyrics of the song. The verse of the song, depending on the version, is an exact quote of Psalms 25:8-10 and the chorus is verses 4-5.

Once he finished talking about the song, he spoke a bit about prayer. He gave a few different acronyms that can be used when praying and studying God's word. The first he used was A.C.T.S, which stood for adoration, confession, thanksgiving, and supplication. He talked about how this is a good way to format your prayers and that another good example is from when Jesus is teaching his disciples to pray in Luke 11. The second acronym he used was S.O.A.P., which stands for scripture, observation, application, and prayer. This acronym is supposed to help us go beyond simply reading the word and instead actually applying it. He ended the chapel by talking about why these things are important and by touching on the attributes of God.

### The Beginning of Senior Chapel by Meredith Valentine

Thursday, March 6th, we had the first two Senior Chapels of the year. The first two individuals to present their chapels were Katie Calderon and Rachel Pew. Katie went first. Katie's topic was "Faith through Hardships." She began with an opening in prayer, then moved on to reading some of her favorite verses and shared her personal testimony. She was a troubled child who came from a somewhat troubled family. She re-dedicated her life to the Lord last summer and decided to

take her spiritual journey more seriously. Then Rachel moved on to her Chapel, where her topic was "Seeing Yourself the Way God Sees You." She began by playing a game called Real or Cake. This game has shown us that, no matter what it looks like, feels like, or even smells like, the main difference lies within. She supported that statement with 1

Samuel 16:7. One point that she made, which really stood out to me, was, "Choosing to live for

Christ should change how we view ourselves." Both of their Chapels were amazing to listen to and had some very interesting points. Please feel free to come out to see our next two seniors present their chapels!

### Spiritual Emphasis Week! by Clay Reddig

We are delighted to welcome back Pastor Dan Hubbard to lead our Spiritual Emphasis Week with us this year! He has been here on many different occasions. He has been here in 2009, 2012, 2016, and 2021 was his last time. Pastor Hubbard is a motivational and inspirational speaker, as well as a musician. Not only is he highly knowledgeable in the Bible, but he is very skilled on the piano and keyboard. Our worship time, which he leads, is very interactive and fun! At Monday's Chapel, he got us started with some good worship time and then dove into his message. He highlighted the story of Zacchaeus found in the gospel of Luke. Zacchaeus just wanted to see Jesus. In order to do so, he climbed up a sycamore tree due to his small figure. Jesus immediately told him to come down, and He made time to talk with Zacchaeus, inviting him into His home. Mr. Hubbard used this scripture as an example to illustrate that Jesus wants to have a personal relationship with us. He wants an intimate relationship with each and every one of us. On Tuesday, he went with a similar approach and related his mes-

sage to a story found in Luke again. This time, it was the story of Mary, the woman who washed Jesus' feet with her hair. He explained how Mary was a woman who was broken on the inside but did not show it in her outward appearance. Although she was a woman of much sin and had rejected God before, she came to Jesus humbly, and He accepted her. She washed Jesus' feet with everything she had left that had worth (tears and perfume). For his next sermon, Mr. Hubbard had to cram 2 messages into 1. He began his message by discussing the differences between males and females and how we are all intricately knit together by God Himself. He emphasized the importance of knowing that we are fearfully and wonderfully made. He also explained DNA and the complexity of everything in our bodies. We are made for a purpose, we are not mistakes. He then told us our bodies are living proof that we didn't just come into existence but that we have a Creator. After an amazing week of chapels, we are very thankful that Mr. Hubbard could speak to us again!

## Living for God

Living for God is about aligning your life with His will and purpose, reflecting His love, and living out His values in everyday actions. It's a lifelong journey of growth, obedience, and devotion. Here are some practical ways to live for God:

### Develop a Relationship with God

Living for God starts with a personal relationship with Him. This relationship is built through prayer, worship, and reading the Bible. Prayer allows you to speak with God, share your heart, and listen for His guidance. The Bible is His Word, providing wisdom and direction for how to live. Consistently spend time with God to deepen this connection. Follow Jesus' Example Jesus is the ultimate model of how to live for God. His life demonstrated love, humility, and service to others. By studying His teachings and actions, we can learn how to live selflessly, forgive others, and spread God's love. Living like Jesus means embracing compassion, kindness, and grace in all interactions. Obey God's Commandments

Living for God involves obeying His commands and living by His standards. The Bible offers clear guidance on how to live in a way that pleases God, such as loving your neighbor, avoiding sin, and seeking justice. When we choose to follow God's commands, we honor Him and reflect His holiness in our lives.

**Serve Others** Serving others is one of the most powerful ways to live for God. Jesus taught us that serving others is serving Him (Matthew 25:40). Whether through acts of kindness, volunteering, or helping those in need, serving others reflects God's love and brings glory to Him. Trust in God's Plan

Living for God requires trusting in His plan for your life. Even when things are difficult or uncertain, trusting that God has a purpose for you can bring peace. Surrendering your life to God allows Him to guide your steps and use you for His kingdom's work. In every action, decision, and relationship, live for God by reflecting His love, truth, and grace.

## Global Warming: Fact or Fiction? by Mason Hilkemann

The topic of global warming has permeated the scientific community for the last 50 years. Claims that the world is ending are featured on billboards and in headlines,

as well as in books and classrooms.

But is there any validity to their claims? First of all, scientists claim that the Earth is warming up due to the greenhouse gases released into the atmosphere by the ton every year.

While the implication is that the earth's temperature

has drastically increased in the last few decades, the absolute mean global temperature of the earth has increased by 3 degrees Fahrenheit since 1850. This is certainly not something to worry about, especially

since the temperature changes by more than that every day. Another claim made is that natural disasters are becoming more frequent as a result of climate change.

This, again, is not true. In fact, the number of acres of land burned by wildfires has decreased by 80% in the last century. Lastly, we must examine the individuals making the alarmist claims. We have heard for years that by a certain year, the world would end if we did not act. And yet, we are still here. People were claiming this back in the 80s, but the world

is fine. And if we do everything we are supposed to do as stewards of the earth, the earth will thrive.

### Another New Face “Jones” the School by Rachel Pew

This year, Lustre Christian High School has been blessed with an extensive freshmen class. One of these new freshmen is Miss Sheila Jones. Miss Sheila Jones has gone to school in Lustre since seventh grade, before which she went to school in Nashua. (Although she has lived in several other places as well, she says that her favorite class is study hall, and her least favorite is science.) She says that the thing she likes about Lustre the most is the wonderful children from the grade school and the people. She specifically mentioned Mrs. Toews, Mrs. M, Mr. M, Mrs. Hilkemann, Holly, Mrs. Carder’s Mom, Mrs. Had-

den’s Mom, Mr. Hadden’s Dad, and Mr. Jerry. She is looking forward to summer, and she has only tripped on the stairs once. But there have been a few close calls. Some of her hobbies include playing with grade school children, coloring, giving hugs, and eating. She is also a great fan of the musical Hamilton, about Alexander Hamilton. She says that when she graduates, she wants to become a therapist and help people. She also enjoys singing, dancing, and just having fun in general. She loves talking to people and joking around. If you see her around, make sure to say hello.

### Getting to Know Ashtyn Traeholt by Jaden Gibson

An incoming freshman, though not new to the community, is Ashtyn Traeholt. Ashtyn is looking forward to breaking the shot or disc record in high school track and field. In her free time, Ashtyn likes to talk to her brother Christopher, who is also a freshman this year at Lustre Christian. One thing that is different in high school that Ashtyn was expecting is the teachers. Through the year so far, Ashtyn has fallen up or down the stairs around 12 times. Ashtyn’s favorite class in school is Bible class, and her favorite Bible verse is 1 Corinthians 10:13, which says, “No temptation has overtaken you except what is common to mankind.” And God is faithful; he

will not let you be tempted beyond what you can bear. But when you are tempted, he will also provide a way out so that you can endure it.” After school, Ashtyn wants to attend college, possibly at MSU or NYU, to study welding. Her ideal vacation spot is either in the mountains or in Paris. Her favorite food is seafood, and her favorite restaurant is The Grand Buffet in Williston, North Dakota. Ashtyn’s favorite movie is Twilight, and her favorite music artist is Gage Bostick. If Ashtyn could have any superpower, she would be invisible. If you see Ashtyn around the school or community, make sure to say hi and ask her how high school is going!

## Divisional Basketball by Clay Reddig

After coming off a tough loss in the district championship against Scobey, the Lustre Christian Lions were hungry. They had another championship to chase along with a trip to the Class C State tournament. In the Semifinals, to start their weekend, they were to face the Culbertson Cowboys. The Lions had

not faced this team yet this year, so everyone was excited to see someone new. Right from the tip, the Lions were looking good.

Johnslee Pierre started the game with back-to-back slam dunks to set the tone early. The Lions then went out to the three-point line and started stroking it. The

bench came in early and kept up the pace. The first half was very fast-paced and exciting. This resulted in the score being 59-20 at halftime. The second half started slow, but Clay Reddig threw an alley-oop off the backboard to a flying Johnslee Pierre for a thunderous jam. This got the team fired up again. The bench came back in and kept the score up. With the running clock, the second half passed quickly. The final score was 83-30. Johnslee led the charge and scored 20 points. Joel Reddig backed him with 13 points. Next up were the Plentywood Wildcats in the quarterfinals. The Wildcats are a respected, tough team, so the Lions knew

it would not be easy. The Lions came out flying around. Cam Reddig started the game with a steal, which led to a fast-break layup. Plentywood answered right back with a basket, but the Lions maintained control throughout the first quarter. They led after 1 quarter, 21-12. The Lions went on a huge run

in the second quarter, leading the game by over 20 points. However, the Wildcats stormed back with a 7-0 run to end the first half. The score read 40-25, favoring the Lions after the second quarter. The Wildcats played a zone defense in the second half to try to throw off the Lions. It started working early, but the Lions

soon figured it out, especially

Prestyn Klatt. He caught fire and hit 5 three-pointers! This summed up the second half, including a lot of fouls. The Lions ended up winning the game by 21 points (71-50). Johnslee Pierre and Prestyn Klatt combined for 46 points to carry the Lions! This was huge for momentum heading into the Divisional championship. It was another rematch between the Lustre Christian Lions and the Scobey Spartans. Everyone knew this would be a tight game and it held up to be. The Spartans started off hot after scoring first and controlled the first quarter even though the Lions

were fighting to get back. The Spartans led 17-11 due to a hot start from their player, Bram Handran. The Lions struggled to score in the second quarter, managing only 9 points. The Spartans led at halftime 35-20. The Lions still had hope entering the second half considering they have come back from bigger deficits before. The third quarter went the

exact same as the second quarter, and the Lions cold shooting was the story of this game. It continued into the fourth quarter, and the Spartans got the best of our Lions once again. The Lions lost the divisional championship 41-64 but still have their trip to state. This is the 3rd year in a row that the Lustre Christian Lions have made it to the state tournament. What an honor!

## The Lions Close out their 2024-25 Season in Butte by Byron Ewing

This past week marked the start of state Class C basketball tournament, which was held this year in Butte. This marked the third consecutive year that the Lions qualified for the tournament. The Lions left on Tuesday evening after school for Billings, rather than making the full drive to Butte that same day. On Wednesday, the Lions arrived in Butte and attended some of the girls' games that were being played, getting a feel for the arena where they would be competing. Soon, Thursday rolled around, and it was game day. The Lions would face off against the Manhattan Christian Eagles in the first round, a team they had already played against once earlier in the year and beaten. The Lions knew, however, that this game wouldn't be a walk in the park and that the Eagles would be seeking revenge after their first matchup. This match got underway in no time, and the Eagles showed that they didn't want to go out like they did

Picture Courtesy of Jennifer Ray Photography

last time. Byron Ewing got things going for the Lions with a big and one to put them up on the scoreboard. The Eagles, however, dominated the first quarter, leading 21-12 at the end of the period. The Eagles were able to keep their shots falling while the Lions struggled throughout the entire first half. The score at halftime read 35-22(Eagles). Coming out of halftime, it was time to kick off the third quarter. The Lions started to build up some momentum in this quarter and got a lot more inside touches to put some points on the board. The score at the end of this quarter was 52-37. As the fourth quarter approached, the Lions recognized that they would have to make a strong

*(Continued from page 7)*

push to get back into the game. The Lions fought and pushed hard to cut the Eagles' lead down to only 8. However, the Eagles got some open layups and were able to close out the game with a win. At the end of the 4th quarter, the score read 65-51 (Eagles). This meant the Lions would have to go and fight for third place from here on out.

Following the loss, this meant the Lions would have a game at 11:00 a.m. on Friday morning. They would be facing off against the Bridger Scouts. The Lions came out strong in this game, taking an early lead with a 7-0 run. This game wasn't going to be over that easy, however. The Scouts pushed and managed to make this game go back and forth for quite some time. At the end of the first quarter, the score read 10 – 15 for Bridger. Coming into the second quarter, the Lions came out on a 9-0 run. The scouts once again pushed back to even out the score on the scoreboard. The score at the end of the first half read 26-26. Tie

ballgame! Coming out of the half, the Lions would have to show how badly they really wanted to win, as this was a loser-out game. Coming into the third quarter, Cam Reddig hit a big triple to put the Lions in front of the Scouts. The Lions were able to score more points in this quarter, establishing a slight lead over the Scouts. The score at the end of the 3rd quarter read 42-38 (Lions). Coming into the fourth quarter, it was all about who wanted it more, as it was still only a one-possession game. The start of the fourth was on the way, and the Lions were able to pick up some more momentum and get buckets to fall. The Scouts, however, still wouldn't go down that

easily and stayed in the game with a couple of three-pointers. The Lions fought hard and managed to maintain an 8-point lead for the majority of the fourth quarter, ultimately closing out the game with a win. The score at the end of regulation read 70-55, with the Lions taking the win.

Following the win on the previous day; the Lions would be going up against the Scobey Spartans (for the fifth time this year). The Lions knew this would be an extremely tough game, having played the Spartans so many times before. For the entirety of the first quarter, the Lions and the Spartans went

back and forth. Both teams scored one after the other. At the end of the first quarter; the score read 16-16. Coming into the second quarter, the Lions found their rhythm and were able to establish a 5-point lead over the Spartans. The Spartans crawled their way back, however, and at halftime, led the scoreboard over the Lions by 3. The score at halftime read 32-29(Scobey).

Coming into the third quarter, the Spartans immediately got things going and established a quick 10-point lead over the Lions. From there, the Lions had to play catchup, and although they got close, they could not fully get back into the game. The score at the end of the third quarter read 53-38(Scobey). Rolling into the fourth quarter, the Lions were trailing by 15. The Spartans kept their foot on the gas to maintain a decent lead over the Lions. At the end of the fourth quarter, the score read 70-52 (Scobey). It was a fun season, and we can't wait to see what you guys bring next year. Good Luck Lions!!
